LBJ Polls 49%; Nixon Far Ahead In GOP

McCarthy Gets Surprising 42% Of Hampshire's Vote

CONCORD, N.H. (AP) — New Hampshire Democrats returned a startling split decision today, giving President Johnson a narrow, empty victory in the nation's opening presidential primary— while awarding rebellious Eugene J. McCarthy 42 per cent of the ballots and apparently 20 nominating votes at the party's national convention.

Richard M. Nixon won the overwhelming Republican vote he sought to help wipe out the memory of past defeats and propel his quest for the GOP presidential nomination.

But the drama was in the Democratic story. It was a story of political trouble for Johnson, and a leadoff success for McCarthy, whose campaign on a platform protesting Vietnam policy once was scorned as inconsequential by Democratic professionals.

Minnesota's McCarthy far surpassed his forecasts—and those of his opponents. Johnson's name was not on the ballot, but the state Democratic organization waged a tough write-in campaign. Its product: a minority win for the President, who received 49 per cent of the vote.

The near-final count had Johnson leading McCarthy by less than 4,000 votes. The President's promoters had forecast a 3-1 victory—and even that prediction was toned down from earlier 10-1 talk.

The contest for delegates appeared to be reversing the verdict of the presidential preference poll. Actually, the poll, popularly called a "beauty contest," is binding on no one.

In the separate contest for Democratic delegates, candidates pledged to vote for McCarthy's nomination were leading for 20 of the 24 national convention seats at issue, while contenders favoring Johnson led for 4.

McCarthy's performance in that phase of the primary was enhanced by the fact that as a declared candidate, he could choose the people running as delegates pledged to him, and limit their number. Johnson, undeclared and not on the ballot, could not.

As a result, there were 24 McCarthy delegates on the ballot, while 45 persons favoring Johnson divided the loyalist vote.

The Minnesota senator thus confounded the forecasts and gained his first officially selected, pledged delegates to the Democratic convention.

That showing lent new stature to his campaign of opposition to Johnson's policy in Vietnam, although the President scoffed at the outcome, saying New Hampshire is the only place where a candidate can claim "40 per cent is a mandate."

The magnitude of the Nixon vote left no doubt about the mandate there. The former vice president swept 79 per cent of the vote, smothering the last-minute write-in campaign for New York Gov. Nelson A. Rockefeller. Nixon was out to erase the label of loser pinned to him after defeats for the White House in 1960 and for the governorship of California in 1962.

Nixon said it was "a smashing victory." Rockefeller said it was not significant because there was no competition.

These were the returns:

With 98 per cent of the anticipated 54,000 Democratic votes counted, Johnson had 25,721 and McCarthy had 21,944.

On the Republican ballot, with 96 per cent of the expected 104,500 votes in, Nixon had 81,786 and Rockefeller had 11,389.

Nixon and McCarthy were listed on the ballot; Johnson and Rockefeller were not. The total turnout in both parties was far larger than had been anticipated.

Hays Terms Johnson Showing 'Pretty Good'

Rep. Wayne L. Hays, 18th District Congressman, said today he believed the showing of President Johnson in the New Hampshire primary election was "pretty good" for a write-in candidate.

Don R. Gosney, Columbiana County Democrat chairman, also termed the President's showing a significant one since he was not on the ballot.

At a county Democrat dinner meeting attended by 200 Tuesday night at Heck's Restaurant at Columbiana, Gosney declared, "Ho Chi Minh could not hire anyone to do a better job in the U.S.Senate for the Hanoi side than Senn Fulbright and his friends."

Late Winter Storm Hits Most Ohio

Snow, Sleet, Rain And Hail Deliver Punishing Blows

By The Associated Press

A late winter storm with all the ingredients — snow, sleet, rain, hail — punished Ohio from one end to the other Tuesday. The swirling storm continued throughout the night in one or another.

Near blizzard conditions struck some north central areas of the state.

Northeastern Ohio was buried under a heavy snowfall. Parts of Lake County received up to 7 inches and 3 to 5 inches fell in Ashtabula and Geauga counties.

Traffic in major cities was slowed to a crawl. Hundreds of accidents swamped police as motorists found it difficult to maneuver on icy streets and roads. The icy conditions caused a car to slide off a Henry County road Tuesday night, killing a woman passenger.

The Ohio Highway Patrol reported sleet-glazed roads in most of the state.

Ohio River bridges in Cincinnati were laden with multiple-car accidents Tuesday night, and the top deck of the double-deck bridge was closed for a time because of an accident. Seventeen cars were involved in one chain-reaction accident on Interstate 75 in Cincinnati.

Winds up to 38 miles per hour gusted through Cleveland, whipping snow and causing poor visibility and treacherous driving conditions on snow-covered and slushy streets.

A National Basketball Association game between Cincinnati and St. Louis was postponed in Cleveland Tuesday night. The St. Louis club was trapped at home because of bad weather there.

The storm also grounded many Ohio State basketball fans — including Gov. James A. Rhodes — who had planned to go to Lafayette, Ind., for the Buckeyes' playoff game with Iowa. Rhodes had planned to go by privatg plane but weather conditions made the trip unsafe, his office said.

The Ohio State cheerleaders also were stuck in Columbus and had to settle for watching the game on television.

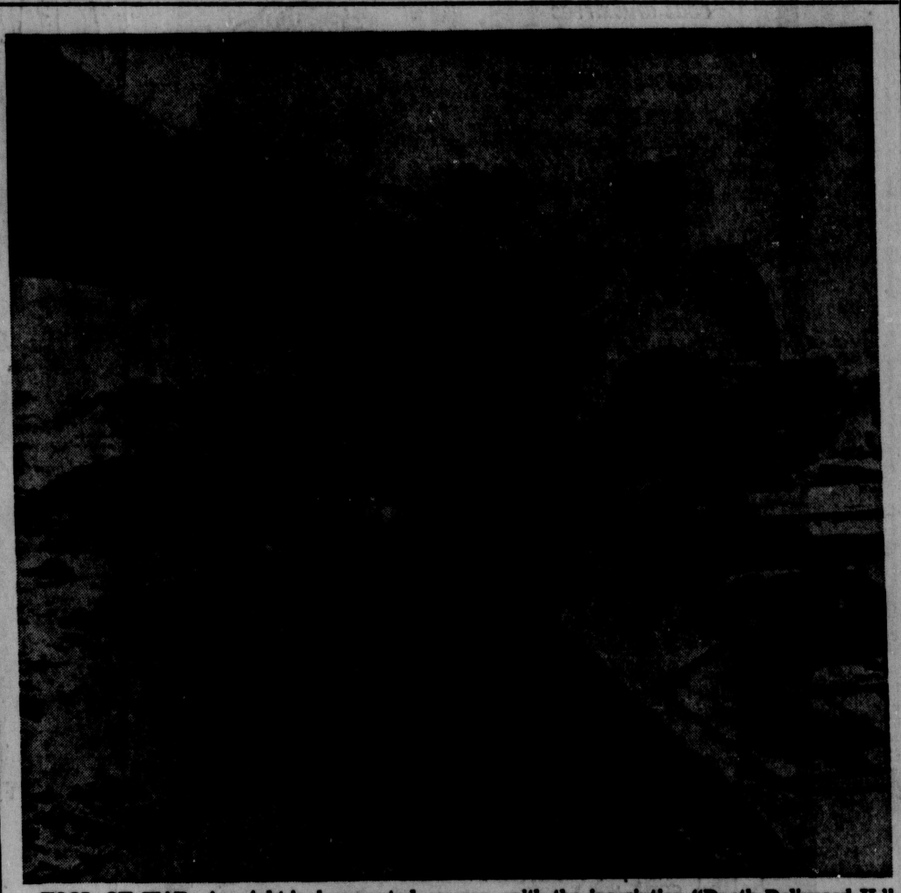

Schools in various rural areas of the state dismissed pupils early Tuesday to give them a head start on getting home.

Area Gets Off Easy Compared To Others

While there were some problems, residents of East Liverpool and the tri - state district fared well weather-wise in comparison with the heavy snow that struck other areas.

The forecast calls for clearing this afternoon and tonight, with a low ranging between 8 and 15. Thursday will be sunny and not so cold.

Warmer weather is due later this week, with slightly cooler weather in prospect over the weekend.

Enemy Pressure On Khe Sanh Slacks Off

Allies Kill 300 Of Reds In 4 South Viet Battles

SAIGON (AP) — Allied forces killed more than 300 enemy troops in four battles in the northeast corner of South Vietnam Tuesday, but enemey pressure on the besieged U.S. Marine bane at Khe Sanh slacked off.

North Vietnamese gunners who have poured an average of 350 shells per day into the Khe Sanh base, in the northwest corner of the country, fired only 35 shells Tuesday.

U.S. commanders declined to speculate on the reason for the sudden drop-off in the bombardment.

There had been some expectation that the North Vietnamese surrounding Khe Sanh would make a major move today to mark the 14th anniversary of the beginning of the siege of Dien Bien Phu, another isolated base whose loss was the last straw for the French. The U.S. Command had no word on action today at Khe Sanh, but there was no indication from newsmen there that there was any unusual activity.

About 25 miles east of Khe Sanh, South Vietnamese infantrymen and armored cavalrymen reported 194 enemy soldiers killed in a two-day battle that ended Tuesday night five miles north of the U.S. Marine headquarters at Dong Ha. Their losses were 39 killed, 91 wounded and 12 missing.

A government spokesman said most of the South Vietnamese casualties were suffered in a heavy artillery barrage that triggered the battle, the 16th major fight by the same units in the past two weeks.

Three miles to the east, U.S. Marines battled for eight hours with an estimated 600 North Vietnamese and counted the bodies of 35 enemy soldiers afterwards. Ten Americans were killed and 23 wounded.

The 3rd Marine Division has its headquarters at Dong Ha, 11 miles south of the demilitarized zone. Tuesday's other heavy fighting was below Quang Tri City capital of South Vietnam's northernmost province, eight miles south of Dong Ha. Fresh enemy units have been reported crossing the DMZ into the area recently.

In a battle which continued into the night, soldiers of the U.S. 1st Air Cavalry Division reported killing 59 enemy soldiers and seizing one suspect southwest of Quang Tri. U.S. casualties were withheld while the clash went on.

Other units of the division fought southeast of Quang Tri and reported killing 16 North Vietnamese, with one American killed and 20 wounded.

About 80 miles farther south, government infantrymen overran a Viet Cong command post near Quang Ngai City and reported killed 26 guerrillas.

A government spokesman said U.S. Army helicopter gunships sank 21 sampans carrying Viet Cong supplies near Hoi An, north of Quang Ngai.

The Americans are relying a great deal on their planes to keep any major assault on Khe Sanh from getting started. B52 bombers raided enemy positions near the base four times Tuesday night and today. They also struck suspected enemy strongpoints in the A Shau Valley,

Shultz Due Hearing In Bar Slaying

Freda Deem Dies Of Bullet Wounds Suffered In Tavern

A murder charge was to be filed today against a 38-year-old Wellsville trucker whose common law wife was fatally wounded by two bullets fired while the two were sitting at the bar in a Wellsville tavern Tuesday afternoon.

Donald Shultz of 970 Main St., Wellsville, was apprehended in his car on the Y. & O. Rd. about an hour after Freda Deem Shultz, 36, was shot in Pete's Cafe at 4:20 p.m.

The two had apparently been sitting quietly at the bar where she was a waitress but was off duty, when he pulled out the .38 caliber Rossi revolver and fired.

Patrons in the tavern thought at first a firecracker had exploded, then saw the weapon. After a pause, there was another shot, and Shultz, a truck driver for the Shafer Trucking Co. which hauls clay for the H. K. Porter Co., silently walked out of the bar, according to witnesses.

—:—

SOME OF THE six patrons ran out of the tavern, others fell to the floor. Shultz reportedly continued to hold the weapon as he left.

The woman slumped against the bar behind which Pete Surace of Commerce St., owner, had been serving. The couple had had some drinks, Wellsville police indicated.

She suffered bullet wounds in the right side — the second below the right breast — and was taken by ambulance to City Hospital then transferred to Shadyside Hospital at Pittsburgh where she died about 1:30 a.m.

Authorities said the woman was either the suspect's common law wife — they had been living together for a number of years — or had been married to him.

—:—

WELLSVILLE police were immediately notified of the shooting, and Patrolman Charles Potts, on cruiser duty, was at the tavern at Commerce St.

Beck's Wife On Stand

Trial In Lantern Inn Case Due To Reach Jury Today

WHEELING — A jury of nine men and three women is expected to begin deliberations today in the trial of Donald B. Beck, alleged manager of the Lantern Inn in Hancock County, in U.S. District Court here.

The trial resumed this morning after Judge Robert E. Maxwell heard testimony Tuesday night.

Beck, one of three men arrested Nov. 5 by federal agents during a raid on the Lantern Inn, took the stand Tuesday as Atty. Frank Pietranton of Weirton attempted to prove that he resides at Wright's Motel near Chester and not in McKeesport, Pa., as charged by the government.

The 55-year-old Beck admitted that he worked at the Lantern Inn, but denied being the manager. He also claimed that he has resided in the Chester area for nearly five years, even though the family home is in McKeesport.

Beck is accused "of interstate traveling to promote and further a gambling operation."

The two other men jointly indicted with him — Benjamin Corbisello, 42, of Wellsville and Frank E. Bilotta, 53 of Pittsburgh —recently entered guilty pleas and are undergoing pre-sentencing investigation.

Dick Wright, the owner of Wright's Motel near Chester and a former Hancock County sheriff, testified for the defense and said that Beck has resided at the motel continuously since June 1966. He said Beck lives with his brother, James Beck, one of those facing trial in connection with a raid on the Red Dog the same night when six men were indicted. They are scheduled to go on trial next week.

THE DEFENDANT'S wife, Mrs. Helen Beck, said the McKeesport home is hers and not her husband's because she inherited it from her parents.

Griffin Set To Take Seat In Congress

JACKSON, Miss. (AP) — Rep.-elect Charles Griffin, landslide winner over the first serious Negro political challenger this century, today prepared to take his seat in Congress where he served as an aide for 18 years.

Griffin scored a 2 to 1 victory over Negro leader Charles Evers in Tuesday's special election to fill the House seat vacated when John Bell Williams resigned in January to become governor.

Evers said he will seek the post again and informed sources reported several white political figures will oppose Griffin when he enters the Democratic primary June 4 for a full term beginning next January.

The presence of Evers in the runoff and the absence of racist overtones marked the campaign, which ended with Evers visiting Griffin's headquarters to offer his personal congratulations Tuesday night.

The two men, shook hands, and Evers signed the guest book.

BEAVER BAY, Minn. (AP) — James Takvam led a field of 13 Tuesday and was elected justice of the peace with two votes.

On Future War Policy Decisions

Rusk Refuses To Promise Congress Role In Vietnam

WASHINGTON (AP) — Secretary of State Dean Rusk has refused to promise the Senate Foreign Relations Committee that Congress will be given a role in future Vietnam war policy decisions.

Winding up 10½ hours of grueling testimony before the committee, Rusk said only: "If more troops are needed, we will, as we have done in the past, consult with appropriate members of Congress."

That fell far short of demands by Chairman J. W. Fulbright, D-Ark., and a majority of the other committee members that Congress be brought into any future escalation discussions at an early stage.

"He never did answer us on whether there would be consultations before a decision is made," Fulbright told newsmen after the two-day Rusk appearance ended Tuesday.

Despite the secretary's refusal to meet his demands, Fulbright showed little inclination for accepting a challenge posed by Sen. Frank J. Lausche, D-Ohio—and echoed by Rusk—to test the Arkansan's views in Congress.

Lausche suggested Fulbright could sponsor legislation aimed at repealing the 1964 Gulf of Tonkin resolution, passed overwhelmingly by Congress and often cited by the administration as an expression of congressional backing for its Vietnam policies.

Rusk quickly followed up Lausche's proposal by telling Fulbright:

"If Congress wishes to alter that commitment in Southeast

Plane Crash Kills Five At Parkersburg

PARKERSBURG, W.Va. (AP) —A twin-engine corporate jet plane plunged off the end of a runway, at Wood County Airport here early today killing five persons, the Federal Aviation Administration reported.

An FAA spokesman said the plane was owned by Mead Paper Corp. of Dayton, Ohio.

Names of the victims were not immediately available.

FAA watch chief James Durham said the plane, a French-made Dassault Mystere, shot into a ravine and burned after plunging over the end of a 5,-100-foot runway.

Durham said weather conditions at the airport shortly before the 7:45 a.m. accident included very light snow, broken clouds at 1,800 feet and seven miles visibility.

The plane was en route from Dayton to Parkersburg on business with a pilot and four passengers aboard, Durham said.

BEAVER BAY, Minn. (AP) — James Takvam led a field of 13 Tuesday and was elected justice of the peace with two votes.

Twelve other persons received one vote apiece. All were write-in ballots, because no one had filed for the job in this northern Minnesota community.

On Future War Policy Decisions

Rusk Refuses To Promise Congress Role In Vietnam

WASHINGTON (AP) — Secretary of State Dean Rusk has refused to promise the Senate Foreign Relations Committee that Congress will be given a role in future Vietnam war policy decisions.

Winding up 10½ hours of grueling testimony before the committee, Rusk said only: "If more troops are needed, we will, as we have done in the past, consult with appropriate members of Congress."

That fell far short of demands by Chairman J. W. Fulbright, D-Ark., and a majority of the other committee members that Congress be brought into any future escalation discussions at an early stage.

"He never did answer us on whether there would be consultations before a decision is made," Fulbright told newsmen after the two-day Rusk appearance ended Tuesday.

Despite the secretary's refusal to meet his demands, Fulbright showed little inclination for accepting a challenge posed by Sen. Frank J. Lausche, D-Ohio—and echoed by Rusk—to test the Arkansan's views in Congress.

Lausche suggested Fulbright could sponsor legislation aimed at repealing the 1964 Gulf of Tonkin resolution, passed overwhelmingly by Congress and often cited by the administration as an expression of congressional backing for its Vietnam policies.

Rusk quickly followed up Lausche's proposal by telling Fulbright:

"If Congress wishes to alter that commitment in Southeast

Plane Crash Kills Five At Parkersburg

PARKERSBURG, W.Va. (AP) —A twin-engine corporate jet plane plunged off the end of a runway, at Wood County Airport here early today killing five persons, the Federal Aviation Administration reported.

An FAA spokesman said the plane was owned by Mead Paper Corp. of Dayton, Ohio.

Names of the victims were not immediately available.

FAA watch chief James Durham said the plane, a French-made Dassault Mystere, shot into a ravine and burned after plunging over the end of a 5,-100-foot runway.

Durham said weather conditions at the airport shortly before the 7:45 a.m. accident included very light snow, broken clouds at 1,800 feet and seven miles visibility.

The plane was en route from Dayton to Parkersburg on business with a pilot and four passengers aboard, Durham said.

Pay Increase Meeting Set At Wellsville

A wage increase requested by 13 Wellsville municipal employes will be discussed when representatives of the group meet with the finance committee of Council Thursday at 7 p.m.

The request, submitted in a letter to Council at its meeting March 5, called for a 50-cent-an-hour boost for all hourly workers, $420 a month for filter plant employes and $430 a month for the head operator.

Also requested was a 25-cent-an-hour premium pay for all hours over a normal work day, five paid holidays and double time for working on a holiday, and that paid hospitalization be included in the sick leave program.

The committee met with representatives of the police and fire departments Friday night and discussed their proposal which had been submitted last fall.

Their request included a $100-a-month increase in wages, paid hospital and life insurance, an increase of paid holidays from two to six and additional vacation time based on longevity.

The finance committee plans to meet in caucus session with the members of Council Friday night to further discuss the situation.

A tentative schedule set up by the finance committee calls for discussion of the wage plan with the mayor and safety - service director the beginning of next week, then, if possible, to fit the plan into the budget which will be presented to Council for approval in the near future, Nunzio Lombardozzi, Third Ward councilman reported.

Chester Club Sets Officers

Mrs. William Harper was elected president of the Chester Woman's Civic Club during a meeting Monday night with Mrs. John Murray of Louisiana Ave.

Other officers named are Mrs. Ree Adams, vice president; Mrs. Frank Richmond, secretary, and Mrs. Kenneth Kimble, treasurer. Mrs. E. R. Chandler, president, conducted the meeting. Mrs. Harper led devotions.

Mrs. J. M. Brand reported on the Arts and Crafts Show, a club-sponsored project to be held Monday and Tuesday in the Chester First Christian Church.

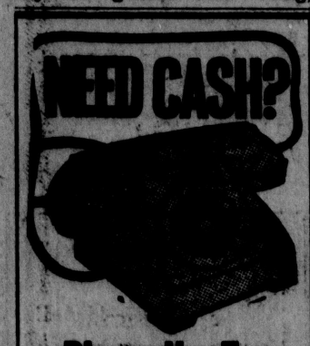

An invitation was read to the Child Counseling Center dinner April 16 at St. Aloysius School. Reservations must be made by April 10.

Mrs. Chandler and Mrs. Kimble were named delegates to the West Virginia convention of Federated Women's Clubs March 28-30 at White Solphur Springs.

Mrs. Murray, program chairman, discussed "Homemaking" and screened a film on Chinese and French cooking.

Refreshments were served by Mrs. Murray, Miss Adda Hindman and Mrs. Virginia Huff, associate hostesses. The next meeting will be April 8 with Mrs. Ralph Hobbs of Indiana Ave.

County Realtors Hear Talk By State Leader

SALEM — Forty-two greeted Herbert H. Brown, president of the Ohio Association of Real Estate Boards, Tuesday night during a dinner meeting at the Timberlanes.

The Columbiana County Board of Realtors was the host group. Representatives of the East Liverpool, Alliance and Youngstown boards attended.

Brown discussed the OAREB setup and a new program to provide prospective salesmen with a better understanding of their work.

Beginning in June, a pre-licensing training course will be required of all who plan to take the salesman's examination and, by June 1969, a post - licensing course will be initiated.

Brown said the OAREB is planning six seminars on the profession this year. He said Ohio has 4,100 realtors and approximately 12,000 salesmen affiliated with them.

Brown coached basketball at Salem High School 25 years ago. Among the guests was Frederick E. Cope, Salem faculty manager of athletics. Bruce R. Herron, president of the county association, presided.

The East Liverpool association was represented by President James Lowe, Secretary Glenn V. Wilson, John F. Kelly and Charles H. Sayre.

'Legislation Day' Planned By Junior Women's Club

Committees for "Legislation Day" of District 9 of the Ohio Federation of Women's Clubs have been announced by Mrs. Kenneth Lane, president of the East Liverpool Junior Women's Club, which is hosting the event March 26 at the Inn Town Motel.

Mrs. Thomas Gerace, general chairman, will be assisted with reservations by Miss Jane Crawford, Mrs. Donald Pelley and Mrs. Keith Thomas.

The decorations committee includes Mrs. Richard Chadwick, chairman, Mrs. Caryle Buck, co-chairman, Mrs. Robert Buck, Mrs. Donald Chamberlain, Mrs. Glenn Lynn, Mrs. Jack Wain, Mrs. Robert Adams and Mrs. John Allison.

Handling publicity will be Mrs. Gene Smith, chairman, Mrs. Richard McDevitt, co - chairman, Mrs. William Kozel, Mrs. Howard Claypool and Mrs. Eugene Gerwick.

Mrs. Jess Finley heads the registration committee. She will be assisted by Mrs. Paul Seckman, co-chairman, Mrs. Everett Ludwig, Mrs. Vincent Laneve and Mrs. Joseph Timmons.

The hostess committee includes Mrs. Ralph Turner, chairman, Mrs. George Bingham, co-chairman, Mrs. Herbert Crawford, Mrs. Frank Mangano, Mrs. Sue Devon, Mrs. Lawrence Keeper, Mrs. Howard Frantz, Mrs. Orval Schoolcraft, Mrs. Carl Silverthorn, Mrs. Leonard Smith, Mrs. Edwin Bayley, Mrs. Smith and Mrs. Robert Trbovich.

The event will get under way at 8:30 a. m. with a coffee hour and registration scheduled until 9:15.

Mrs. James Williams, district legislation chairman, will preside. She will be assisted by Mrs. William J. Welsh, district president, and Mrs. Samuel Silliman, district director of the Junior Division.

Issues to be discussed will include the status of women in politics, crime and riot control and the Ohio bond issue.

Included on the day's program will be a sewing contest and style show. The awards will be presented at the luncheon.

GOP Pushes For Final Vote On Teacher Salary Hike Bill

HARRISBURG (AP) — House Republican leaders moved toward a final vote today on a $500 salary increase for Pennsylvania school teachers, after having defeated a bid to tie the measure with aid to nonpublic schools.

"We intend to vote the bill because we believe it is a real and substantial answer to the needs of the teachers and school districts of this state," commented Majority Leader Lee A. Donaldson, R-Allegheny.

Passage of the measure, introduced less than 48 hours earlier by the GOP leadership, seemed virtually certain despite Democratic objections that the Republicans were moving too fast on a complicated subject.

"The bill is difficult to oppose," conceded Minority Caucus Chairman James F. Prendergast, D-Northampton. "However, we don't think it squarely meets the problem because it does not spell out how this increase will be paid for in the second year."

The road to passage was cleared of an imposing obstacle Monday when the House defeated an amendment that would have set aside $27 million each year in aid for nonpublic schools.

The amendment offered by Rep. Martin P. Mullen, D-Philadelphia, fell, 90-94, and Mullen initially indicated he had "come to the end of the line" this session in his unrelenting drive to have the state reimburse private and sectarian schools for their secular education courses.

Later, however, he indicated he was seriously contemplating an attempt to resurrect the question again today prior to the final vote on the salary bill.

W. Bliss Co., lacerations and abrasions of the face in a mishap at work.

Newell Bridge Struck When Local Car Skids

Damage was estimated at $350 to a car driven by Lyman Beagle, 30, of 2401 Pennsylvania Ave., which struck the Newell bridge on the West Virginia approach Tuesday morning.

Beagle told Hancock County deputy sheriffs he was traveling North on Route 2 and as he attempted to make a left turn onto the bridge his car was crowded by another auto and slid into the bridge.

No injuries were reported and no arrests were made, deputies said.

The View At The Top

The unprecedented public confrontation between Secretary of State Dean Rusk and the Senate Foreign Relations Committee has produced a divided reaction.

On one side is the feeling that severe criticism of the Asian crusade is unpatriotic and provides aid and comfort to the enemy.

The opposite view holds that the Vietnam War has been totally mishandled and a continuation of present policy will lead to ultimate disaster.

Despite television cameras and a horde of newsmen, the public hearing has not turned into a circus.

The men taking part are sincere Americans probing a situation that affects every American and many citizens in other countries.

Mr. Rusk responded to pointed questioning with quiet dignity as he explained administration thinking and policy. He left no doubt about administration firmness.

There is evident doubt among committee members about methods and goals.

Committee Chairman Sen. W. J. Fulbright had been trying to bring about the hearing for two years. An outspoken critic of the war, Sen. Fulbright refrained from emotional outbursts that would detract from the tenor of the session.

Nevertheless, his impact was quietly powerful. His attack on war policy was systematic and documented by facts. When he spoke of alternatives, he was in earnest.

Extensive, front-page newspaper coverage and live television coverage brought the issue, its controversies and alternatives into many American homes.

Public debate about a war in progress is a new chapter in American history.

No one can escape the question.

This phenomenon is what the committee hoped to accomplish with the hearing. It is not only an attempt to secure a louder congressional voice in future actions in Vietnam, it is aimed at directly involving all Americans in the issue.

By solidifying the two areas of thought concerning the war, the committee wants to show President Johnson a side of the coin labeled "responsible dissent."

The committee cannot change the direction of the war. Its goal is to prove beyond any doubt to the President that enough patriotic Americans are questioning his handling of the war to warrant a reappraisal.

The aim is to change the stubborn view at the top.

Help Wanted

Senseless destruction of property always stirs indignation, but the vandalism at the new North Elementary School under construction off Maine Blvd. is especially galling to East Liverpool residents who are making real sacrifices to provide modern buildings for our students.

Anyone who can assist police in apprehending those responsible for the damage has an obligation as a citizen to volunteer information — to halt the costly pattern of waste and delay, and to bring needed treatment and-or punishment to the guilty.

Vancouver Goes All The Way

Vancouver claims it is the only Canadian city with a town fool and backs up this contention with striking evidence.

The name of its fool is Joachim Folkis, who has advanced degrees in learning and is credited by his acquaintances with unusual wisdom.

It just turned out that as he looked around him he decided the world was governed by folly and it would make more sense for him to act upon this knowledge than to pretend he wasn't aware of it.

So he became a "town fool," in the legendary sense, meaning a wise man pretending to be foolish in order to impart truths that would not be acceptable if uttered by a non-fool.

In royal circles this function was performed by the court jester, a high-class "town fool" who told kings and queens truths that no one else dared to tell them for fear of having their heads cut off.

To be sure, Vancouver is having its problems with its town fool, because there is no job category by that name. Its fool must be carried on unemployment rolls as an "unemployed clown," which doesn't bother him because he looks ahead to the time when most people will be paid not to work.

He and Vancouver are both ahead of their time. Eventually all communities will need fools to tell them what no one else will dare to say. Even the great governing establishment on the Potomac will have its Sen. Fulbrights.

Foreign Aid Here To Stay

The word has gone out from the top man in the Agency for International Development (AID) ordering a diligent effort in curbing misuse of foreign aid funds.

Administrator William S. Gaud told the heads of AID missions in 60 countries: "I am sick and tired — and I trust you are — of reading reports by visiting inspectors of warehouses, equipment yards and docks containing idle or misplaced AID-financed supplies and equipment, of AID-built schools without teachers, hospitals without electricity, etc."

American taxpayers are equally fed up with foreign aid waste and fizzling assistance attempts.

Will the new round of waste reports and Mr. Gaud's call for renewed vigilence put an end to practices leading to the goofs?

Probably not — and for a very good reason. The built in weaknesses of a bureaucratic set up — overstaffed and nurtured by taxpayer funds — leave room for carelessness.

The questionable operating procedures and recurring reports of wastefulness were responsible in great part for a $1 billion reduction in foreign aid last year.

The economic condition of the country demanded that funds be cut from a program that was rife with waste. Unless moves are instigated to reduce staffs to effective levels and tighten procedures, other cuts are in store.

Make no mistake about it, the foreign aid program is not completely a benevolent function on the part of the United States.

It serves as a means of getting rid of surplus the United States no longer wants and the administration of various phases of the program is of direct benefit to American corporations.

The aspects of the program making it beneficial to the United States will keep it operating, not the assumption it is an American duty to help underprivileged nations.

The program would much too expensive to administer as an adventure in international philanthropy. Its evident benefits to the United States insure its long life.

There may be some token reform to take the heat off. But who wants to bet the next group of inspectors will give the foreign aid program a clean bill of health?

Purely Personal Observations

The answer to a question I have been wondering about was given by a girl interviewed about why she was on the ski slopes. She said she didn't like to ski, but with men all over the slopes what better place to pick up a date? Thanks, sister. I didn't think Ski-ing was that fascinating for your sex.

"I Spy" lit the firecracker of the TV season, in my opinion, in that dramatization of a paranoiac general who thought the Reds were closing in from all sides and had been relieved of duty because of his mental aberrations. Let's see, now, what was that fellow's name in real life?

I will argue at the drop of a slur that things are no worse than they ever were before — only that communication now makes it possible for us to know how bad things are and upside-down news values play up bad and play down all good information.

Advice to Parents: Just once, listen to what your teen-age children want to talk about, without voicing immediate disagreement. Just once. You owe yourself that one chance to hear what they have to say. You never may get it again.

I feel certain that out-of-the-way restaurants allure humans for the same reason dogs and cats take bones into nooks and corners where they can feel secure while temporarily off-guard.

If you want to be factual about it, a la Population Reverense Bureau, 324,000 new babies come into the world each 24 hours, while 10,000 adults are dying of outright starvation or kicking off from malnutrition and another 123,000 are dying of natural causes. The net gain of 190,000 is what our children need to worry about, because it could double world population by 2000 A.D., now 32 years away.

Hardest thing to understand in a war beyond the comprehension of most of us is the cocksure assumption that the United States can out-escalate the Asians, who are fighting on their own soil for what they believe is survival against "foreign devils."

After a day in the country burning brushpiles, it can't be my imagination that when I am back on the job I smell like a freshly smoked Virginia ham. My nasal passages actually have been impregnated with acrid smoke. I am half "cured."

Most dismal sight when snow melts are sad little piles of rubbish along our highways, tawdry reminders that we live in an age when depraved human beings can think of nothing else to do with such stuff.

Timely Quotes

I'd like to propose from here on out we now do studies on white people. . . .I don't know anybody who understands the souls of white folks better than the former domestic, or anybody who can tell more about the pathology of Congress than unemployed former bellhops in Washington hotels. . . .We've had studies of black folks. . . .Let's now shift and study the white people and find out what's wrong with them that makes them deny the right of a Negro to move into their neighborhood.

Round One!

VICTOR RIESEL

Punishing Public Strikers

WASHINGTON — Not since Spartacus have so many workers of "the State" gone illegal — striking, booing their mayors, governors and even their own business agents.

Victor Riesel

Gentle school teachers jeer en masse and are arrested en masse. Garbage collectors march en masse and are arrested en masse, leaders, et al. In New York, the civil service is threatening to withhold its labor — in other words, to strike the entire state.

The tactical theory of once complacent white collar forces such as the million-member National Education Assn. and the once effete civil service associations is that the "Nice guy gets passed by — so let's strike." And they have — even in the U.S. Post Office.

The "public sector" is just beginning to roar. Whole police departments are beginning to resign. Soon, so will entire Fire-Fighters' locals.

Those in the public sector want what the private sector gets, not gradually, but instantly. As one big city mayor put it to this correspondent, "They want it yesterday."

Of course, all these strikers, or "professional days," or mass resignations are illegal. Experts are attempting to devise a new anti-strike law for cooling it.

Behind the public sector's labor relations scene, the feeling is growing that until each public employe is punished personally, the strikes will roll on, shutting schools, crippling police stations and fire houses and paralyzing garbage collections.

Since 10,000 striking teachers or even 20 striking policemen can't be jailed or even heavily fined — and since they don't much mind their union being fined — the sentiment now is to hit the illegal striker where he or she will feel it most.

This is in the pension and retirement system.

A MEMORANDUM TO THIS effect is now being circulated by labor relations consultants. Hit them in their security. Make them wait longer as punishment for each day of an illegal strike. Stretch out the waiting time for retirement.

Add, for example, a month for each day of an illegal strike to the required 20 or 25 year preretirement period. If a transit strike lasts 12 days, then add another year so the waiting time rises to 21 years, etc.

This would hurt, say the punishment's sponsors, and could stop the rank and file from harassing their own union leaders, and state, county, municipal and now even federal government officials.

Why? Because pensions are in "in" motivation these days for the "now" generation as well as for the older workers. Soon the slogan of "at any age after 20 (years)" will be heard throughout the land. It means that employes could begin retiring in their late thirties at half pay.

The trend has developed in the private sector. Consider Joe Curran's National Maritime Union's retirement plan. The "at any age" clause was written into the sailors' contract in June '64.

So far, 402 sailors, waitresses, stewardesses, and nurses have retired under 40 years of age on a sizable pension. Some quit at 39. One of these, George M., now with the Wilmington, Calif., police force, is, in his words, "working on my second 20-year pension."

At this time he, like thousands of other NMU "retirees," gets $250 a month. Thus if others do as well in a second job, they could retire at 60 with a total pension of $500 a month. Finally, with social security, they could be set with some $700 monthly.

IN ADDITION TO THE younger pensioners, a term which now requires a semantic double look, there are 691 NMU retirees between 40 and 45.

There are another 745 between 45 and 50 years of age. Thus there are 1,838 seagoing men and women who retired after 20 years at $250 a month while still under 50 out of a total of some 8,000 NMU retirees.

Significant indeed, is one statistic: in this union alone some 22 per cent have retired at an age when many others are just settling into new jobs.

Thus this country is moving from the moonlight era into the double-job decades. If it's moving quickly in the private sector, the after-20-years pension explosion will flash fire thorugh the public sector — as it did during the New York garbage strike.

Please note that teenagers can hire on even at 16 for city, state and federal employment. The traditional age for government employment is 18 — though the city, state and federal government will hire the 16 and 17 year olds, if they're high school graduates, have a working permit, or have gone through job training programs.

So the drive for retirement "at any age after 20" soon will be the battle cry. Soon it will be remembered that as the New York garbage crisis went, so will the nation.

Certainly the public employe wants more money. Who doesn't?

But what they'll shout for most, soon enough, will be early retirement, on a sizable pension system. That's what made civil service attractive once.

They'll fight for it again. They'll strike for it — not only in local and state arenas but in the federal government sector as well despite the threat of a year's imprisonment on felony charges.

So that's where the public sector's industrial relations experts are aiming. They are trying to write a law which would put the ring in the bull's nose — where it hurts. They're determined to save the public sector from becoming a china shop.

DAVID LAWRENCE

Lag In Asia

More troops are needed to fight the Vietnam War. Gen. Westmoreland has outlined a strategy that will require 200,000 additional men, according to a New York Times dispatch.

Robert P. Martin, a staff correspondent of U.S. News & World Report, now in Saigon, estimates that eventually the half-million at present in Vietnam may have to be doubled. He covered the French war in Indochina in the 1950's and has been in Southeast Asia several times since.

He says:

"It is certain that more American troops will soon be involved in this war. It is conceivable that the United States in the end may find it necessary to put a fighting force of one million men into the battle areas. That is the judgment of many in Washington and military men would like to have more troops quickly, although there is no evidence in Washington of such a vast buildup soon.

"It is conceivable that fighting on the ground will spread to Laos and Cambodia, and possibly even across the southern part of North Vietnam. . . .

"There is no real alternative to mobilization at home, in the view of many American officials here at the scene. Without a major mobilization of effort, the U.S. in the long run could stumble into humiliating failure inside South Vietnam itself. Or it could end up, as France did in 1954, agreeing on a camouflaged surrender at the conference table."

Due to the influx to the North Vietnamese of up-to-date weapons and our failure to estimate correctly the strength of the enemy, the American and Allied military power has today been more than balanced by the enemy. The Saigon dispatch, based on comments "from Americans who know this war inside out," adds these points:

"Force levels, even amounts of military 'hardware,' were determined by computers (in Washington) that did not take into account the enemy's will and capability. Recognized too late was the fact that both Russia and Red China could and would supply modern weapons on a relatively massive scale. . . .

"In the words of a general officer, a war effort 'computerized to save nickels and dimes may end up costing dollars for every dime saved."

Here is why:

"The U.S., still not geared for war, has been unable to equip the South Vietnamese troops, other than the marines and airborne forces, with the M-16 rifle. Heavier weapons are often inferior to Communist rockets, mortars and artillery.

"North Vietnamese regulars and many if not most Viet Cong 'main force' units fighting in the South have a common weapons system, including the excellent Chinese-made AK-47, the basic infantry weapon. The Communists today actually outgut most South Vietnamese units. It took only two years to carry out this extensive re-equipping job. Now the United States must do the same for its South Vietnamese allies — and do it fast and at great expense."

Two important facts stand out.

First, Russia and Red China have blocked American military victory.

Second, the war isn't being lost in Vietnam but in Washington, where "gradualism" — a kind of concession to the "doves" — has been substituted for the maximum force that should have been applied promptly.

THERE IS talk in Washington currently about "investigations" and "hearings" by Senate committees to find out why increased troop strength is needed. The inference is that American commanders are planning to "escalate" the war.

The truth, however, is they are trying to save the military forces of the United States from a humiliating defeat.

More is at stake than the plight of South Vietnam itself.

If the United States is defeated on the battlefield, not only will many thousands of Americans have died in vain, but both the Red Chinese and Soviet Communists with be encouraged to begin the takeover of other countries of Southeast Asia.

This is something that could lead eventually to a major war bigger than the Vietnam conflict.

The United States would then find it difficult to refrain from participation in such a citical showdown between Communism and the free world.

Through The Years

THIRTY YEARS AGO — The Rev. Edwin D. Bevier, pastor of the Yellow Creek Presbyterian Church for more than eight years, tendered his resignation to retire from the ministry and reside in Florida.

TWENTY YEARS AGO — Harry Rigby, a World War II veteran, discussed his experiences in collecting coins in France and Germany at a meeting of the East Liverpool Coin Club.

Columbiana County contributed 18 deaths to the 748 that occurred during 1947 on rural state highways, according to a report of the Ohio Highway Department.

TEN YEARS AGO — Cassandra Nelson was chosen to reign as queen and John Creature as king at the annual Military Ball of Wellsville High School.

Mrs. Harry Greenwood was elected president of the Christian Women's Fellowship of the First Church of Christ.

Certainly the public employe wants more money. Who doesn't?

But what they'll shout for most, soon enough, will be early retirement, on a sizable pension system. That's what made civil service attractive once.

They'll fight for it again. They'll strike for it — not only in local and state arenas but in the federal government sector as well despite the threat of a year's imprisonment on felony charges.

So that's where the public sector's industrial relations experts are aiming. They are trying to write a law which would put the ring in the bull's nose — where it hurts. They're determined to save the public sector from becoming a china shop.

Lag In Asia

More troops are needed to fight the Vietnam War. Gen. Westmoreland has outlined a strategy that will require 200,000 additional men, according to a New York Times dispatch.

Robert P. Martin, a staff correspondent of U.S. News & World Report, now in Saigon, estimates that eventually the half-million at present in Vietnam may have to be doubled. He covered the French war in Indochina in the 1950's and has been in Southeast Asia several times since.

He says:

"It is certain that more American troops will soon be involved in this war. It is conceivable that the United States in the end may find it necessary to put a fighting force of one million men into the battle areas. That is the judgment of many in Washington and military men would like to have more troops quickly, although there is no evidence in Washington of such a vast buildup soon.

"It is conceivable that fighting on the ground will spread to Laos and Cambodia, and possibly even across the southern part of North Vietnam. . . .

"There is no real alternative to mobilization at home, in the view of many American officials here at the scene. Without a major mobilization of effort, the U.S. in the long run could stumble into humiliating failure inside South Vietnam itself. Or it could end up, as France did in 1954, agreeing on a camouflaged surrender at the conference table."

Due to the influx to the North Vietnamese of up-to-date weapons and our failure to estimate correctly the strength of the enemy, the American and Allied military power has today been more than balanced by the enemy. The Saigon dispatch, based on comments "from Americans who know this war inside out," adds these points:

"Force levels, even amounts of military 'hardware,' were determined by computers (in Washington) that did not take into account the enemy's will and capability. Recognized too late was the fact that both Russia and Red China could and would supply modern weapons on a relatively massive scale. . . .

"In the words of a general officer, a war effort 'computerized to save nickels and dimes may end up costing dollars for every dime saved.'"

Here is why:

"The U.S., still not geared for war, has been unable to equip the South Vietnamese troops, other than the marines and airborne forces, with the M-16 rifle. Heavier weapons are often inferior to Communist rockets, mortars and artillery.

"North Vietnamese regulars and many if not most Viet Cong 'main force' units fighting in the South have a common weapons system, including the excellent Chinese-made AK-47, the basic infantry weapon. The Communists today actually outgut most South Vietnamese units. It took only two years to carry out this extensive re-equipping job. Now the United States must do the same for its South Vietnamese allies — and do it fast and at great expense."

Two important facts stand out.

First, Russia and Red China have blocked American military victory.

Second, the war isn't being lost in Vietnam but in Washington, where "gradualism" — a kind of concession to the "doves" — has been substituted for the maximum force that should have been applied promptly.

THERE IS talk in Washington currently about "investigations" and "hearings" by Senate committees to find out why increased troop strength is needed. The inference is that American commanders are planning to "escalate" the war.

The truth, however, is they are trying to save the military forces of the United States from a humiliating defeat.

More is at stake than the plight of South Vietnam itself.

If the United States is defeated on the battlefield, not only will many thousands of Americans have died in vain, but both the Red Chinese and Soviet Communists with be encouraged to begin the takeover of other countries of Southeast Asia.

This is something that could lead eventually to a major war bigger than the Vietnam conflict.

The United States would then find it difficult to refrain from participation in such a citical showdown between Communism and the free world.

Bell Workers Here Launch Poll On Strike

About 90 local Ohio Bell Telephone Co. employes are balloting in a strike vote today, deciding whether to back wage demands made by the Communications Workers of America in Ohio.

The local employes are members of Plant Local 4318 and Traffic Local 4320, representing operators and commercial service representatives, and are part of an 18,000-member state organization.

Local 4318 encompasses six counties in the area with a total membership of some 200.

Blaine Riggs of Uhrichsville, president, said the votes will be counted tonight after balloting ends this afternoon. Counties represented by the local include Columbiana, Belmont, Jefferson, Harrison, Tuscarawas and Monroe.

Riggs said Ohio Bell is offering East Liverpool and Wellsville workers $4.50 to $8 a week increases since the two cities are in Class III of the company's wage schedule. That increase also is being offered to Class II. Classes "A" and "I" are offered $5-$10 a week.

Richard Kevan, local steward, said the East Liverpool members also are asking for upgrading from Class III to Class II. He declared most area towns, with significantly smaller populations are in the higher class.

The operators and commercial employes have been offered $4.50 a week increase in classes II and III and $5 a week in Classes A and I. Operators' seniority permitting them to earn the top wage has been shortened to five years and $7 increase is offered at the top of the scale.

Riggs said the union feels the offer is "inadequate and improperly distributed."

"They've completely ignored the union's collective bargaining policy committee," he declared.

Other executives of the local are: James Fulton of Martins Ferry, secretary; Leroy Wells of Steubenville, treasurer, and George Turner of Barnesville, vice president.

Riggs said fringe benefits provide for time - and - a-half for employes working on five holidays — Christmas, New Year's, Labor Day, July 4 and Thanksgiving.

Canada's Hudson Bay is 900 miles long and 500 miles wide. It is said to have a water area greater by four times than that of all the Great Lakes combined.

County Goal Set By Democrats At Dinner Meeting

COLUMBIANA —The goal of the 1968 campaign on the Columbiana County front was outlined at a county Democrat dinner meeting Tuesday night at Heck's Restaurant.

Don R. Gosney, county chairman, said the objective will be to plan for a better Columbiana County and to work with all organizations to get the job done.

County Auditor Kenneth Bell of Wellsville was master of ceremonies. About 200 attended the event at which district and county candidates were introduced.

County Engineer John Ursu announced new county maps will be ready this week.

The violin, generally conceded to be "the most important" instrument in the concert orchestra, was not perfected until the 17th century.

Two Courses Are Added To Curriculum At Lisbon

LISBON — The Lisbon Board of Education Tuesday night added World History and World Geography to the curriculum at David Anderson High School.

One unit of either subject will be required for graduation beginning with the class of 1971.

Students will enroll for one or the other of the courses as part of their freshman and sophomore years. Those preparing for college will be encouraged to take world history, school officials said.

—:—

THE CHANGE was prompted last month when Principal George M. Nace Jr. reported some students are "coming up short" in the social studies section of the American college tests.

American History and Civics are the only social studies in the curriculum now.

Richard Kennedy, vice president, conducted the monthly meeting in the administration building.

Members adopted a resolution requesting the Ohio Department of Education to conduct a survey of Lisbon, Leetonia, Columbiana, East Palestine and Fairfield - Waterford school districts with an eye toward possible merger to provide "an adequate vocation program" required by Senate Bill 350.

Supt. Joe W. Driscoll said he understands a request has been made to the state for a survey of all school districts in the county.

The board voted to buy new backdrops for the high school stage and darkening drapes for five rooms.

Bill Herm Stage Equipment of North Canton was awarded the contract on a low bid of $1,626. Drapes will be installed in the high school art room, two classrooms at McKinley School and two rooms at the Lincoln Building.

—:—

IN OTHER business, the board:

Approved the purchase of three manual Royal typewriters from Fithian Typewriter Sales & Service of Salem for $180 each less trade-in of old machines.

Agreed to pay the $235-a-year rental the parent - teacher association has been paying for the public address system at Lincoln.

Agreed to spend approximately $200 for low-growing junipers to cover an unsightly bank at Lincoln School.

Directed Driscoll to ask Prosecuting Atty. J. Warren Bettis for an opinion on whether or not the school board has title to the old Lincoln School on N. Market St.

Applied under Title 1 for $1,-200 worth of equipment for a reading resource center at McKinley School and for one more teacher aide for the remainder of the school year.

Adopted negotiation procedures which have been checked by the Ohio School Boards Association and which apply to certificated and non - certificated personnel.

Gave permission to John Vagha, Industrial Arts teacher, to attend the Ohio Industrial Arts Association convention Thursday through Saturday at Columbus.

Authorized Driscoll to go to Columbus April 20 for a conference sponsored by the OSBA and Batelle Memorial Institute on "increasing the effectiveness of education management."

Voted to cooperate with the Lisbon Volunteer Fire Department by paying the instructor for a firemen's training school. The Board of Education will be reimbursed by the state and village.

Gave members of French classes 3 and 4 permission to go to Kent State University April 9 to attend a French play.

—:—

DRISCOLL reported that the Lisbon Teacher Association has designated the Prudential Insurance Co. as agent and recorder for tax-sheltered annuities.

He said the board's application for $4,050 from Title 6 for a "perceptual motor and visual ability enhancement program" has been refused for insufficient funds. He said the state informed him approximately $700,000 was available for Title 6 projects and the amounts requested in the 192 prospectuses submitted totaled $3,200,000.

Board members last night began signing approximately 100 diplomas for presentation at commencement exercises May 31.

The next meeting will be April 9.

Club At Newell Given Review Of Scholar Dollars

Mrs. Michael Turk of the Citizens Scholarship Foundation discussed "Dollars for Scholars" when the Newell Woman's Club met Monday night in the American Legion post home.

She explained how the scholarships are awarded and how applications are made. The club approved a donation to the foundation.

Mrs. Basil Mangano presented readings.

An invitation was read from the Weirton Woman's Club to attend a general meeting April 1 at 7:45 p. m. in the Community Center there.

Mrs. John Addis, president, said the City Federation of Women's Clubs will hold its spring meeting March 20 at 8 p. m. in Mary Patterson Memorial at East Liverpool. A fashion show, "Enchantment of Spring 1968," will be featured Mrs. Carl Durham will represent the Newell Club as a model. Reservations must be made by Friday with Mrs. Addis.

Mrs. Robert Jones was enrolled as a new member.

A box social was held, with the hostesses Miss Betty Buben, Mrs. Joseph Fuller and Mrs. Spence Kell. A St. Patrick's Day theme was used in decorating.

The next meeting March 25 will feature a white elephant sale. Proceeds will be donated to the Cancer Fund.

New York City held its first ticker tape reception in honor of Edward, Duke of Windsor, then Prince of Wales, on his first visit to the United States in 1919.

"He's always worked in the gambling profession," she said in referring to her husband.

Mrs. Beck said her husband lived in Chester from 1964 to 1966, when he moved to the motel and generally visited McKeesport about once a week. She said she never saw him with any gambling paraphernalia or "house money" and never saw or heard him trying to "promote" the Lantern Inn or gambling.

Before U.S. District Atty. John H. Kamlowsky and Justice Department Atty. Alfred King rested the government's case Tuesday afternoon, two Federal Bureau of Investigation agents were called to testify about the mathematical probabilities involved in gambling.

The agents, from the FBI's Washington, D.C., headquarters, were identified as experts in gambling mathematics.

Agent Robert A. Miller said he checked six slot machines taken from the Lantern Inn and found that the devices retained between 9.95 and 29.91 per cent of all monies. He said all but one of the machines had "blocks" or "plugs" which increased the "house take" in excess of their original designs.

—:—

MILLER SAID he played one of the machines for its full 8,000 cycles and found that it retained cycles and found that it retained 11.4 per cent of the money. However, he said the reels on this machine had been plugged so that only one of four "jackpots" was possible.

Miller said he found that another machine retained 29.91 per cent of the money due to a "block" on a third reel. He said this device made the $30 advertised "jackpot" an impossibility.

The second FBI specialist, Kier T. Boyd, testified about his studies of the craps, blackjack and "Beat My Shake" apparatus seized at the Lantern Inn. He said the odds favoring the "house" in craps ranged from nearly 1.5 cents to 16.66 cents for each dollar depending on the player's position.

The "house" odds on "Beat My Shake," according to Boyd, ranged from 11.11 to 22.22 cents for each dollar wagered.

In regard to blackjack, Boyd said the odds in this game are difficult to determine since it is one of the few gambling games in which the skill of a player is involved but added. "The odds generally are in favor of the house."

Epilepsy, a disease as common as tuberculosis and diabetes, is one of the world's most misunderstood medical conditions. Studies have shown that only 16 per cent of all epileptics are mentally deficient. Two - thirds are average or above - average in intelligence.

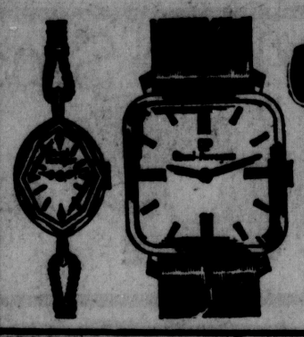

Hays Lists $17,325 In Head Start Funds

Rep. Wayne L. Hays of the 18th Congressional District today announced at Washington approval of a $17,325 federal grant for "Head Start" programs in Columbiana County.

The local share of the two-month program for seven classes for 105 children in seven centers will amount to $11,105, according to the congressman.

Real name of Harry Houdini, famous magician, was Ehrich Weiss.

DRISCOLL reported that the Lisbon Teacher Association has designated the Prudential Insurance Co. as agent and recorder for tax-sheltered annuities.

He said the board's application for $4,050 from Title 6 for a "perceptual motor and visual ability enhancement program" has been refused for insufficient funds. He said the state informed him approximately $700,000 was available for Title 6 projects and the amounts requested in the 192 prospectuses submitted totaled $3,200,000.

Board members last night began signing approximately 100 diplomas for presentation at commencement exercises May 31.

The next meeting will be April 9.

Club At Newell Given Review Of Scholar Dollars

Mrs. Michael Turk of the Citizens Scholarship Foundation discussed "Dollars for Scholars" when the Newell Woman's Club met Monday night in the American Legion post home.

She explained how the scholarships are awarded and how applications are made. The club approved a donation to the foundation.

Mrs. Basil Mangano presented readings.

An invitation was read from the Weirton Woman's Club to attend a general meeting April 1 at 7:45 p. m. in the Community Center there.

Mrs. John Addis, president, said the City Federation of Women's Clubs will hold its spring meeting March 20 at 8 p. m. in Mary Patterson Memorial at East Liverpool. A fashion show, "Enchantment of Spring 1968," will be featured Mrs. Carl Durham will represent the Newell Club as a model. Reservations must be made by Friday with Mrs. Addis.

Mrs. Robert Jones was enrolled as a new member.

A box social was held, with the hostesses Miss Betty Buben, Mrs. Joseph Fuller and Mrs. Spence Kell. A St. Patrick's Day theme was used in decorating.

The next meeting March 25 will feature a white elephant sale. Proceeds will be donated to the Cancer Fund.

New York City held its first ticker tape reception in honor of Edward, Duke of Windsor, then Prince of Wales, on his first visit to the United States in 1919.

"He's always worked in the gambling profession," she said in referring to her husband.

Mrs. Beck said her husband lived in Chester from 1964 to 1966, when he moved to the motel and generally visited McKeesport about once a week. She said she never saw him with any gambling paraphernalia or "house money" and never saw or heard him trying to "promote" the Lantern Inn or gambling.

Before U.S. District Atty. John H. Kamlowsky and Justice Department Atty. Alfred King rested the government's case Tuesday afternoon, two Federal Bureau of Investigation agents were called to testify about the mathematical probabilities involved in gambling.

The agents, from the FBI's Washington, D.C., headquarters, were identified as experts in gambling mathematics.

Agent Robert A. Miller said he checked six slot machines taken from the Lantern Inn and found that the devices retained between 9.95 and 29.91 per cent of all monies. He said all but one of the machines had "blocks" or "plugs" which increased the "house take" in excess of their original designs.

—:—

MILLER SAID he played one of the machines for its full 8,000 cycles and found that it retained 11.4 per cent of the money. However, he said the reels on this machine had been plugged so that only one of four "jackpots" was possible.

Miller said he found that another machine retained 29.91 per cent of the money due to a "block" on a third reel. He said this device made the $20 advertised "jackpot" an impossibility.

The second FBI specialist, Kier T. Boyd, testified about his studies of the craps, blackjack and "Beat My Shake" apparatus seized at the Lantern Inn. He said the odds favoring the "house" in craps ranged from nearly 1.5 cents to 16.66 cents for each dollar depending on the player's position.

The "house" odds on "Beat My Shake," according to Boyd, ranged from 11.11 to 22.22 cents for each dollar wagered.

In regard to blackjack, Boyd said the odds in this game are difficult to determine since it is one of the few gambling games in which the skill of a player is involved but added. "The odds generally are in favor of the house."

Epilepsy, a disease as common as tuberculosis and diabetes, is one of the world's most misunderstood medical conditions. Studies have shown that only 16 per cent of all epileptics are mentally deficient. Two - thirds are average or above - average in intelligence.

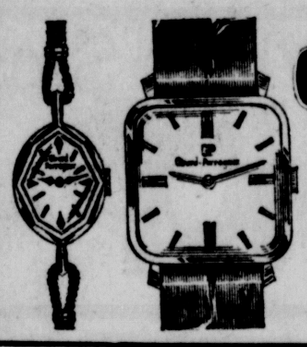

Hays Lists $17,325 In Head Start Funds

Rep. Wayne L. Hays of the 18th Congressional District today announced at Washington approval of a $17,325 federal grant for "Head Start" programs in Columbiana County.

The local share of the two-month program for seven classes for 105 children in seven centers will amount to $11,105, according to the congressman.

Real name of Harry Houdini, famous magician, was Ehrich Weiss.

delegates to the two national conventions.

Candidates pledged to support Nixon swept the eight GOP convention seats at stake.

In the Democratic contest, McCarthy-pledged candidates led for 21 seats, delegates favoring Johnson led for 3. McCarthy delegates were pledged and approved by the candidate, as 24 sought the 24 seats. Forty-five candidates favoring the undeclared Johnson divided the loyalist vote.

Despite the Johnson ridicule, there could be no doubt that the outcome in snowy New Hampshire stirred concern at the White House. That concern may not in fact be about McCarthy himself, but about the possible impact of his showing on the course of New York Sen. Robert F. Kennedy.

Few believe that McCarthy can wrest the Democratic nomination from Johnson. McCarthy himself is one of the few. "With the momentum we have here in New Hampshire and with the experience of now-adult staff and campaign workers, we can go on to the nomination in Chicago," he told his cheering, youthful aides in Manchester.

But it is the suddenly enigmatic Kennedy who is more likely to be the major concern of the men who work for Lyndon Johnson.

Kennedy himself said McCarthy's showing had not, at least now, altered his decision against challenging Johnson. He said he might have something further to say about the New Hampshire outcome later.

"At the moment, my plans haven't changed," Kennedy said in New York.

There was no Kennedy write-in effort in New Hampshire, and no outpouring of unsolicited support for the New Yorker. He was polling a miniscule one per cent of the vote.

McCarthy did not talk like a man who would willingly step aside to see Kennedy take over the torch of dissent to Johnson's leadership.

"I intend to go on in Wisconsin and on to California," McCarthy said. "I've said that I would run as long as anyone wanted me to. And I mean to do that."

Wisconsin is the next state to vote on potential presidential nominees balloting on April 2. In that state, unlike New Hampshire, all candidates are automatically named on the ballot unless they file disclaimers of candidacy. That means Johnson's name will be on the ballot there.

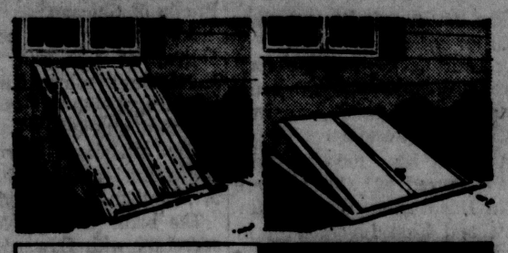

The President is not expected to do any personal campaigning, although some form of loyalist effort in his behalf is virtually certain to be staged.

"On to Wisconsin," McCarthy cried as the New Hampshire vote rolled in. He said he would take a couple days off, then head for that next primary state.

near 11th St. in three minutes.

Police Chief John Hephner and Patrolman Charles Amato and other officers arrived shortly afterward. A radio alert was dispatched to all law enforcement centers in the area, and Chief Deputy Sheriff Robert Berresford spotted Schultz in his 1961 white Buick as the suspect drove along Fife Coal Rd. near Red Brick Church. He halted him on Y. & O. Rd. near Air Beacon Rd.

He was returned to Wellsville where his legal rights were explained to him. He obtained Atty. William Telzrow for his counsel.

—:—

HE WAS taken to Lisbon about 11 p.m. and a charge of shooting with intent to kill was filed against him with County Judge James MacDonald. He was then placed in the County Jail.

Shultz, a ruddy-faced man with dark curly hair, apparently stopped at his mother's home along Fife Coal Rd. after the shooting, leaving the weapon at her house.

Richard Clark of East Liverpool, assistant prosecuting attorney, and James (Ronnie) Gause, special investigator for the Prosecutor's office, participated in the investigation. Prosecuting Atty. J. Warren Bettis is attending the National Prosecutors Convention in New Orleans.

—:—

THE MURDER charge is the second in Columbiana County in approximately three months.

Lowell N. Conrad, 34, former Alliance shopworker, was taken to Ohio State Penitentiary March 6 to begin a life sentence for shooting his wife, Chrystal Ann, 34.

Indicted for first degree murder, Conrad pleaded guilty to second degree murder and was sentenced immediately by Judge Raymond S. Buzzard in Common Pleas Court.

A native of Hammondsville, Mrs. Deem was born Feb. 23, 1929, the daughter of Achen Deruelle and Mildred Lucille Smith Deruelle of Toronto, RD 2. She was a member of the Wellsville Eagles Auxiliary.

Besides her parents, she leaves two daughters, Miss Sandra Lee Deem and Miss Barbara Ann Deem, and a son, Thomas Pyles, all at home, and a sister, Mrs. Shirley Shaw of Chester RD 1.

Services will be held Friday at 10:30 a. m. at the Haugh Funeral Home, Wellsville, by the Rev. Charles W. Haddock of the Newell Presbyterian Church. Burial will be in Shadow Lawn Memory Gardens, Newell.

Asia or elsewhere, the suggestion has been made here how it can be done."

Fulbright, who has rejected previous suggestions for repeal resolutions, did not respond to Rusk's statement.

But a separate move in the House to demand a greater congressional role in determining war policy was reported gaining strength.

Rep. Paul Findley, R-Ill., said one-fourth of the 435 House members have agreed to back a resolution calling for an immediate study of U.S. policy in Asia, and added:

"It is now clear to me that there is a strong, substantial and bipartisan feeling in the House that no decision to commit large numbers of troops to Vietnam, nor any other fundamental decision on war policy, should be made until and unless there is serious consultation with and action by the Congress."

Later, Rep. Edward P. Boland, D-Mass., told his colleagues that 16 House members are sponsoring a resolution saying U.S. troop levels in Vietnam should not be hiked "without the explicit consent of the Congress."

Asked how Rusk's testimony had affected his opposition to war policy, Fulbright replied: "It was confirmed—my worst fears."

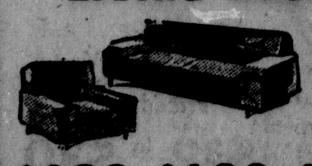

Other senators who had been opposed reaffirmed their positions in their statements at and after the session, which was nationally televised.

Rusk suggested additional sessions—in private—for more extended discussions. Fulbright indicated they would be held.

Under repeated questions about possible avenues to negotiating an end to war, Rusk said they all had led thus far to a dead-end in Hanoi:

"I cannot lead you to any hope that we see at the present time any clear interest by Hanoi in a peaceful settlement in contrast to their persistent efforts to take South Vietnam," he said.

Later, Rep. Edward P. Boland, D-Mass., told his colleagues that 16 House members are sponsoring a resolution saying U.S. troop levels in Vietnam should not be hiked "without the explicit consent of the Congress."

Asked how Rusk's testimony had affected his opposition to war policy, Fulbright replied: "It was confirmed—my worst fears."

Other senators who had been opposed reaffirmed their positions in their statements at and after the session, which was nationally televised.

Rusk suggested additional sessions—in private—for more extended discussions. Fulbright indicated they would be held.

Under repeated questions about possible avenues to negotiating an end to war, Rusk said they all had led thus far to a dead-end in Hanoi:

"I cannot lead you to any hope that we see at the present time any clear interest by Hanoi in a peaceful settlement in contrast to their persistent efforts to take South Vietnam," he said.

7 Delegates Are Named In Local's Vote

Seven delegates to the ninth Pennsylvania AFL-CIO constitutional convention were named Tuesday at Midland during an election conducted by Local 1212 of the United Steelworkers of America.

Elected with the number of votes each received, were Tony Verzelli, 473; Cliff Adkins, 457; Louie (Gene) Bruno, 429; Pete Vuckovich 415; Anthony (Pidge) Pantoni, 376; Henry (Peg) Paglisotti, 337, and Pete Bennedict, 322.

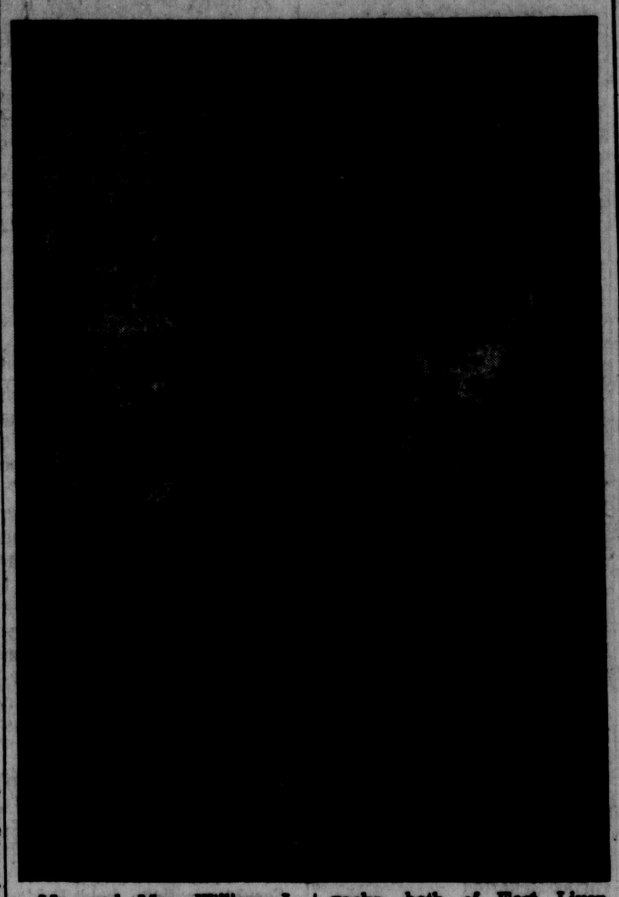

Paglisotti is from Ohioville Borough and the others are from Midland. Elected as alternate was Moose Meighan of Ohioville, with 274

Al Lona, president of Local 1212, also will attend. The convention will open April 2 at Pittsburgh.

The tellers were Rudy Presutti, Ray Presutti and Jim Oliver of Midland and Bill Newtz, Joe Lomba and Jim Angus of East Liverpool.

The tobacco pipe was introduced to Europe in 1586 by Sir Ralph Lane, the commander of a group of colonists in Virginia, who had learned about pleasure smoking from the American Indians. He sent a pipe to Sir Walter Raleigh. Pipe smoking soon became popular. There is a legend that Raleigh's servant threw a bucket of water on him when he first saw his master smoking, under the impression that Sir Walter was on fire.

'Open House' Set Sunday In Couple's Anniversary

Mr. and Mrs. William L. Plantz of 532 Campground Rd. will be honored with an open house reception in observance of their 50th wedding anniversary Sunday from 2 to 4 p.m. at their residence.

The event is being arranged by members of the family.

The couple was married March 16, 1918, at Petersburg, Va., by the Rev. A. R. Love. Both were born in Mason County, W. Va.

Mr. Plantz worked for the former Pennsylvania Railroad Co. in Wellsville from 1919-1926 and then was employed by the former Treadwell Construction Co. in Midland until 1959, when he retired. He is a member of VFW Post 66 and the Joe Connelly World War I Barracks, both of East Liverpool.

Mrs. Plantz was employed at the former Edwin M. Knowles China Co. in Newell until it discontinued operations. She is a member of the Order of Eastern Star and White Shrine and president of the Joe Connelly barracks Auxiliary.

Both are affiliated with the First Methodist Church and the Senior Citizens group of East Liverpool. They have one son, William R. Plantz of Bullhead City, Ariz., and two daughters, Mrs. Beulah Jennison of Laurel Ln. and Mrs. Nelda Daniels of 1st St., Wellsville. They also have two grandchildren, Robert Jennison of Portland, Ore., and Mrs. Juanita Brown of Lisbon.

Parked Tank Truck Hit By Skidding Auto

A parked oil tanker truck operated by an Industry man was struck in the rear by a skidding car Tuesday at 1:45 p. m. along Old Route 18 in Big Beaver Borough, according to Pennsylvania state police at Chippewa.

Officers said the tanker, owned by the Mobile Oil Corp. and operated by James Stahl, 54, of Hillcrest Dr., Industry, was rammed by a car driven by Jon Posselt, 20, of 6th Ave., New Brighton.

No one was injured.

Poland Ousts Three Of Its Top Officials

WARSAW, Poland (AP) — The Polish government ousted three high officials Tuesday after the local Communist party chief had promised action against managers whose children took part in three days of rioting.

The Polish news agency PAP gave no explanation for the dismissal of the three, but government-controlled newspapers had accused their children of leading protest demonstrations which touched off the rioting.

The three were Jan Grudzinski, vice minister of forestry and timber; Jan Gorecki, director general of the Finance Ministry, and Fryderyk Topolski, head of a Warsaw industrial planning office.

(Sources in Washington said all three are Jews.)

Western observers predicted more dismissals and probably a number of trials of students would result from the rioting, the worst in Poland since three days of disturbances in 1957 stemming from the closing of a student magazine.

The current unrest began with protests against the government's closing in January of a popular play. Several newspapers have blamed the subsequent disturbances on pro-Israeli intellectuals upset by the government's anti-Israeli policy after the June war.

Town Hall Group Sets 2nd Series Of Agency Panels

LISBON — Plans for another town hall meeting series on governmental and agency services were mapped at a meeting of representatives of the recent "Winter Fair" Tuesday night at the County Welfare Department.

Robert Harris, Social Security manager at East Liverpool, said the representatives agreed to hold a meeting in November to discuss details for the series next April.

It was decided to conduct one meeting each week for a month in five communities, rather than meetings each night for a week as in the "Winter Fair."

The title of the second-year series will be "Town Hall Forum," Harris said. Discussion was held on publicity programs.

Firemen To Purchase Public Address Gear

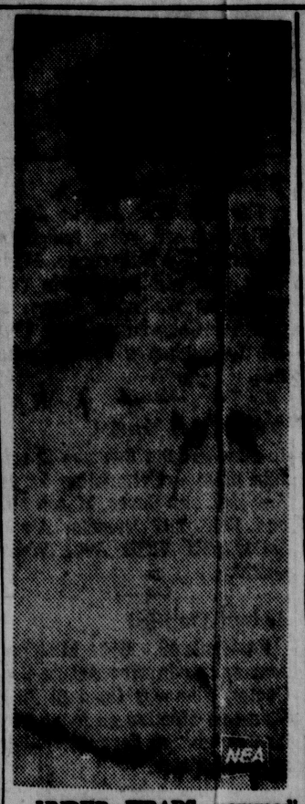

A public address system for the department's number two pumper will be purchased by Liverpool Township East firemen at Dixonville, members agreed Tuesday night.

Final parts of the foam generator were received and the department now is awaiting the arrival of a factory representative to instruct the men in its use.

William Haney and Keith Downard were inducted as members.

Letters were received from Safety - Service Director Robert Vodrey and members of the local International Association of Firefighters here thanking the department for aiding East Liverpool during the Diamond fire last week. A letter of praise also was received from the department's auxiliary for the work done at East Liverpool.

Ten attended. Charles Adams presided. The next meeting will be April 9.

Lloyd L. Shaw Honored At Fete On 75th Birthday

The 75th birthday anniversary of Lloyd Leonard Shaw of Echo Dell Trailer Court was observed with a coverdish dinner party Sunday afternoon at the home of his son-in-law and daughter, Mr. and Mrs. Earl McKarns of Kensington RD 1.

Covers were arranged for 46 at tables decorated with flowers. The buffet table featured a cake topped with 75 candles.

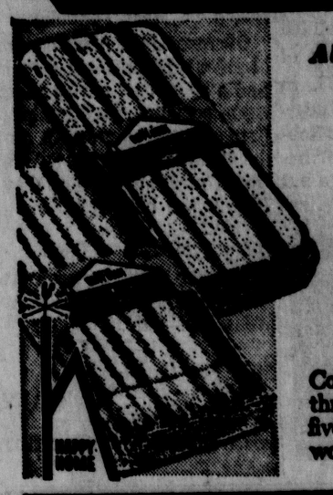

Mr. Shaw retired in 1958 after many years as a jigger man at the Homer Laughlin China Co. His first wife, the former Lenora Reed, died in 1959. They had 11 children, with one, Lloyd B. Shaw, deceased.

The living children are Kenneth Shaw of Daisy Alley; Mrs. John (Arla) Deitz of Miami, Fla.; James C. Shaw, Annesley Rd., Mrs. James (Ruth) Roe, Cannons Mills-Sprucevale Rd., Ralph Shaw, Westfield; Wayne Shaw, Fenton St.; Frank A. Shaw, North Carolina; Fred Shaw, Pleasant Heights, Mrs. James (Ruby) Wade, Los Angeles, and Mrs. Earl (Nedra) McKarns.

There are 45 grandchildren and 9 great - grandchildren.

Mr. Shaw's second wife is the former Mrs. Eva Miller, the mother of 10 children.

Snow Blamed For Most

3 Injured In 15 District Road Accidents Tuesday

Icy roads and poor visilibity due to snow were blamed for most of 15 highway accidents investigated by the Ohio Highway Patrol at Lisbon Tuesday. Three were hurt in the rash of mishaps.

Frank Galeoti, 16, of Oakmont and Jerry Andrews, 18, of Calcutta were injured in a collision of their small auto and a sedan near Calcutta at 8 p.m.

Galeoti, driving a 1959 compact east on the Cannons Mills Rd. a fifth of a mile west of Route 170, struck the rear of a sedan operated by Kenneth L. Cunningham, 23, of Garfield Ave., East Palestine.

—:—

CUNNINGHAM was pulling another vehicle from a snowbound driveway, officers said. He was cited for improper towing. Galeoti was charged with speeding.

Galeoti, son of Ralph Galeoti, is in "fair" condition at City Hospital with cuts of the forehead and back.

Andrews, son of Virgil Andrews of Lakeview Circle, is "satisfactory" with bruises and cuts of the head. He was a passenger with Galeoti.

Ted Erwin Behnke, 32, of Youngstown was injured when his 1963 truck overturned along Route 154 about two miles west of Rogers at 12:35 p. m.

He was headed east and lost control at a curve, the patrol said. The truck went off the left side, hit an embankment and overturned. Behnke was treated at Salem City Hospital.

Joseph R. Smith, 19, of Rogers was charged with speeding after his 1959 auto went out of control on ice - covered Route 7 about a half-mile south of Route 517 at 9:15 p.m., hit a mailbox then struck a tree. There was damage to the left front of the car. The mailbox was owned by Norman Burkey of Rogers RD 4.

No one was injured in a mishap on Route 7 about two miles north of County Rd. 419 at 12:10 p. m. in which a truck backed into a station wagon.

Officers said the station wagon operated by Harold T. Bricker, 37, of 400 Thompson Ave. and the truck driven by Eugene Filippini, 43, of East Palestine RD 1 were headed north and halted, when the 1958 truck was backed into the front of the station wagon, causing severe damage.

Filippini was arrested for failure to exercise care while backing.

—:—

A 1966 compact driven by Roy G. Presnell, 24, of St. Charles, Pa., was damaged heavily when it skidded and upset on Route 39 about two miles east of Route 164 at 12:35 p. m.

Presnell was headed east when he lost control on the icy pavement, officers said. The car turned over on its side, skidded off the road and struck a utility pole.

Joseph Tarkanick, 21, of Brookfield was cited for speeding after his 1960 coach went off Route 7 about two miles north of Route 419 at 11:15 a.m.

The car went over an embankment and came to rest in a creek, officers said.

John Darr, 50, of Warren was unhurt when his pickup truck went off Route 45 about four miles north of Lisbon at 6:30 a.m. and struck an embankment.

Officers In Ohioville To Pick Up Stray Dogs

Mayor Elmer R. Gifford of Ohioville Borough has warned residents that unlicensed dogs running at large will be picked up and disposed of by borough police.

He said today many residents have complained that lawns and shrubbery are being ruined by packs of stray animals.

How Can I?

By Anne Ashley

Q.—How can I correct a rug whose corners persistently turn up?

A.—Try sewing a piece of stiff canvas under each of these problem corners — which will not only keep them down, but will also help add life to your rug. Many other such tips on rugs and carpets are included in my household manual.

Q.—What remedy can I resort to when oil from my sewing machine has spotted the fabric on which I have been sewing?

A.—Immediately cover the spot with talcum powder, let this stand for about 15 to 20 minutes, then brush off. Repeat, if necessary.

Q. — How can I clean a discolored cork bulletin board?

A. — Go over it lightly with very fine sandpaper, which usually strips off the soil and grime very nicely. Then, wiping off any dust residue, apply a thinned coat of fresh, white shellac to the board.

Q.—Any suggestions for better pie crust?

A.—Pie crust, in which a half-teaspoon of baking powder has been added to every cup of flour, will be tastefully light and fluffy.

To Promote Flying Saucer Lecture

Poster Contest Winners Listed At Quota Meeting

Winners in a poster contest held in conjunction with the flying saucer lecture to be sponsored by the Quota Club were announced during the luncheon meeting Tuesday afternoon at the Travelers Hotel.

Prizes will be awarded to Candy Burcham, first; Arl Green, second, and Marvin Merriman, third. They are from East Liverpool High School. Honorable mention was accorded Jeff Smith of Westgate Junior High School and Jo Ann Payne of East Junior High School.

—:—

THE POSTERS will be displayed in local business establishments to help advertise the illustrated lecture of Earl J. Neff of Parma Heights, an authority on unidentified flying objects, who will speak March 20 at Westgate School.

Judges were Mrs. Doris Locke, club president; Mrs. Lois McHenry, ways and means chairman, and Mrs. Peggy Mangano, a committee member.

Mrs. McHenry announced the tickets may be purchased at the Merle Norman Cosmetics or. E. 5th St., from any member and on the night of the performance.

Mrs. Locke named Mrs. Ethel Webb chairman of the nominating committee. She will be assisted by Mrs. Marie Hays, who will represent the executive board, and Mrs. Marguerite Sayre, who will represent the membership.

Investigating reports were presented by several members following the board's action to assist in community areas. Mrs. Jean Stoddard mentioned a day nursery and tutoring project to be provided by the Columbiana County Community Action Agency.

Mrs. Margaret Locke discussed assisting Camp Fire Girls with the "Adventure '68" project of the Horizon Club to take place July 8-27 at Estes Park, Colo. The local Kinoka Council is planning to send two delegates and will require financial assistance.

Educational items needed at the Elkton School for Retarded Children were displayed by Mrs. Marie Hayes, who offered estimates on the price of the making of speech improvement cards and other teaching tools.

—:—

INVITATIONS were read from the Wooster Club to the annual style show and card party March 20 and from the Lorain Club to the "Women of Service" dinner March 25.

Announcement was made of the annual dinner meeting of the Child Counseling Center April 16 at St. Aloysius School.

A communication was read from the Hancock County Extension Agency concerning the music training session for education through cultural arts March 23 at the Millsop Community Center in Weirton.

Reservations were taken for the spring meeting of the City Federation of Women's Clubs March 20 at Mary Patterson Memorial. Mrs. Peggy Mangano will represent the club as a model in the style show.

Assistance for the county 4-H program was requested in correspondence from Mrs. Ruth Frischkorn of Wellsville.

A club representative will attend the screening of a film by the Forests and Parks Council March 29 at Lisbon.

Mrs. Margaret Locke and Mrs. Juanita Clendenning will represent the club on the potters festival committee.

The next session will be March 26 with Mrs. Hilda McEwen of St. Clair Ave. Mrs. Larry Walton will present a program on Camp Fire Girls, enacted by members of Mrs. Charles Lang's Horizon Club.

2 Given Fines For Speeding

Two district motorists who pleaded guilty to speeding charges filed by the Ohio Highway Patrol were fined $15 and costs each today by Municipal Judge Samuel M. Chertoff.

Both accused of driving 65 miles an hour in 50-mile zones, the defendants were: Edna Cook, 21, of Post Office Box 125, Irondale, cited Saturday at 8 p.m. on Route 7, and Charles E. Mobley, 26, of 2010½ Clark Ave., Wellsville, arrested Friday at 10:25 p.m. on Route 30.

Jay F. Gillespie, 22, of Riverview St. was ordered to pay court costs on a charge of failing to apply for auto registration. Gillespie was cited Saturday at 11:15 p.m. on State Route 267. The patrol said he bought an auto last November and did not purchase tags for it. He was driving the auto with tags issued to the former owner, who died "four or five months ago," the patrol reported.

The court issued a bench warrant for the arrest of Dorothy Agnew of 211 Blackeley St. after she failed to appear for a scheduled hearing on a charge of operating a motor vehicle without a driver's license.

She was cited Monday at 5:50 p.m. after her auto broke a plate glass window in a laundry on E. 3rd St. as she attempted to turn the auto in the laundry's parking lot, officers said.

2 Cleveland Firemen Hurt Fighting Blaze

CLEVELAND (AP)—Two Cleveland firemen were injured fighting a fire that routed at least six families from an apartment house at 8623 Cedar Av. early today.

Occupants fled in their night clothes into the 22 -- degree weather after the fire alarm was sounded shortly after midnight.

Cause of the fire was not determined.

Prentice Presents 1967 Figures

Continued Record Sales Reported By Ohio Power

CANTON — The Ohio Power Co. continued record sales of electric energy, operating expenditure, net revenues and internal expansion during 1967.

A. N. Prentice, executive vice president of the utility, reported that energy sales increased 22.7 per cent in 1967 to 23.8 billion kilowatt hours. This represents 4.4-billion kilowatt hours sales growth over the 1966 total, largely due to the aluminum reduction load served by Ohio Power for the first time in 1967.

—:—

GROSS revenues established a new mark of $210,224,000, nearly $24 million above the 1966 revenues. Net income was $44.2 million, or $6.6 million higher than the previous year.

This is the third consecutive year that Ohio Power will have spent in excess of $100 million for capital improvements. These expenditures, the executive vice president said, coupled with present facilities, demonstrate an aggressive expansion program bringing the company's investment to more than a billion dollars.

Coal costs comprised $42.8 million of a record $166 million operations expenditure, Prentice said. Wages, salaries and benefits to active and retired employes amounted to $34.1 million of the operating expenditure. Taxes took another $33.8 million.

The greatest demand for electric power, Prentice said, came from 2,624 industrial customers. The 15.3 billion kilowatt hours purchased in 1967 accounted for 64 per cent of Ohio Power's total energy sales.

—:—

RESIDENTIAL customers purchased 2.66 billion kilowatt hours of energy representing a 7 per cent gain. Prentice said that the annual consumption by Ohio Power's 461,000 residential customers was an average of 5,940 kilowatt-hours.

Ohio Power helped to bring 52 new industries into its service territory through its area development program, Prentice said.

Ohio Power was assessed $33.8 million in local, state and federal taxes during 1967.

Real and personal property taxes comprised more than $8.5 million of the total. The 61 counties in which Ohio Power owns property directly benefitted from these taxes. School districts in this same area receive about 75 per cent of the $8.5 million.

The state received $4 million in excise tax payments, and most of that amount goes into the state welfare fund, it was explained.

Snow Blamed For Most

3 Injured In 15 District Road Accidents Tuesday

Icy roads and poor visilibity due to snow were blamed for most of 15 highway accidents investigated by the Ohio Highway Patrol at Lisbon Tuesday. Three were hurt in the rash of mishaps.

Frank Galeoti, 16, of Oakmont and Jerry Andrews, 18, of Calcutta were injured in a collision of their small auto and a sedan near Calcutta at 8 p.m.

Galeoti, driving a 1959 compact east on the Cannons Mills Rd. a fifth of a mile west of Route 170, struck the rear of a sedan operated by Kenneth L. Cunningham, 23, of Garfield Ave., East Palestine.

—:—

CUNNINGHAM was pulling another vehicle from a snowbound driveway, officers said. He was cited for improper towing. Galeoti was charged with speeding.

Galeoti, son of Ralph Galeoti, is in "fair" condition at City Hospital with cuts of the forehead and back.

Andrews, son of Virgil Andrews of Lakeview Circle, is "satisfactory" with bruises and cuts of the head. He was a passenger with Galeoti.

Ted Erwin Behnke, 32, of Youngstown was injured when his 1963 truck overturned along Route 154 about two miles west of Rogers at 12:35 p. m.

He was headed east and lost control at a curve, the patrol said. The truck went off the left side, hit an embankment and overturned. Behnke was treated at Salem City Hospital.

Joseph R. Smith, 19, of Rogers was charged with speeding after his 1959 auto went out of control on ice - covered Route 7 about a half-mile south of Route 517 at 9:15 p.m., hit a mailbox then struck a tree. There was damage to the left front of the car. The mailbox was owned by Norman Burkey of Rogers RD 4.

No one was injured in a mishap on Route 7 about two miles north of County Rd. 419 at 12:10 p. m. in which a truck backed into a station wagon.

Officers said the station wagon operated by Harold T. Bricker, 37, of 400 Thompson Ave. and the truck driven by Eugene Filippini, 43, of East Palestine RD 1 were headed north and halted, when the 1958 truck was backed into the front of the station wagon, causing severe damage.

Filippini was arrested for failure to exercise care while backing.

—:—

A 1966 compact driven by Roy G. Presnell, 24, of St. Charles, Pa., was damaged heavily when it skidded and upset on Route 39 about two miles east of Route 164 at 12:35 p. m.

Presnell was headed east when he lost control on the icy pavement, officers said. The car turned over on its side, skidded off the road and struck a utility pole.

Joseph Tarkanick, 21, of Brookfield was cited for speeding after his 1960 coach went off Route 7 about two miles north of Route 419 at 11:15 a.m.

The car went over an embankment and came to rest in a creek, officers said.

John Darr, 50, of Warren was unhurt when his pickup truck went off Route 45 about four miles north of Lisbon at 6:30 a.m. and struck an embankment.

Officers In Ohioville To Pick Up Stray Dogs

Mayor Elmer R. Gifford of Ohioville Borough has warned residents that unlicensed dogs running at large will be picked up and disposed of by borough police.

He said today many residents have complained that lawns and shrubbery are being ruined by packs of stray animals.

How Can I?

By Anne Ashley

Q.—How can I correct a rug whose corners persistently turn up?

A.—Try sewing a piece of stiff canvas under each of these problem corners — which will not only keep them down, but will also help add life to your rug. Many other such tips on rugs and carpets are included in my household manual.

Q.—What remedy can I resort to when oil from my sewing machine has spotted the fabric on which I have been sewing?

A.—Immediately cover the spot with talcum powder, let this stand for about 15 to 20 minutes, then brush off. Repeat, if necessary.

Q. — How can I clean a discolored cork bulletin board?

A. — Go over it lightly with very fine sandpaper, which usually strips off the soil and grime very nicely. Then, wiping off any dust residue, apply a thinned coat of fresh, white shellac to the board.

Q.—Any suggestions for better pie crust?

A.—Pie crust, in which a half-teaspoon of baking powder has been added to every cup of flour, will be tastefully light and fluffy.

To Promote Flying Saucer Lecture

Poster Contest Winners Listed At Quota Meeting

Winners in a poster contest held in conjunction with the flying saucer lecture to be sponsored by the Quota Club were announced during the luncheon meeting Tuesday afternoon at the Travelers Hotel.

Prizes will be awarded to Candy Burcham, first; Arl Green, second, and Marvin Merriman, third. They are from East Liverpool High School. Honorable mention was accorded Jeff Smith of Westgate Junior High School and Jo Ann Payne of East Junior High School.

—:—

THE POSTERS will be displayed in local business establishments to help advertise the illustrated lecture of Earl J. Neff of Parma Heights, an authority on unidentified flying objects, who will speak March 20 at Westgate School.

Judges were Mrs. Doris Locke, club president; Mrs. Lois McHenry, ways and means chairman, and Mrs. Peggy Mangano, a committee member.

Mrs. McHenry announced the tickets may be purchased at the Merle Norman Cosmetics or. E. 5th St., from any member and on the night of the performance.

Mrs. Locke named Mrs. Ethel Webb chairman of the nominating committee. She will be assisted by Mrs. Marie Hays, who will represent the executive board, and Mrs. Marguerite Sayre, who will represent the membership.

Investigating reports were presented by several members following the board's action to assist in community areas. Mrs. Jean Stoddard mentioned a day nursery and tutoring project to be provided by the Columbiana County Community Action Agency.

Mrs. Margaret Locke discussed assisting Camp Fire Girls with the "Adventure '68" project of the Horizon Club to take place July 8-27 at Estes Park, Colo. The local Kinoka Council is planning to send two delegates and will require financial assistance.

Educational items needed at the Elkton School for Retarded Children were displayed by Mrs. Marie Hayes, who offered estimates on the price of the making of speech improvement cards and other teaching tools.

—:—

INVITATIONS were read from the Wooster Club to the annual style show and card party March 20 and from the Lorain Club to the "Women of Service" dinner March 25.

Announcement was made of the annual dinner meeting of the Child Counseling Center April 16 at St. Aloysius School.

A communication was read from the Hancock County Extension Agency concerning the music training session for education through cultural arts March 23 at the Millsop Community Center in Weirton.

Reservations were taken for the spring meeting of the City Federation of Women's Clubs March 20 at Mary Patterson Memorial. Mrs. Peggy Mangano will represent the club as a model in the style show.

Assistance for the county 4-H program was requested in correspondence from Mrs. Ruth Frischkorn of Wellsville.

A club representative will attend the screening of a film by the Forests and Parks Council March 29 at Lisbon.

Mrs. Margaret Locke and Mrs. Juanita Clendenning will represent the club on the potters festival committee.

The next session will be March 26 with Mrs. Hilda McEwen of St. Clair Ave. Mrs. Larry Walton will present a program on Camp Fire Girls, enacted by members of Mrs. Charles Lang's Horizon Club.

Prentice Presents 1967 Figures

Continued Record Sales Reported By Ohio Power

CANTON — The Ohio Power Co. continued record sales of electric energy, operating expenditure, net revenues and internal expansion during 1967.

A. N. Prentice, executive vice president of the utility, reported that energy sales increased 22.7 per cent in 1967 to 23.8 billion kilowatt hours. This represents 4.4-billion kilowatt hours sales growth over the 1966 total, largely due to the aluminum reduction load served by Ohio Power for the first time in 1967.

2 Given Fines For Speeding

Two district motorists who pleaded guilty to speeding charges filed by the Ohio Highway Patrol were fined $15 and costs each today by Municipal Judge Samuel M. Chertoff.

Both accused of driving 65 miles an hour in 50-mile zones, the defendants were: Edna Cook, 21, of Post Office Box 125, Irondale, cited Saturday at 8 p.m. on Route 7, and Charles E. Mobley, 26, of 2010½ Clark Ave., Wellsville, arrested Friday at 10:25 p.m. on Route 30.

Jay F. Gillespie, 22, of Riverview St. was ordered to pay court costs on a charge of failing to apply for auto registration. Gillespie was cited Saturday at 11:15 p.m. on State Route 267. The patrol said he bought an auto last November and did not purchase tags for it. He was driving the auto with tags issued to the former owner, who died "four or five months ago," the patrol reported.

The court issued a bench warrant for the arrest of Dorothy Agnew of 211 Blackeley St. after she failed to appear for a scheduled hearing on a charge of operating a motor vehicle without a driver's license.

She was cited Monday at 5:50 p.m. after her auto broke a plate glass window in a laundry on E. 3rd St. as she attempted to turn the auto in the laundry's parking lot, officers said.

2 Cleveland Firemen Hurt Fighting Blaze

CLEVELAND (AP)—Two Cleveland firemen were injured fighting a fire that routed at least six families from an apartment house at 8623 Cedar Av. early today.

Occupants fled in their night clothes into the 22 -- degree weather after the fire alarm was sounded shortly after midnight.

Cause of the fire was not determined.

Midland's Post-Prom Unit Sets Paper Drive

Sports Whirled

By TURK PIERCE
Review Sports Editor

The WPIAL basketball champion has won the state title 13 of the last 19 years, but Laurel Highlands may not add to that mark this season.

Veterans WPIAL observers regard the Mustangs as one of the weakest champions in recent years, probably the weakest since the 1961 Mt. Lebanon "Cinderella" team that didn't even make the state finals.

East Liverpool basketball coach Clint McConnell took in the championship game between Laurel Highlands and Donora, and he was not particularly impressed. He bemoaned the lack of good man-to-man defenses and precision attacks. He was impressed by Wilbert Robinson, who poured in 35 points, only three short of the tournament mark set by Sim Hill of Midland in 1965. McConnell also liked the way Laurel Highlands got the ball up court fast and the rebounding of the not-too-tall Mustangs. "They get the ball off the boards without committing many fouls," he noted.

McCONNELL questioned the tactic of coach Harold (Horse) Taylor of playing one man deep in the backcourt on offense. But it became apparent that this was to have a man back quickly on defense to cut off the famed Donora fast break. And the tactic proved effective, as Donora got only one fast-break basket the whole contest. Laurel Highlands' offense was not hurt, as they rely on three men to do virtually all of their scoring, Robinson, Jim Hobgood and Ed (Buzzy) Harrison. McConnell didn't especially care for the way Hobgood, a 6-3 junior lefty, released the ball while shooting, but Hobgood collected seven field goals, many from long range.

It was a superb board effort and good fast break of their own that won the ball game for the Mustangs. Robinson, a sure-fire all-state player, had 14 points in the third period alone, as Laurel rolled up a 20-8 margin in this stanza to break the game wide open.

One of the Laurel Highlands theme songs is "Only Mustang Makes It Happen" from the TV commercial. Neither school band would play "The Star Spangled Banner," since it is a superstition in the Civic Arena that when a band plays the National Anthem its team will lose.

It's reported (on Pittsburgh TV stations among other places) that Red Manning will step down as Duquesne basketball coach at the end of this season. This may or may not mean a promotion for East Liverpool's Al Bailey, currently freshman coach at Duquesne.

Durocher Set For Season After Suffering Ejection

By HAL BOCK
Associated Press Sports Writer

You can start the baseball season anytime now. Leo Durocher is ready.

The athletes struggle each spring getting their arms and legs in shape for the summer grind. But Leo has it easier. He needs to worry only about his lip.

Durocher's lip, jaw and other vocal equipment was in top form Tuesday and they earned him an early exit as his Chicago Cubs absorbed a 12-2 pounding from the San Francisco Giants in an exhibition game at Scottsdale, Ariz.

In other games, the New York Mets edged Los Angeles 5-4, Minnesota tripped the New York Yankees 8-5, the Chicago White Sox ripped Boston 10-5, Pittsburgh routed Detroit 14-5, and Philadelphia blanked St. Louis 9-0 in a game halted by rain after five innings.

Also Cincinnati nipped Houston 8-7, Washington dropped Atlanta 7-2, Oakland nipped Baltimore 6-5 and California shaded Cleveland 4-3.

Durocher took on Umpire Mel Steiner in the bottom of the fourth inning after the Giants had embarrassed 20-game winner Ferguson Jenkins with six straight hits and five runs in the top half of the inning.

The battle started over a spitball warning to Jenkins early in the inning which rubbed Durocher the wrong way.

After the argument, three baseballs were thrown onto the field from the Cubs' dugout — two in Steiner's direction and the third striking a photographer on the field.

The Giants collected 21 hits, 19 of them singles, against five Cub pitchers.

The Mets got only two hits against Los Angeles, but three errors, two of them by new shortstop Zoilo Versalles, beat the Dodgers. New York got both hits — a single by Al Weis and triple by Cleon Jones — in the third inning when errors by Versalles and Jim Lefebvre helped build four runs.

Pitcher Jim Grant, victim of the big inning, had homered for the Dodgers in the top half of the inning.

Ron Clark's bases-loaded double in the seventh inning brought Minnesota from behind and helped the Twins beat the Yankees. Joe Pepitone homered for New York and rookie Pat Kelly connected for Minnesota.

The White Sox battered Boston pitchers for 18 hits as catcher Dick Booker drove in four runs and Rocky Colavito smashed Chicago's first spring home run. George Scott tagged a pair and Gene Oliver had one for the Red Sox.

Pittsburgh rushed 11 runs across against Detroit's Pat Dobson and Joe Sparma in the third inning and coasted past the Tigers. Al McBean, who pitched three hitless innings, drove in two runs with a single in the big inning.

Don Lock had three hits including a three-run homer and Chris Short hurled four scoreless innings as the Phillies battered the Cardinals.

Two Houston errors and Alex Johnson's bases-loaded double helped Cincinnati to four ninth inning runs that beat the Astros. Leo Bales' error opened the gates for the Reds.

Three singles, a passed ball and an error gave Washington five fifth inning runs and the Senators rapped Atlanta. Singles by Frank Coggins and Ed Brinkman drove in two runs and shortstop Angel Hermoso's error allowed two more.

Bert Campaneris, Danny Cater and Sal Bando all homered for Oakland but it took 11th inning doubles by Rick Monday and Jim Pagliaroni to beat Baltimore. Andy Etchbarren, Don Buford and Boog Powell homered for the Orioles.

California withstood late pinch homers by Willie Smith and Leon Wagner to beat Cleveland.

Western, South Side Defeated

South Side and Western Beaver were trounced in the Hopewell Boosters undergraduate basketball tournament at Hopewell last night.

Western fell to the host Vikings 77-32 while South Side was whipped by Rochester 83-35. Chuck Kelker led Western with 10 points, while Dan McNary and Ed Ashcroft had nine each to pace South Side.

In other games, Center beat Freedom 84-65 and Ambridge topped Beaver 54-45.

African Bushmen believe that if lightning strikes a woman her spirit will turn into a star.

Randy Frampton On 1st 'A' Team

Earl Diddle, who sparked East Liverpool's basketball team to its fine 19-2 season, has been named to the first team of the All-Eastern Ohio basketball squad.

Jerry Christian, 6-4 junior pivotman for the Potters, was named to the second team. Wellsville's Tom McClain made honorable mention. Randy Frampton of Stanton made the first team in the Class A selections.

Allan Hornyak, the state's leading scholastic scorer from Bellaire St. John's, is the Class AA Basketball Player of the Year in the Eastern District.

Hornyak, who tallied 811 points, heads up the All-Eastern District team selected by a panel of sports writers and broadcasters for The Associated Press.

Mark Thompson of Mount Pleasant and Tim Miller of Garaway are the Class A co-players of the year. Hornyak, Thompson and Miller are only juniors.

The Class AA team:

Allan Hornyak, 6-1 junior, Bellaire St. John's; Dave Reasbeck, 6-3 senior, Martins Ferry; Lavert Freeman, 6-0 senior, Steubenville; Ray Szypulski, 6-4 senior, Steubenville Central; Earl Diddle, 5-9 senior, East Liverpool; Larry Burke, 5-10 junior, Marietta; Bob Welcher, 6-5 junior, Zanesville.

The second team:

Jerry Christian, East Liverpool; Jeff Williams, River View; J. W. Force, New Philadelphia; Dean Burkhart, Dover; Dave Suba, Steubenville Central; Kevin Merrick, Carrollton and Mike Painter, Zanesville.

Honorable mention — Jim Smith, Steubenville; John Simpson, Zanesville; Paul McLaughlin, West Muskingum; Bud Chess, New Concord John Glenn, Steve Slaughter, Coshocton; Bob Ricketts, Cambridge; Pat Nuzum, Wintersville; Tom McClain, Wellsville; Skip Davis, Belpre; Jerry Mitchem, Warren Local.

The Class A team:

Mark Thompson, 6-3 junior, Mount Pleasant; Tim Miller, 6-2 junior, Garaway; Randy Frampton, 6-2 senior, Stanton (Irondale); Joe Hosfeld, 6-4 senior, Guernsey Catholic; Dave Ellis, 6-2 senior, Zanesville Rosecrans; Ed Wnek, 5-8 senior, Warren Consolidated of Tiltonsville; Gary Davenport, 6-7 senior, Wayne.

The second team:

Errol Miller, Garaway; Dick Clark, Berlin-Hiland; Mike Gerber, Garaway; Denny Luyster, Lakeland (Freeport); Dan Dougherty, River Local; Jeff Huston, Indian Valley South; Lou Burk, Bridgeport.

Honorable mention — Butch Haswell, Strasburg; Lance Van Fleet, Shenandoah; Sam Jokovich, Yorkville; Bob Zitzelberger, Yorkville; Ron Thompson, Mount Pleasant; Winfield Robson, Mount Pleasant; Ron Rowland, Wayne; Rich Robinson, Brilliant; Paul Davenport, Hopedale; Dick Stillwagon, Adena; Jim Allensworth, Scio; Ken Gordon, Springfield (Jefferson County).

Westminster's Ridl New Pitt Cage Coach

PITTSBURGH (AP) — Buzz Ridl, who didn't apply for the job, has been selected over 51 men who did to lift the University of Pittsburgh's basketball team back to respectability.

Ridl, 47, head coach at Westminster, Pa., College for 12 seasons, was named Tuesday to succeed Bob Timmons, who announced his retirement last month.

"I'm pleased with the opportunity to work with the University of Pittsburgh," Ridl said from Kansas City where his Titans are making their sixth NAIA tournament appearance in 10 years.

"I'm confident that with the outstanding high school basketball players in the district, together we can make Pitt basketball a success," he added. "My first objective will be to recruit some of the outstanding area basketball players that we have right here in our own backyard."

Pitt's team this year had a 7-15 record, its best in four years.

Athletic Director Frank Carver of Pitt said he received 51 written applications for the job from all over the country, but Ridl's was not among them.

Instead Carver invited Ridl and seven applicants in for interviews and Ridl was a unanimous choice of the four-man screening committee. Actually nine men were interviewed including one who came in without being asked.

"Buzz's selection speaks for itself because of his reputation as a man, his experience and his experience and his record," Carver said.

Other leading candidates were Tom Carmody, a native of nearby Bethel Park, freshman coach at Duke; Hank Kuzma, who has coached at Canonsburg and Midland high schools and in college at Steubenville and Loyola of New Orleans; head coach Dutch Berch of Lycoming College; Dick Black of Mt. Lebanon High School and Pitt freshman coach Tim Grgurich, Timmons' choice. Black was the only high school coach interviewed.

Ridl, whose Titans were scheduled to play Monmouth, N.J. in a second-round NAIA game this morning, has a career record of 214-89, a .706 percentage. His teams have won seven West Penn Conference titles in the last nine seasons. This year Westminster is 20-6.

In 1962, Ridl's team was named the top small college team in the nation by The Associated Press. The NAIA selected him as its coach of the year.

Both the 1960 and 1962 Westminster teams reached the NAIA finals.

Ridl was graduated from Westminster and co-captained the Titans' team that went to the National Inviation Tournament in 1941.

He served as an Army officer in World War II, joined the Westminster faculty in 1949 and was named coach in 1956.

Red Manning Reported Out At Duquesne

PITTSBURGH (AP) — Red Manning, the basketball coach at Duquesne University, may be retiring after the National Invitation Tournament.

He said he would discuss his future plans with Duquesne's president, Rev. Henry J. McAnulty, after the tournament which starts Thursday in New York. The Dukes play Fordham in the first round Saturday night.

"It's unfortunate that this thing came out," Manning said. "It may hurt our recruiting and it may hurt our team."

Manning denied a report he's headed to Robert Morris Junior College as athletic director. Another report was that he might enter another field.

Should Manning, whose 10-year record at Duquesne is 140-98, call it quits, he would be the third major college coach in Western Pennsylvania to step down in two months.

In January, John Egli announced his retirement at Penn State and last month Bob Timmons quit at Pitt. John Bach of Wyoming was named to replace Egli.

Spitball Penalty Softened

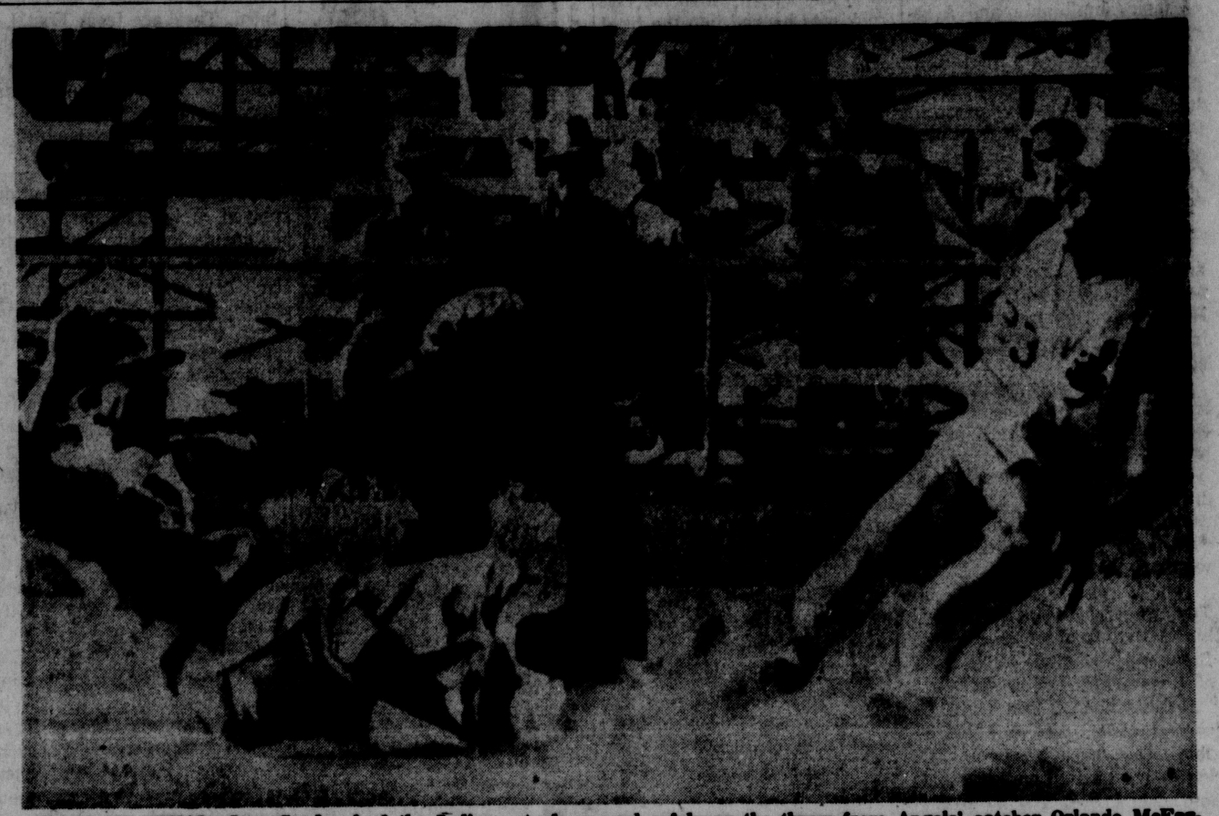

By JACK HAND
Associated Press Sports Writer

FORT LAUDERDALE, Fla. (AP) — The pitchers still have to keep their hands out of their mouths but baseball has decided to be a little more lenient with them for awhile if they forget the rule.

Commissioner William D. Eckert announced Tuesday that pitchers will no longer be ejected from the game after two violations of the new spitball rule. Instead, they will be charged with an illegal pitch, similiar to a balk.

The spitball has long been an illegal pitch but violations became so frequent that the rules committee decided on a crackdown. Umpires were busy this spring explaining the rule which called for one warning and then expulsion from a game for a pitcher who brought his hand in contact with his mouth or lips.

American League umpires enforced the rule strictly and several pitchers including Dean Chance of Minnesota, Camilo Pascual of Washington and Dennis Ribant of Detroit, have been thrown out of exhibition games.

Leon Wagner Clouts Homer For Indians

PHOENIX, Ariz. (AP)—Leon Wagner promises that Cleveland opponents will see plenty of "black power" if he gets to play every day.

Wagner and Willie Smith were all smiles after cracking home runs in the eighth inning against the California Angels Tuesday.

"That's our version of 'black power,' baby," said Wagner, a Negro, "and I'll hit 40 just like that one if they'll let me play every day."

The homers gave the Indians their only runs, but left them one run short as they lost to the Angels 4-3.

Sam McDowell, the Tribe's perennial southpaw hope, made his start and was charged with the loss, but both he and Manager Alvin Dark said progress had been made.

Working with the aid of instant replay television, McDowell concentrated on smoothing out his delivery and trying to "throw everything alike."

Sam is working on sameness because he has been tipping off some of his pitches in the past, and also, Dark said, because "if he's not so herky-jerky, we think his control will be better."

"I thought he did a real good job," Dark commented. "He moved the ball around and pitched to the catcher rather than to just rare back and throw it."

McDowell said it was uncomfortable to "concentrate now on throwing everything with the same motion, but I'm going to stay with it and it'll be okay, I'm sure."

Luis Tiant was slated to pitch against the San Francisco Giants in Phoenix today — the first exhibition start for Tiant.

The WPIAL basketball champion has won the state title 13 of the last 19 years, but Laurel Highlands may not add to that mark this season.

Veterans WPIAL observers regard the Mustangs as one of the weakest champions in recent years, probably the weakest since the 1961 Mt. Lebanon "Cinderella" team that didn't even make the state finals.

East Liverpool basketball coach Clint McConnell took in the championship game between Laurel Highlands and Donora, and he was not particularly impressed. He bemoaned the lack of good man-to-man defenses and precision attacks. He was impressed by Wilbert Robinson, who poured in 35 points, only three short of the tournament mark set by Sim Hill of Midland in 1965. McConnell also liked the way Laurel Highlands got the ball up court fast and the rebounding of the not-too-tall Mustangs. "They get the ball off the boards without committing many fouls," he noted.

McCONNELL questioned the tactic of coach Harold (Horse) Taylor of playing one man deep in the backcourt on offense. But it became apparent that this was to have a man back quickly on defense to cut off the famed Donora fast break. And the tactic proved effective, as Donora got only one fast-break basket the whole contest. Laurel Highlands' offense was not hurt, as they rely on three men to do virtually all of their scoring, Robinson, Jim Hobgood and Ed (Buzzy) Harrison. McConnell didn't especially care for the way Hobgood, a 6-3 junior lefty, released the ball while shooting, but Hobgood collected seven field goals, many from long range.

It was a superb board effort and good fast break of their own that won the ball game for the Mustangs. Robinson, a sure-fire all-state player, had 14 points in the third period alone, as Laurel rolled up a 20-8 margin in this stanza to break the game wide open.

One of the Laurel Highlands theme songs is "Only Mustang Makes It Happen" from the TV commercial. Neither school band would play "The Star Spangled Banner," since it is a superstition in the Civic Arena that when a band plays the National Anthem its team will lose.

It's reported (on Pittsburgh TV stations among other places) that Red Manning will step down as Duquesne basketball coach at the end of this season. This may or may not mean a promotion for East Liverpool's Al Bailey, currently freshman coach at Duquesne.

Durocher Set For Season After Suffering Ejection

By HAL BOCK
Associated Presss Sports Writer

You can start the baseball season anytime now. Leo Durocher is ready.

The athletes struggle each spring getting their arms and legs in shape for the summer grind. But Leo has it easier. He needs to worry only about his lip.

Durocher's lip, jaw and other vocal equipment was in top form Tuesday and they earned him an early exit as his Chicago Cubs absorbed a 12-2 pounding from the San Francisco Giants in an exhibition game at Scottsdale, Ariz.

In other games, the New York Mets edged Los Angeles 5-4, Minnesota tripped the New York Yankees 8-5, the Chicago White Sox ripped Boston 10-5, Pittsburgh routed Detroit 14-5, and Philadelphia blanked St. Louis 9-0 in a game halted by rain after five innings.

Also Cincinnati nipped Houston 8-7, Washington dropped Atlanta 7-2, Oakland nipped Baltimore 6-5 and California shaded Cleveland 4-3.

Durocher took on Umpire Mel Steiner in the bottom of the fourth inning after the Giants had embarrassed 20-game winner Ferguson Jenkins with six straight hits and five runs in the top half of the inning.

The battle started over a spitball warning to Jenkins early in the inning which rubbed Durocher the wrong way.

After the argument, three baseballs were thrown onto the field from the Cubs' dugout — two in Steiner's direction and the third striking a photographer on the field.

The Giants collected 21 hits, 19 of them singles, against five Cub pitchers.

The Mets got only two hits against Los Angeles, but three errors, two of them by new shortstop Zoilo Versalles, beat the Dodgers. New York got both hits — a single by Al Weis and triple by Cleon Jones — in the third inning when errors by Versalles and Jim Lefebvre helped build four runs.

Pitcher Jim Grant, victim of the big inning, had homered for the Dodgers in the top half of the inning.

Ron Clark's bases-loaded double in the seventh inning brought Minnesota from behind and helped the Twins beat the Yankees. Joe Pepitone homered for New York and rookie Pat Kelly connected for Minnesota.

The White Sox battered Boston pitchers for 18 hits as catcher Dick Booker drove in four runs and Rocky Colavito smashed Chicago's first spring home run. George Scott tagged a pair and Gene Oliver had one for the Red Sox.

Pittsburgh rushed 11 runs across against Detroit's Pat Dobson and Joe Sparma in the third inning and coasted past the Tigers. Al McBean, who pitched three hitless innings, drove in two runs with a single in the big inning.

Don Lock had three hits including a three-run homer and Chris Short hurled four scoreless innings as the Phillies battered the Cardinals.

Two Houston errors and Alex Johnson's bases-loaded double helped Cincinnati to four ninth inning runs that beat the Astros. Lee Bales' error opened the gates for the Reds.

Three singles, a passed ball and an error gave Washington five fifth inning runs and the Senators rapped Atlanta. Singles by Frank Coggins and Ed Brinkman drove in two runs and shortstop Angel Hermoso's error allowed two more.

Bert Campaneris, Danny Cater and Sal Bando all homered for Oakland but it took 11th inning doubles by Rick Monday and Jim Pagliaroni to beat Baltimore. Andy Etchbarren, Don Buford and Boog Powell homered for the Orioles.

California withstood late pinch homers by Willie Smith and Leon Wagner to beat Cleveland.

Western, South Side Defeated

South Side and Western Beaver were trounced in the Hopewell Boosters undergraduate basketball tournament at Hopewell last night.

Western fell to the host Vikings 77-32 while South Side was whipped by Rochester 83-35. Chuck Kelker led Western with 10 points, while Dan McNary and Ed Ashcroft had nine each to pace South Side.

In other games, Center bea Freedom 84-65 and Ambridg topped Beaver 54-45.

Randy Frampton On 1st 'A' Team

Earl Diddle, who sparked East Liverpool's basketball team to its fine 19-2 season, has been named to the first team of the All-Eastern Ohio basketball squad.

Jerry Christian, 6-4 junior pivotman for the Potters, was named to the second team. Wellsville's Tom McClain made honorable mention. Randy Frampton of Stanton made the first team in the Class A selections.

Allan Hornyak, the state's leading scholastic scorer from Bellaire St. John's, is the Class AA Basketball Player of the Year in the Eastern District.

Hornyak, who tallied 811 points, heads up the All-Eastern District team selected by a panel of sports writers and broadcasters for The Associated Press.

Mark Thompson of Mount Pleasant and Tim Miller of Garaway are the Class A co-players of the year. Hornyak, Thompson and Miller are only juniors.

The Class AA team:

Allan Hornyak, 6-1 junior, Bellaire St. John's; Dave Reasbeck, 6-3 senior, Martins Ferry; Lavert Freeman, 6-0 senior, Steubenville; Ray Szypulski, 6-4 senior, Steubenville Central; Earl Diddle, 5-9 senior, East Liverpool; Larry Burke, 5-10 junior, Marietta; Bob Welcher, 6-5 junior, Zanesville.

The second team:

Jerry Christian, East Liverpool; Jeff Williams, River View; J. W. Force, New Philadelphia; Dean Burkhart, Dover; Dave Suba, Steubenville Central; Kevin Merrick, Carrollton and Mike Painter, Zanesville.

Honorable mention — Jim Smith, Steubenville; John Simpson, Zanesville; Paul McLaughlin, West Muskingum; Bud Chess, New Concord John Glenn, Steve Slaughter, Coshocton; Bob Ricketts, Cambridge; Pat Nuzum, Wintersville; Tom McClain, Wellsville; Skip Davis, Belpre; Jerry Mitchem, Warren Local.

Westminster's Ridl New Pitt Cage Coach

PITTSBURGH (AP) — Buzz Ridl, who didn't apply for the job, has been selected over 51 men who did to lift the University of Pittsburgh's basketball team back to respectability.

Ridl, 47, head coach at Westminster, Pa., College for 12 seasons, was named Tuesday to succeed Bob Timmons, who announced his retirement last month.

"I'm pleased with the opportunity to work with the University of Pittsburgh," Ridl said from Kansas City where his Titans are making their sixth NAIA tournament appearance in 10 years.

"I'm confident that with the outstanding high school basketball players in the district, together we can make Pitt basketball a success," he added. "My first objective will be to recruit some of the outstanding area basketball players that we have right here in our own backyard."

Pitt's team this year had a 7-15 record, its best in four years.

Athletic Director Frank Carver of Pitt said he received 51 written applications for the job from all over the country, but Ridl's was not among them.

Instead Carver invited Ridl and seven applicants in for interviews and Ridl was a unanimous choice of the four-man screening committee. Actually nine men were interviewed including one who came in without being asked.

"Buzz's selection speaks for itself because of his reputation as a man, his experience and his experience and his record," Carver said.

Other leading candidates were Tom Carmody, a native of nearby Bethel Park, freshman coach at Duke; Hank Kuzma, who has coached at Canonsburg and Midland high schools and in college at Steubenville and Loyola of New Orleans; head coach Dutch Berch of Lycoming College; Dick Black of Mt. Lebanon High School and Pitt freshman coach Tim Grgurich, Timmons' choice. Black was the only high school coach interviewed.

Ridl, whose Titans were scheduled to play Monmouth, N.J. in a second-round NAIA game this morning, has a career record of 214-89, a .706 percentage. His teams have won seven West Penn Conference titles in the last nine seasons. This year Westminster is 20-6.

In 1962, Ridl's team was named the top small college team in the nation by The Associated Press. The NAIA selected him as its coach of the year.

Both the 1960 and 1962 Westminster teams reached the NAIA finals.

Ridl was graduated from Westminster and co - captained the Titans' team that went to the National Inviation Tournament in 1941.

He served as an Army officer in World War II, joined the Westminster faculty in 1949 and was named coach in 1956.

Red Manning Reported Out At Duquesne

PITTSBURGH (AP) — Red Manning, the basketball coach at Duquesne University, may be retiring after the National Invitation Tournament.

He said he would discuss his future plans with Duquesne's president, Rev. Henry J. McAnulty, after the tournament which starts Thursday in New York. The Dukes play Fordham in the first round Saturday night.

"It's unfortunate that this thing came out," Manning said. "It may hurt our recruiting and it may hurt our team."

Manning denied a report he's headed to Robert Morris Junior College as athletic director. Another report was that he might enter another field.

Should Manning, whose 10-year record at Duquesne is 140-96, call it quits, he would be the third major college coach in Western Pennsylvania to step down in two months.

Ohio State Hangs On To Beat Iowa

By HERSCHEL NISSENSON
Associated Press Sports Writer

Ohio State didn't have any worries for about a week but those last 22 seconds Tuesday night almost gave Coach Fred Taylor enough ulcers to last a lifetime.

The Buckeyes hung on, however, after blowing most of a 12-point lead and won their playoff game from Iowa 85-81, giving them the 23rd and last berth in the NCAA tournament as the Big Ten representative. The teams had finished the regular season tied for the conference lead.

"Ohio State is in a great position. They haven't had any worries for a week," was the way Iowa's Ralph Miller put it before the contest on the neutral Purdue court, the first Big Ten playoff since 1908.

The worrying began in earnest when Iowa charged to within two points with 22 seconds remaining. But State recovered on free throws by Denny Meadors, Bill Hosket and Jody Finney and won the right to meet East Tennessee in the NCAA Mideast regionals Friday night at Lexington, Ky.

Taylor said his team had practiced only three times in the past week while Iowa was wasting a chance to win the title outright. "We just weren't very sharp," he said, blaming the lack of practice.

All five starters scored in double figures, though, with Hosket netting 24 points and Steve Howell 22. Iowa's Sam Williams led all scorers with 29.

That was the only major college game Tuesday night but plenty more are on tap later this week. The National Invitation Tournament gets under way in New York on Thursday and 16 more teams swing into action Friday in the NCAA's four regional pairings.

The eight-team NCAA college division tourney opens today at Evansville, Ind., with Kentucky Wesleyan, the nation's second-ranked small college team, favored. The Panthers, 25-3, play American International, 21-4, in the opening round.

In other games, Cheyney, Pa., State, 22-6, faces Ashland, Ohio, 22-5; Indiana State, 21-7, meets Nevada Southern, 22-6, and Evansville, 20-7, plays Trinity of Texas, 21-6.

Eight games were played Tuesday on the second day of the 32-team NAIA tournament at Kansas City and there were plenty of surprises. Top-seeded Guilford, N.C., lost to Oshkosh, Wis., State 80-78 and second-seeded Stephen F. Austin of Texas was eliminated by Eastern Michigan 82-80.

The other results: Northeastern Oklahoma 89, Athens, Ala. 72; Hanover, Ind. 107, Southern Oregon 59; Central Washington 95, Albuquerque 72; Central, Ohio, State 81, Millikin, Ill. 64; Dickinson, N.D. 76, Washburn, Kan. 71 and Eastern Montana 83, Wayne, Neb. 70.

Braves Hustle Under New Manager

By DICK COUCH
Associated Press Sports Writer

WEST PALM BEACH, Fla. (AP) — First baseman Deron Johnson rushes to the ball park an hour early to practice picking up ground balls. Center fielder Felipe Alou makes a diving catch in an intrasquad game.

The Atlanta Braves are hustling this spring. New Manager Luman Harris won't have it any other way.

The power-packed Braves disappointed a lot of experts last year by staggering home seventh in the National League pennant race. Injuries to key men—Alou, catcher Joe Torre, pitcher Tony Cloninger—played a big part in the collapse. So did a .240 team batting average, slowness of foot and nonchalance in the field.

Harris, who succeeds Billy Hitchcock as manager after piloting the Braves' Richmond farm club to the International League pennant, expects the hitting to take care of itself. Alou and Torre are healthy again: Hank Aaron should be as good as ever; Rico Carty is back on the beam and Johnson's big bat has been added to an already potent line-up.

The 53-year-old Braves' skipper, who also managed briefly at Houston and Baltimore before rejoining his old pal, General Manager Paul Richards, is satisfied with a young pitching staff headed by ERA king Phil Niekro.

Harris can only pray that the Braves stay injury free in 1968. But he already has taken steps to assure that there will be no recurrence of the ho-hum attitudes of 1967.

"I was glad to see Alou dive for that ball, even if it didn't mean anything," he said. "I want to see the infielders diving for balls, too. I want the whole club doing it, starting right here and now."

So far, the Braves appear to be responding to the no-nonsense edict. Johnson, determined to regain his 130 RBI form of 1965, is the hardest worker in camp. Atlanta got the strapping slugger in a trade with Cincinnati, where he was plagued by injuries last season and hit only .224 with 13 homers and 53 RBI.

Another significant trade brought shortstop Sonny Jackson from Houston, adding much-needed speed to the Braves' line-up. Jackson, who also had injury problems in 1967, hit .237 and stole 22 bases for the Astros.

Ex-Yankee Clete Boyer, who had his best year ever at the plate with 26 homers and 96 RBI—and led NL third baseman in fielding—could be the only returnee in the infield. Johnson is set at first base. Jackson at short and Felix Millan, who hit .310 for Richmond, is pressing Woody Woodward, .226 with the Braves, for the second base job.

If any of the regulars falter, Harris can call on Tommy Aaron, Hank's younger brother and the International League MVP, with a .309 average, as well as versatile Marty Martinez, .288 in 21 games with the Braves, and veteran handymen Tito Francona, .244 with Atlanta, and Sandy Valdespino, .165 with Minnesota.

Should Cloninger, a former 24-game winner who sat out more than two months last year with a serious eye ailment, find himself again, Atlanta pitching could go from fair to good in 1968.

Knuckleballer Niekro was the big surprise last season, leading the league with a 1.87 ERA and winning 11 of 20 decisions. Pat Jarvis, 15-10 was the big winner, followed by veteran Ken Johnson, 13-9. Newcomers Ron Reed and Jim Britton, who were 14-10 and 12-7, respectively, for Richmond, also could make it as starters.

Clay Carroll, Claude, Raymond, Dick Kelley, Cecil Upshaw and Dale Roberts are the leading bullpen candidates.

If Cloninger bounces back and Torre, Alou and Carty regain their 1966 hitting touch, Harris' Braves could move back into the contending position they were picked for a year ago.

Committee Will Discuss South Africa

LAUSANNE, Switzerland (AP) — South Africa's controversial readmission to the Olympic Games will be the topic of discussion here April 20-21 at a special meeting of the International Olympic Committee's executive board.

IOC President Avery Brundage called the meeting Tuesday in reaction to pressure from Mexican organizing officials and other sources. But he spurned a demand by five members of the executive board that he call a general meeting of the 73-member IOC.

More than 40 nations withdrew from the Summer Olympics, scheduled for October in Mexico City, following South Africa's readmission last month at the IOC's general convention.

South Africa was barred from the 1964 Games in Tokyo because of its policy of separating whites and blacks.

Readmission came after South African authorities promised to field a racially mixed team at Mexico City.

Miller Farr Interception AFL Leader

NEW YORK (AP) — Miller Farr, whose defensive play was a major part of the reason Houston won the Eastern Division title, shared the 1967 pass interception crown with Tom Janik of Buffalo and Dick Westmoreland of Miami, final American Football League statistics showed today.

Each of the trio intercepted 10 passes, the same number grabbed in 1966 by co-champions Johnny Robinson and Bobby Hunt of Kansas City. The league record is 12.

Farr, however, returned his interceptions more yardage than the other two, averaging 26.4 yards on his total of 264. Janik ran back his catches 222 yards and Westmoreland 127.

Farr turned three of his interceptions into touchdowns, tying the league record. Janik scored twice and Westmoreland once.

Poplar Jamie, driven by John Chapman, had the best one mile time for a trotter at Yonkers Raceway in 1967. He was timed in 2:01.4 on June 9.

Substitute Phil Jackson Slashes Baltimore Bullets

By RON RAPOPORT
Associated Press Sports Writer

NEW YORK (AP) — The first weekend Phil Jackson was in New York somebody pulled a knife on him in the subway.

The Baltimore Bullets couldn't have been more surprised Tuesday night if he had pulled one on them. As it was, Jackson about slashed the Bullets National Basketball Association playoff hopes to ribbons.

Through 47 minutes and 20 seconds of the New York Knicks' 107-104 victory, Jackson was just another cog in the machine, thrown into the line-up at odd moments for defensive purposes.

But after the Knicks had fought back from an 11-point deficit with just over five minutes left in the game to a 104-104 tie with 1:34 left, Jackson popped up all over the place.

With 40 seconds left, he threw in a free throw, giving the Knicks a 105-104 lead. On the Baltimore throw-in, Jackson threw himself in front of Baltimore's Kevin Loughery and stole the ball.

Moments later, Jackson took a pass in the corner, dribbled over to the basket and scored his only field goal of the game for the final points of the contest.

In other NBA action, Detroit beat Seattle 139-123, Philadelphia swamped Chicago 139-115 and Boston edged San Francisco 124-121 in overtime. The St. Louis-Chicago game scheduled for Cleveland was postponed when the Hawks were snowed in at home.

The Pistons' victory, their sixth straight, gave them a 1½ game lead over fifth-place Cincinnati and left them in good shape to clinch the final division playoff spot. Eddie Miles led Detroit scorers with 39 points. Tom Kron had 24 for Seattle.

The 76ers exploded for 43 points in the third period in burying the Bulls. Hal Greer had 30 points for Philadelphia while Jim Washington had 29 for Chicago.

Boston missed nine of 15 free throws in overtime but managed to outlast San Francisco as three Warrior players fouled out in the extra period. The Celtics jumped off to a three-point lead in the overtime and never were headed after regulation time ended 111-all.

Free throws by Bailey Howell and John Havlicek in the final 10 seconds settled the issue for Boston.

Howell collected 30 points and Havlicek contributed 28. Jeff Mullins was high for San Francisco with 28.

Pipers Beaten, Still Clinch East Title Tie

By The Associated Press

Winning would have been nicer but losing wasn't so bad for the Pittsburgh Pipers.

The Pipers dropped a 126-112 decision to the New Jersey Americans Tuesday night but still clinched at least a tie for the American Basketball Association's Eastern Division crown when second-place Minnesota lost to Dallas 122-107.

In other games, Kentucky whipped Houston 130-109 and Denver downed Oakland 112-92.

Despite the loss to New Jersey, Pittsburgh kept its three-game lead over Minnesota. Both teams have three games remaining.

Hank Whitney and Bob Lloyd led the Americans' attack with season-highs of 34 and 24 points, rspectively. Connie Hawkins had 34 points and Charlie Williams 28 for Pittsburgh.

The victory kept New Jersey 1½ games in front of Kentucky in the battle for fourth place and a playoff berth in the East. The Colonels won their 12th in the last 13 home games, beating Houston. Louie Dampier's 31 points led Kentucky and Willie Somerset had 32 for Houston.

Charles Beasley threw in 30 points and Cincy Powell added 28 as Dallas beat Minnesota and assured Pittsburgh of at least a tie for Eastern honors. Les Hunter's 26 points led the Muskies.

Denver, in beating Oakland, moved to within two games of New Orleans, the Western Division pace-setter. A pair of jump shots by Willie Murrell halfway through the third period triggered the Rockets.

Murrell shared scoring laurels with teammate Wayne Hightower, each connecting for 26 points. He hit for 18 points in the first half and was instrumental in the Rockets' surge after the intermission as they built their lead to 23 points.

Ray Redmer All-Events Pin Leader

CINCINNATI (AP) — A Lincoln Park, Mich., man swept into first place in all-events and a 10th-place tie in singles Tuesday, marking the only standings changes in the American Bowling Congress Tourney.

Ray Redmer, 42, posted a nine-game total of 1,911 in all-events, surpassing by 10 pins Bob Hitt of Livonia, Mich., had led the division with since March 6.

Redmer's total included a 678 singles series Tuesday on games of 253, 222 and 203, which deadlocked him with two other participants for 10th.

Redmer, a veteran of five ABC's, shot 624 in the team event Monday and 604 in doubles Tuesday and only missed one spare in the nine games — a No. 10 pin in the final frame of his final game.

Cincinnati Stadium Bonds Selling

CINCINNATI (AP) — Hamilton County commissioners received checks totaling almost $44 million Tuesday from a group that bought revenue bonds being used to finance the city's sports stadium.

The group of bond dealers headed by Merrill, Lynch, Pierce, Fenner and Smith presented two checks to the commissioners for $43,950,782.50. They bought the bonds, which will reach full maturity in the year 2007, at a discount and resold them.

The action came after City Solicitor William McClain announced that Cincinnati attorney Ronald Grossheim would end his fight against the stadium and sale of bonds to finance it.

Ohio State Hangs On To Beat Iowa

By HERSCHEL NISSENSON
Associated Press Sports Writer

Ohio State didn't have any worries for about a week but those last 22 seconds Tuesday night almost gave Coach Fred Taylor enough ulcers to last a lifetime.

The Buckeyes hung on, however, after blowing most of a 12-point lead and won their playoff game from Iowa 85-81, giving them the 23rd and last berth in the NCAA tournament as the Big Ten representative. The teams had finished the regular season tied for the conference lead.

"Ohio State is in a great position. They haven't had any worries for a week," was the way Iowa's Ralph Miller put it before the contest on the neutral Purdue court, the first Big Ten playoff since 1908.

The worrying began in earnest when Iowa charged to within two points with 22 seconds remaining. But State recovered on free throws by Denny Meadors, Bill Hosket and Jody Finney and won the right to meet East Tennessee in the NCAA Mideast regionals Friday night at Lexington, Ky.

Taylor said his team had practiced only three times in the past week while Iowa was wasting a chance to win the title outright. "We just weren't very sharp," he said, blaming the lack of practice.

All five starters scored in double figures, though, with Hosket netting 24 points and Steve Howell 22. Iowa's Sam Williams led all scorers with 29.

That was the only major college game Tuesday night but plenty more are on tap later this week. The National Invitation Tournament gets under way in New York on Thursday and 16 more teams swing into action Friday in the NCAA's four regional pairings.

The eight-team NCAA college division tourney opens today at Evansville, Ind., with Kentucky Wesleyan, the nation's second-ranked small college team, favored. The Panthers, 25-3, play American International, 21-4, in the opening round.

In other games, Cheyney, Pa., State, 22-6, faces Ashland, Ohio, 22-5; Indiana State, 21-7, meets Nevada Southern, 22-6, and Evansville, 20-7, plays Trinity of Texas, 21-6.

Eight games were played Tuesday on the second day of the 32-team NAIA tournament at Kansas City and there were plenty of surprises. Top-seeded Guilford, N.C., lost to Oshkosh, Wis., State 80-78 and second-seeded Stephen F. Austin of Texas was eliminated by Eastern Michigan 82-80.

The other results: Northeastern Oklahoma 89, Athens, Ala. 72; Hanover, Ind. 107, Southern Oregon 59; Central Washington 95, Albuquerque 72; Central, Ohio, State 81, Millikin, Ill. 64; Dickinson, N.D. 76, Washburn, Kan. 71 and Eastern Montana 83, Wayne, Neb. 70.

Braves Hustle Under New Manager

By DICK COUCH
Associated Press Sports Writer

WEST PALM BEACH, Fla. (AP) — First baseman Deron Johnson rushes to the ball park an hour early to practice picking up ground balls. Center fielder Felipe Alou makes a diving catch in an intrasquad game.

The Atlanta Braves are hustling this spring. New Manager Luman Harris won't have it any other way.

The power-packed Braves disappointed a lot of experts last year by staggering home seventh in the National League pennant race. Injuries to key men—Alou, catcher Joe Torre, pitcher Tony Cloninger—played a big part in the collapse. So did a .240 team batting average, slowness of foot and nonchalance in the field.

Harris, who succeeds Billy Hitchcock as manager after piloting the Braves' Richmond farm club to the International League pennant, expects the hitting to take care of itself. Alou and Torre are healthy again; Hank Aaron should be as good as ever; Rico Carty is back on the beam and Johnson's big bat has been added to an already potent line-up.

The 53-year-old Braves' skipper, who also managed briefly at Houston and Baltimore before rejoining his old pal, General Manager Paul Richards, is satisfied with a young pitching staff headed by ERA king Phil Niekro.

Harris can only pray that the Braves stay injury free in 1968. But he already has taken steps to assure that there will be no recurrence of the ho-hum attitudes of 1967.

"I was glad to see Alou dive for that ball, even if it didn't mean anything," he said. "I want to see the infielders diving for balls, too. I want the whole club doing it, starting right here and now."

So far, the Braves appear to be responding to the no-nonsense edict. Johnson, determined to regain his 130 RBI form of 1965, is the hardest worker in camp. Atlanta got the strapping slugger in a trade with Cincinnati, where he was plagued by injuries last season and hit only .224 with 13 homers and 53 RBI.

Another significant trade brought shortstop Sonny Jackson from Houston, adding much-needed speed to the Braves' line-up. Jackson, who also had injury problems in 1967, hit .237 and stole 22 bases for the Astros.

Ex-Yankee Clete Boyer, who had his best year ever at the plate with 26 homers and 96 RBI—and led NL third baseman in fielding—could be the only returnee in the infield. Johnson is set at first base, Jackson at short and Felix Millan, who hit .310 for Richmond, is pressing Woody Woodward, .226 with the Braves, for the second base job.

If any of the regulars falter, Harris can call on Tommy Aaron, Hank's younger brother and the International League MVP, with a .309 average, as well as versatile Marty Martinez, .288 in 21 games with the Braves, and veteran handymen Tito Francona, .244 with Atlanta, and Sandy Valdespino, .165 with Minnesota.

Should Cloninger, a former 24-game winner who sat out more than two months last year with a serious eye ailment, find himself again, Atlanta pitching could go from fair to good in 1968.

Knuckleballer Niekro was the big surprise last season, leading the league with a 1.87 ERA and winning 11 of 20 decisions. Pat Jarvis, 15-10 was the big winner, followed by veteran Ken Johnson, 13-9. Newcomers Ron Reed and Jim Britton, who were 14-10 and 12-7, respectively, for Richmond, also could make it as starters.

Clay Carroll, Claude, Raymond, Dick Kelley, Cecil Upshaw and Dale Roberts are the leading bullpen candidates.

If Cloninger bounces back and Torre, Alou and Carty regain their 1966 hitting touch, Harris' Braves could move back into the contending position they were picked for a year ago.

Substitute Phil Jackson Slashes Baltimore Bullets

By RON RAPOPORT
Associated Press Sports Writer

NEW YORK (AP) — The first weekend Phil Jackson was in New York somebody pulled a knife on him in the subway.

The Baltimore Bullets couldn't have been more surprised Tuesday night if he had pulled one on them. As it was, Jackson about slashed the Bullets National Basketball Association playoff hopes to ribbons.

Through 47 minutes and 20 seconds of the New York Knicks' 107-104 victory, Jackson was just another cog in the machine, thrown into the line-up at odd moments for defensive purposes.

But after the Knicks had fought back from an 11-point deficit with just over five minutes left in the game to a 104-104 tie with 1:34 left, Jackson popped up all over the place.

With 40 seconds left, he threw in a free throw, giving the Knicks a 105-104 lead. On the Baltimore throw-in, Jackson threw himself in front of Baltimore's Kevin Loughery and stole the ball.

Moments later, Jackson took a pass in the corner, dribbled over to the basket and scored his only field goal of the game for the final points of the contest.

In other NBA action, Detroit beat Seattle 139-123, Philadelphia swamped Chicago 139-115 and Boston edged San Francisco 124-121 in overtime. The St. Louis-Chicago game scheduled for Cleveland was postponed when the Hawks were snowed in at home.

The Pistons' victory, their sixth straight, gave them a 1½ game lead over fifth-place Cincinnati and left them in good shape to clinch the final division playoff spot. Eddie Miles led Detroit scorers with 39 points. Tom Kron had 24 for Seattle.

The 76ers exploded for 43 points in the third period in burying the Bulls. Hal Greer had 30 points for Philadelphia while Jim Washington had 29 for Chicago.

Boston missed nine of 15 free throws in overtime but managed to outlast San Francisco as three Warrior players fouled out in the extra period. The Celtics jumped off to a three-point lead in the overtime and never were headed after regulation time ended 111-all.

Free throws by Bailey Howell and John Havlicek in the final 10 seconds settled the issue for Boston.

Howell collected 30 points and Havlicek contributed 28. Jeff Mullins was high for San Francisco with 28.

Committee Will Discuss South Africa

LAUSANNE, Switzerland (AP) — South Africa's controversial readmission to the Olympic Games will be the topic of discussion here April 20-21 at a special meeting of the International Olympic Committee's executive board.

IOC President Avery Brundage called the meeting Tuesday in reaction to pressure from Mexican organizing officials and other sources. But he spurned a demand by five members of the executive board that he call a general meeting of the 73-member IOC.

More than 40 nations withdrew from the Summer Olympics, scheduled for October in Mexico City, following South Africa's readmission last month at the IOC's general convention.

South Africa was barred from the 1964 Games in Tokyo because of its policy of separating whites and blacks.

Readmission came after South African authorities promised to field a racially mixed team at Mexico City.

Miller Farr Interception AFL Leader

NEW YORK (AP) — Miller Farr, whose defensive play was a major part of the reason Houston won the Eastern Division title, shared the 1967 pass interception crown with Tom Janik of Buffalo and Dick Westmoreland of Miami, final American Football League statistics showed today.

Each of the trio intercepted 10 passes, the same number grabbed in 1966 by co-champions Johnny Robinson and Bobby Hunt of Kansas City. The league record is 12.

Farr, however, returned his interceptions more yardage than the other two, averaging 26.4 yards on his total of 264. Janik ran back his catches 222 yards and Westmoreland 127.

Farr turned three of his interceptions into touchdowns, tying the league record. Janik scored twice and Westmoreland once.

Pipers Beaten, Still Clinch East Title Tie

By The Associated Press

Winning would have been nicer but losing wasn't so bad for the Pittsburgh Pipers.

The Pipers dropped a 126-112 decision to the New Jersey Americans Tuesday night but still clinched at least a tie for the American Basketball Association's Eastern Division crown when second-place Minnesota lost to Dallas 122-107.

In other games, Kentucky whipped Houston 130-109 and Denver downed Oakland 112-92.

FRANK JACKSON

F. Jackson Starring For Temple JC

Frank Jackson of Wellsville has starred this past season for Temple (Tex.) Junior College, leading the basketball team to a 30-8 mark, the best record in the school's history.

Jackson, a co-captain, led the team in scoring with a 20-1 average. He played a guard position, despite being 6-5, and pulled down 15 rebounds a game. He also recorded six assists a contest. Jackson's season high was 39 points, scored against Ranger JC, two points short of the school record.

Temple was eliminated in the South Zone finals of the Region 14 National JC tourney, as Jackson fouled out with seven minutes to go. He had 13 points in the game. The team that beat Temple was San Jacinto JC of Pasadena, Texas. Jeff Lake of Midland, who plays for San Jacinto, scored 13 in this contest.

Jackson was named to the all-tournament team in three of the five tournaments the school participated in. He is a sophomore, and hopes to go on to a four-year school next year and continue playing basketball. Schools that have expressed an interest in him include LaSalle, George Washington, Baylor and North Texas State.

Frank is the son of Mr. and Mrs. Frank Jackson Sr. of 342 Lisbon St., Wellsville. He is a cousin of Howard Jackson, who played for the East Liverpool Kent State center this past season. Howard also attended Temple JC. Frank graduated from Wellsville High in 1961 and has spent some time in the service.

Hollenbach, Former Penn Grid Star, Dies

PHILADELPHIA (AP) — William M. "Big Bill" Hollenback, University of Pennsylvania football star and member of the National Football Hall of Fame, died Tuesday at the age of 82.

Hollenback, a fullback was captain of Penn's 1908 team which won every game but one —a 6-6 tie with the Carlisle Indians, headed by Jim Thorpe.

Hollenback became a dentist after graduation but returned to football a few years later as coach at his alma mater. He later coached at Penn State, University of Missouri, Syracuse University and the U.S. Naval Academy at Annapolis.

Julius Boros Defends Title In Citrus Open

By RON SPEER
Associated Press Sports Writer

ORLANDO, Fla. (AP) — Julius Boros calls himself "a depression baby" but the amitious 48-year-old defending champion has his sights set much higher than another victory in the Orlando Citrus Open Golf Tournament.

"I'd like to win the Masters," the easy swinging 1967 Orlando champion said, "and do well in all the major summer tournaments."

Boros, who starts defense of his title Thursday when the 1968 tournament gets under way, said on the eve of the meet that he considers this fight just another battle in the pro tour's golf war.

However, Boros would be happy to pocket the winner's share of the $115,000 the leaders will split Sunday when the 72-hole Orlando tournament comes to a close on the flat but difficult Rio Paina course.

Boros has not been a standout this year. Last week he failed to qualify for the final 36 holes of the Doral Open won by Gardner Dickinson.

"I had the flu and I still have it," Boros said after a casual workout. "But I have never felt better about my chances."

That makes him an optimist because the South African member of golf's Big Three — Gary Player — is starting his 1968 U.S. tour at Orlando again, and sluggers Arnold Palmer and Jack Nicklaus also are in the field.

Ray Willsey Top Choice As Cal AD

BERKELEY, Calif. (AP) — Ray Willsey, who in four years took California's football team from the depths of disparagement to respectability among the nation's best college teams, appeared today to be a logical success to Pete Newell as athletic director.

In a surprise announcement Tuesday, Newell said he has resigned, effective in mid-July, after eight years in that post and six prior years as basketball coach here.

"My job is done and I wish to look in other directions," he told a news conference. His job had been to build California's athletic program from a period of financial and physical crisis, deemphasis and alumni apathy.

He said, "I doubt if my successor has been picked" but called Willsey a logical choice.

Red Rally Nips Astros 8-7 In 9th

TAMPA, Fla. (AP)— Cincinnati scored four unearned runs in the bottom of the ninth inning with two outs to beat Houston 8-7 Tuesday in an exhibition game and just barely beat torrential rains.

Alex Johnson belted a three run double and then scored after a wild pitch and an errant toss to first to help the Reds, now 4-1, win their third straight game of spring training.

With one out, and runners on first and second, Mack Jones hit what appeared to be a cinch double play ball to end the game, but Lee Bales bobbled it to load the bases. After pitcher Carroll Sembera struck out Fred Whitfield, Johnson delivered his base-clearing poke.

Sembera uncorked a wild pitch permitting Johnson to go to third and then Lee May hit a grounder to Ted Martinez who threw wildly to first, letting Johnson score the winning run.

Heavy rains began to pelt the field just as Johnson scored. With storm clouds moving in, May would apparently have been the last batter anyway.

Nonroster player Jim Beauchamp boosted his hitting streak to five games with a ninth-inning single.

Johnson added a single earlier in the gume and drove in another run while Whitfield slammed three hits and knocked in two runs.

FRANK JACKSON

F. Jackson Starring For Temple JC

Frank Jackson of Wellsville has starred this past season for Temple (Tex.) Junior College, leading the basketball team to a 30-8 mark, the best record in the school's history.

Jackson, a co-captain, led the team in scoring with a 20-1 average. He played a guard position, despite being 6-5, and pulled down 15 rebounds a game. He also recorded six assists a contest. Jackson's season high was 39 points, scored against Ranger JC, two points short of the school record.

Temple was eliminated in the South Zone finals of the Region 14 National JC tourney, as Jackson fouled out with seven minutes to go. He had 13 points in the game. The team that beat Temple was San Jacinto JC of Pasadena, Texas. Jeff Lake of Midland, who plays for San Jacinto, scored 13 in this contest.

Jackson was named to the all-tournament team in three of the five tournaments the school participated in. He is a sophomore, and hopes to go on to a four-year school next year and continue playing basketball. Schools that have expressed an interest in him include LaSalle, George Washington, Baylor and North Texas State.

Frank is the son of Mr. and Mrs. Frank Jackson Sr. of 342 Lisbon St., Wellsville. He is a cousin of Howard Jackson, who played for the East Liverpool Kent State center this past season. Howard also attended Temple JC. Frank graduated from Wellsville High in 1961 and has spent some time in the service.

Hollenbach, Former Penn Grid Star, Dies

PHILADELPHIA (AP) — William M. "Big Bill" Hollenback, University of Pennsylvania football star and member of the National Football Hall of Fame, died Tuesday at the age of 82.

Hollenback, a fullback was captain of Penn's 1908 team which won every game but one —a 6-6 tie with the Carlisle Indians, headed by Jim Thorpe.

Hollenback became a dentist after graduation but returned to football a few years later as coach at his alma mater. He later coached at Penn State, University of Missouri, Syracuse University and the U.S. Naval Academy at Annapolis.

The first commercial pretzel bakery in America opened in Lititz, Pa., in 1851, and is still in operation.

Julius Boros Defends Title In Citrus Open

By RON SPEER
Associated Press Sports Writer

ORLANDO, Fla. (AP) — Julius Boros calls himself "a depression baby" but the amitious 48-year-old defending champion has his sights set much higher than another victory in the Orlando Citrus Open Golf Tournament.

"I'd like to win the Masters," the easy swinging 1967 Orlando champion said, "and do well in all the major summer tournaments."

Boros, who starts defense of his title Thursday when the 1968 tournament gets under way, said on the eve of the meet that he considers this fight just another battle in the pro tour's golf war.

However, Boros would be happy to pocket the winner's share of the $115,000 the leaders will split Sunday when the 72-hole Orlando tournament comes to a close on the flat but difficult Rio Paina course.

Boros has not been a standout this year. Last week he failed to qualify for the final 36 holes of the Doral Open won by Gardner Dickinson.

"I had the flu and I still have it," Boros said after a casual workout. "But I have never felt better about my chances."

That makes him an optimist because the South African member of golf's Big Three — Gary Player — is starting his 1968 U.S. tour at Orlando again, and sluggers Arnold Palmer and Jack Nicklaus also are in the field.

Ray Willsey Top Choice As Cal AD

BERKELEY, Calif. (AP) — Ray Willsey, who in four years took California's football team from the depths of disparagement to respectability among the nation's best college teams, appeared today to be a logical success to Pete Newell as athletic director.

In a surprise announcement Tuesday, Newell said he has resigned, effective in mid-July, after eight years in that post and six prior years as basketball coach here.

"My job is done and I wish to look in other directions," he told a news conference. His job had been to build California's athletic program from a period of financial and physical crisis, deemphasis and alumni apathy.

He said, "I doubt if my successor has been picked" but called Willsey a logical choice.

Red Rally Nips Astros 8-7 In 9th

TAMPA, Fla. (AP)— Cincinnati scored four unearned runs in the bottom of the ninth inning with two outs to beat Houston 8-7 Tuesday in an exhibition game and just barely beat torrential rains.

Alex Johnson belted a three run double and then scored after a wild pitch and an errant toss to first to help the Reds, now 4-1, win their third straight game of spring training.

With one out, and runners on first and second, Mack Jones hit what appeared to be a cinch double play ball to end the game, but Lee Bales bobbled it to load the bases. After pitcher Carroll Sembera struck out Fred Whitfield, Johnson delivered his base-clearing poke.

Sembera uncorked a wild pitch permitting Johnson to go to third and then Lee May hit a grounder to Ted Martinez who threw wildly to first, letting Johnson score the winning run.

Heavy rains began to pelt the field just as Johnson scored. With storm clouds moving in, May would apparently have been the last batter anyway.

Nonroster player Jim Beauchamp boosted his hitting streak to five games with a ninth-inning single.

Johnson added a single earlier in the gume and drove in another run while Whitfield slammed three hits and knocked in two runs.

Gabbert's, Wolfe's Tie For 1st Place

The tie for first place in the YMCA Adult Basketball League is down to two teams after last night's action.

Wolfe's whipped Stepien's 94-51 to knock the losers out of a tie for first, while Gabbert's kept pace with Wolfe's with a 56-41 win over Johnson's. Gabbert's and Wolfe's are 6-3 and Stepien's and Cline's, which edged Conkle's 56-53, are 5-4. Johnson's is 4-5, Conkle's 1-8.

Terry Wolfe had 34 to pace his team, while Al Pasco has 21 for Stepien's. Gary Weekley had 24 in a losing effort for Conkle's, with Wayne Cline picking up 22 for his quint. Bill Gabbert and Al Dawson had 13 each for his club, with Ted Robinson notching 12 for Johnson's.

Midland Mavericks Top Bowlers

The Toronto Lions Bowling Tournament finished last weekend with the Midland Mavericks having rolled the high men's team actual score of 2,967 pins.

Winning the six-week tournament, with handicap, was the Five Wonders team of Toronto, with a 3,242 total. They finished just four pins ahead of Ron's Five of Wellsville. Tying for 10th place were TKs of Salineville and Friendly Lanes of East Liverpool.

A total of 389 teams bowled in the affair. Any team bowling over 2,950 finished in the money, and should contact tournament chairman John Doran.

Former Editor Dies

REGINA, Sask. (AP) — William Franklin Kerr, 91, former Saskatchewan minister of natural resources and editor of the old Regina Leader, died Monday night. Kerr was one of the organizers of the Western Associated Press, first news-gathering service of its kind in Canada and forerunner of the Canadian Press.

'Poison Proof' Your House, County Health Head Advises

"Anything that is not edible should be considered unsafe around children."

This was the warning of Dr. M. K. Singer, Columbiana County health commissioner, and Jack Bonner, East Liverpool health director, as they joined in an appeal for caution to reduce deaths from poison.

Ohio had 118 poison deaths last year, "although poison accidents are not difficult to prevent," they said. Poisons, as a rule, are found in the medicine chest, under the sink or on the night stand.

Aspirin leads the list of potential killers, accounting for about 25 per cent of accidental poisonings among children, a survey disclosed.

"Be sure to keep them out of reach and make sure the caps are on tight — a good idea for all non - food items stored in screw cap containers," Dr. Singer and Bonner urged.

Following aspirin on the danger list are bleaches, detergents, furniture polishes and the like. Sink cabinet doors should be locked or the cleaning supplies placed out of reach, they said.

The following steps are suggested to "poison proof" the home:

Keep household products and medicine out of reach and out of sight of children. A locked cabinet is best.

Store medicines separately from household products and keep these items in original containers.

Be certain all products are properly labeled, and read the label before using.

Turn on the light when giving or taking medicine at night.

Avoid taking medicine in the presence of children, since they like to imitate adults.

Refer to medicines by their proper names, never as candy.

Get rid of old, unused medicine; flush it down the drain.

"Should your child become poisoned, call your doctor or a hospital emergency room," the health aides advise.

Ohio has nine poison control centers. The nearest is at St. Elizabeth Hospital in Youngstown.

Council Formed To Promote Better Beaver Mail Service

Improved postal service is the objective of the newly-formed Beaver County Mail Users Council which will hold its first meeting March 21 at 1:30 p.m. at the Penn-Beaver Hotel in Rochester, Angelo Cellini, Midland postmaster, announced.

Represented in addition to Midland will be Aliquippa, Ambridge, Baden, Beaver, Beaver Falls, Freedom, New Brighton and Rochester. Beaver Falls has been designated headquarters city.

Business representatives and other interested individuals are invited to attend the meeting "to learn how they can get the most out of the postage they pay, and how they can get the best possible service," Cellini said.

Postmaster General Lawrence F. O'Brien has called the nationwide Mail Users Council program one of the most effective ways of providing immediate improvement in service. More than 23,000 businessmen and others serve on the councils in more than 350 communities across the nation.

Cellini said, "Sometimes a businessman can get better mail service simply by coming in and talking about transportation dispatch times, use of proper packaging materials and other matters."

The Mail Users Council program endeavors to achieve better postal service through several cooperative programs.

Among these are cycled mailing, "in which business avoid the peak mailing time near the first of the month, thus averting pileups in local post offices, and early warning, where mailers alert the post office to impending large volume shipments, allowing the postmaster to schedule adequate manpower and take other precautions to make certain the shipment is handled efficiently."

Henderson To Help Promote Five Issues

Midland School Supt. Charles P. Henderson, who was a delegate to the Pennsylvania Constitutional Convention, received word Tuesday he has been appointed to a 16-man state committee to promote the adoption of five questions which will appear on the April 23 primary ballot.

The five issues were set up by ConCon.

Henderson was notified of his appointment in a telegram from Gov. Raymond P. Shafer.

The questions deal with legislative apportionment, state finances, taxation, local government and judiciary matters.

Finley May Buy Oakland Hockey Club

OAKLAND (AP) — A report that the financially pressed Oakland Seals may be moved to Canada brought an offer Tuesday from Charles O. Finley, owner of the Oakland Athletics' baseball team to purchase the National Hockey League club.

Labatt Breweries of Vancouver, B.C., acknowledged Tuesday it has been talking with Seals' owners, but says the outcome is still undetermined.

A statement by the company indicated a news conference would be held this week to release details.

Gabbert's, Wolfe's Tie For 1st Place

The tie for first place in the YMCA Adult Basketball League is down to two teams after last night's action.

Wolfe's whipped Stepien's 94-51 to knock the losers out of a tie for first, while Gabbert's kept pace with Wolfe's with a 58-41 win over Johnson's. Gabbert's and Wolfe's are 6-3 and Stepien's and Cline's, which edged Conkle's 56-53, are 5-4. Johnson's is 4-5, Conkle's 1-8.

Terry Wolfe had 34 to pace his team, while Al Pasco has 21 for Stepien's. Gary Weekley had 24 in a losing effort for Conkle's, with Wayne Cline picking up 22 for his quint. Bill Gabbert and Al Dawson had 13 each for his club, with Ted Robinson notching 12 for Johnson's.

Midland Mavericks Top Bowlers

The Toronto Lions Bowling Tournament finished last weekend with the Midland Mavericks having rolled the high men's team actual score of 2,967 pins.

Winning the six-week tournament, with handicap, was the Five Wonders team of Toronto, with a 3,242 total. They finished just four pins ahead of Ron's Five of Wellsville. Tying for 10th place were TKs of Salineville and Friendly Lanes of East Liverpool.

A total of 389 teams bowled in the affair. Any team bowling over 2,950 finished in the money, and should contact tournament chairman John Doran.

Former Editor Dies

REGINA, Sask. (AP) — William Franklin Kerr, 91, former Saskatchewan minister of natural resources and editor of the old Regina Leader, died Monday night. Kerr was one of the organizers of the Western Associated Press, first news-gathering service of its kind in Canada and forerunner of the Canadian Press.

Kitchen thrift: try out beef suet and use for cooking swiss steak, hamburgers, hashed brown potatoes and other foods.

'Poison Proof' Your House, County Health Head Advises

"Anything that is not edible should be considered unsafe around children."

This was the warning of Dr. M. K. Singer, Columbiana County health commissioner, and Jack Bonner, East Liverpool health director, as they joined in an appeal for caution to reduce deaths from poison.

Ohio had 118 poison deaths last year, "although poison accidents are not difficult to prevent," they said. Poisons, as a rule, are found in the medicine chest, under the sink or on the night stand.

Aspirin leads the list of potential killers, accounting for about 25 per cent of accidental piosonings among children, a survey disclosed.

"Be sure to keep them out of reach and make sure the caps are on tight — a good idea for all non - food items stored in screw cap containers," Dr. Singer and Bonner urged.

Following aspirin on the danger list are bleaches, detergents, furniture polishes and the like. Sink cabinet doors should be locked or the cleaning supplies placed out of reach, they said.

The following steps are suggested to "poison proof" the home:

Keep household products and medicine out of reach and out of sight of children. A locked cabinet is best.

Store medicines separately from household products and keep these items in original containers.

Be certain all products are properly labeled, and read the label before using.

Turn on the light when giving or taking medicine at night.

Avoid taking medicine in the presence of children, since they like to imitate adults.

Refer to medicines by their proper names, never as candy.

Get rid of old, unused medicine; flush it down the drain.

"Should your child become poisoned, call your doctor or a hospital emergency room," the health aides advise.

Ohio has nine poison control centers. The nearest is at St. Elizabeth Hospital in Youngstown.

Council Formed To Promote Better Beaver Mail Service

Improved postal service is the objective of the newly-formed Beaver County Mail Users Council which will hold its first meeting March 21 at 1:30 p.m. at the Penn-Beaver Hotel in Rochester, Angelo Cellini, Midland postmaster, announced.

Represented in addition to Midland will be Aliquippa, Ambridge, Baden, Beaver, Beaver Falls, Freedom, New Brighton and Rochester. Beaver Falls has been designated headquarters city.

Business representatives and other interested individuals are invited to attend the meeting "to learn how they can get the most out of the postage they pay, and how they can get the best possible service," Cellini said.

Postmaster General Lawrence F. O'Brien has called the nationwide Mail Users Council program one of the most effective ways of providing immediate improvement in service. More than 23,000 businessmen and others serve on the councils in more than 350 communities across the nation.

Cellini said, "Sometimes a businessman can get better mail service simply by coming in and talking about transportation dispatch times, use of proper packaging materials and other matters."

The Mail Users Council program endeavors to achieve better postal service through several cooperative programs.

Among these are cycled mailing, "in which business avoid the peak mailing time near the first of the month, thus averting pileups in local post offices, and early warning, where mailers alert the post office to impending large volume shipments, allowing the postmaster to schedule adequate manpower and take other precautions to make certain the shipment is handled efficiently."

Henderson To Help Promote Five Issues

Midland School Supt. Charles P. Henderson, who was a delegate to the Pennsylvania Constitutional Convention, received word Tuesday he has been appointed to a 16-man state committee to promote the adoption of five questions which will appear on the April 23 primary ballot.

The five issues were set up by ConCon.

Henderson was notified of his appointment in a telegram from Gov. Raymond P. Shafer.

The questions deal with legislative apportionment, state finances, taxation, local government and judiciary matters.

Finley May Buy Oakland Hockey Club

OAKLAND (AP) — A report that the financially pressed Oakland Seals may be moved to Canada brought an offer Tuesday from Charles O. Finley, owner of the Oakland Athletics' baseball team to purchase the National Hockey League club.

Labatt Breweries of Vancouver, B.C., acknowledged Tuesday it has been talking with Seals' owners, but says the outcome is still undetermined.

A statement by the company indicated a news conference would be held this week to release details.

Chamber Board Given Briefing On Master Plan

"You must sell the community on the total package of improvements."

This was the advice of Gene Garrison relative to master planning when he addressed the board of trustees of the East Liverpool Area Chamber of Commerce Tuesday night at the Travelers Hotel.

Garrison, a U. S. Chamber official, said it is necessary to involve the public, get residents to enumerate problems and opportunities and to bring together various civic groups for a common effort to implement a plan such as that under way here.

—:—

GARRISON is a district manager of the U. S. Chamber. A graduate of the University of Oklahoma, he spent nine years as head of a local chamber before assuming his present duties.

He emphasized that problems on which all groups agree must be isolated and then action taken to rectify them.

Garrison called public involvement a "necessity" if the master plan is to succeed here. At the same time, he said the Chamber should not repeat research already completed by the planning commission, but rather should seek to assist the commission in the fulfillment of the plan.

"You must sell the community on the total package of community improvements," Garrison declared.

J. Norman Nicely explained a coordinators is needed to obtain federal funds and added that City Council agrees on the need.

"We must be enthusiastic about it," declared Lee Lawrence.

"Let them (the people) participate now," Garrison echoed.

—:—

GARRISON was the principal speaker at the meeting, where nine committee reports were given. They follow:

Civic affairs — Art Doak, chairman, said the committee met last week with Safety-Service Director Robert E. Vodrey and set a date for the spring cleanup, which will be announced shortly. A litter campaign may be undertaken with the cooperation of high school groups. Realtors also will be contacted. City Council's franchise committee will be asked to look into the possibility of having city buses painted.

Highways — Chairman Francis Lang reported three phases of Route 11, the Lake Erie-Ohio River Freeway, are under way. The final segment will bring the road to within two miles of the county's boundaries, but the next four - mile project is being held up because of a controversy with the county commissioners over section of road.

Lang reported nothing new on the condition of the Chester bridge, declaring the Ohio Department of Highways still is awaiting an engineer's report before final action is taken. Lang said Ohio authorities have indicated they are willing to participate in a program to construct a new bridge across the river here, but feel West Virginia officials should initiate the action. Meantime, Ohio and Pennsylvania authorities on a high - level are meeting to determine if the freeway can be extended east into Pennsylvania.

—:—

CONCERNING the bridge, Lang said he sees Ohio law as making it illegal for the state to build anything beyond its boundaries, including a bridge which extends beyond the low-water mark in the river, without a special act of the legislature.

North Hancock County Development Council — Atty. James Jordan of Chester, representing the group along with its president, Charles Taylor, reported steadily - increasing industrial buildups in the area. Jordan said he and Taylor will meet Friday with the West Virginia Road Commission at Charleston to discuss the bridge situation and roads in Hancock county, especially in the northern sector.

Community Improvement Corp. — Robert Boyce also reported on industry in the area. He said the Air Reduction Co. is in the process of shipping oxygen to the Jones and Laughlis Steel Corp. at Aliquippa and that "the potteries are busy."

He reported progress on the new Social Security building and said the outlook is good for Custom Chemicals, located in Hancock County.

Education — Lawrence said preparations are under way for the annual "Top 10" banquet. The top 10 per cent of the graduating classes of five area high schools will be feted. The first committee meeting to plan for this year's event will be held soon, he added. The committee also sponsors a get-together for new teachers in the fall each year.

Business Relations — Richard Emmerling said his committee is preparing for "Chamber of Commerce Week" and will, with the help of area financial institutions, sponsor a double-page ad listing the names of current members of the Chamber in the hope of attracting new members to the group.

He said Fred Palmer, a sales analyst who will speak to merchants one day during the week, also will appear at an assembly in the high school and tell students "How to Sell Yourself."

Pottery Festival — H. Jud English reported five meetings have been held to date, and another is scheduled soon to include civic groups and other community organizations. The festival tentatively is set for June 20 and will run three days.

—:—

ENGLISH said his committee so far has received "enthusiastic verbal support" and added he believes the festival definitely will be a community and area asset.

Jaycees — Richard Darrah, speaking on behalf of President Frank Moss, told members this year's Home Show is set for April 24-27 in the former car barn in the East End.

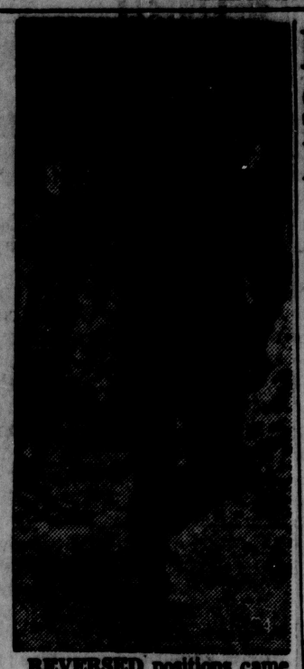

Darrah said booths are available for merchants wishing to sponsor displays.

The Miss Columbiana County Pageant will be held May 4 and the post - prom party for high school juniors and seniors May 17.

Leadership Conference — Don Eckert reported on the conference held March 4 which he attended along with Executive Manager E. R. (Pete) Chandler and Emmerling. He termed the program "very fruitful."

Chandler reported plans are progressing for "Chamber of Commerce Week" March 24-30. A membership drive is planned and all chamber members will be recognized during the period, he said. The membership committee will meet next Monday at 12:20 p. m. to discuss the project.

Sidney C. Porter, first vice president, conducted the meeting.

REVERSED positions came when Belgium's Albert Van Damme hit soggy terrain during an international cross-country cycling race in Switzerland. He went on to win the race.

Deans' Posts Are Set Up By Edison Board

HAMMONDSVILLE — The positions of dean of boys and dean of girls were established by the Edison Board of Education Monday night.

No appointments have been made as yet, however, according to Supt. C. P. Henderson.

The board accepted the resignations of Donald Fleniken, Carol Talamine and Phyllis Stanley as teachers.

Approval was given for a summer swimming program at the high school for students of the school district. It will begin in mid - June and be held daily for about 10 weeks.

It was announced the Indian Track League will hold weekly meets at Hammondsville.

The age for beginners in school was established. All children entering first grade must be 6 on or before Sept. 30 of the year they start to school and kindergarten students must be 5. The ruling was adopted in accordance with a new state law, board members pointed out.

Football coaches were granted permission to attend a clinic May 3-4 at Ohio State University.

The next board meeting will be April 8.

Bond Issue Reviewed For Group At Elkton

ELKTON — The $485,000 bond issue for the Beaver-Local School District which will be on the ballot in the May 7 primary, was reviewed by school board members during a panel discussion at the Elkton Parent-Teacher Association meeting Monday.

Blacktopping of the playground and driveway at the Elkton school will be included in the improvement program if the issue is approved.

Robert Chamberlain presided at Monday's meeting.

Motorist Charged

LISBON — Local police charged Charles Homan of 126 N. Market St. with speeding Tuesday night. They said he told them he will forfeit a $15 appearance bond.

Dollars Drive Set March 31 For Midland

The Midland Education Association will conduct the annual campaign for Dollars for Scholars in Midland, Reynold Peduzzi and Mrs. John F. Shovlin III, trustees, have announced.

The drive will begin March 31 with a house-to-house solicitation. All organizations, businesses and other groups will be contacted during the following week.

Division chairmen named are Joseph Coons of WOHI, Industry; Charles P. Henderson, Midland school superintendent, professional; Raymond Stowitzky and Gary Kaukonen, door-to-door; Mrs. Robert Needs, Mrs. Robert Stillwagon and Mrs. Shovlin, organizations, and Edward Olkowski, Joseph Hamilton, Thomas Hansen, Victor Martinetti and Peduzzi, business solicitations.

The trustees reported that six Midland students received scholarships in 1967 amounting to $2,625, averaging $438 per student.

Man Wields Cleaver, Surrenders To Police

Patrolmen Orin C. Smith and Jack Strobel were dispatched to an East End home Tuesday night at 9 after police were advised a man there was armed with a meat cleaver and it was feared he might injure himself or someone else.

Joseph Ferrebee, 30, of 1071 Elmtree St. surrendered the cleaver readily to the officers and accompanied them to headquarters after saying he "needed help," police said. He was taken to Woodside Receiving Hospital at Youngstown after saying he wished to sign himself in for treatment, officers reported.

Cleveland State Has New Ceremonies Site

CLEVELAND (AP)— Cleveland State University has found a new site for its degree conferring ceremonies Thursday.

The ceremonies will be held at the Mid-day Club instead of the Union Club.

The decision to change sites was made after the NAACP complained to the university about the Union Club's practice of "racial and religious discrimination" in its membership.

Seeks Probation

LISBON — Carol Biser, 24, of Peace Valley Rd., Negley, pleaded guilty to three forgery indictments Tuesday in Common Pleas Court and asked for probation. Judge Raymond S. Buzzard ordered a pre-sentence investigation and report.

Congregation Sets Work On New Edifice

At a congregational and corporation meeting Monday night, members of the Mill Creek U. P. Church of Hookstown voted to procede with construction of the first unit of a new edifice on property purchased adjacent to South Side High School on Route 151.

Preliminary plans drawn by Ray Shaw of Weirton, architect, have set the cost of the new education unit at $108,000. The congregation has more than half this amount on hand in a building fund, a spokesman said.

The congregation approved a fund-raising campaign during the next three years to pay the balance. The drive is scheduled to begin in the fall.

The educational unit will be phase one of a larger building program.

The business meeting was conducted by Harvey Johnson of Freedom, moderator appointed by the presbytery while the church is without a minister.

William Thompson is chairman of the planning committee, with William McGaffick, chairman of the building committee, and Roy Snyder of the finance committee.

Varied Program Given For PTA At Beaver Local

Standish Miller, supervisor of the Beaver Local elementary schools, discussed a reading program and "Dollars for Scholars" during a meeting of the parent - teacher association Monday night. James Fryman, president, said a donation will be made to the foundation.

Projects pertaining to the playground, basketball, backstops and a bakeless bake sale were completed.

Mrs. Beatrice Rupp reported for the nominating committee, with the election to be held at the next meeting April 8 at 7:30 p.m.

An attendance banner was received by the third grade taught by Mrs. Lucille Snyder.

The program was presented by the West Point School choir under the direction of Miss Sharon Bell.

Refreshments were served by Harold Hardy's fourth grade homeroom mothers.

2 Men Are Charged In Separate Slayings

CINCINNATI (AP) — Two Cincinnati men were charged Tuesday with first-degree manslaughter in two separate slayings that occurred here Monday.

Amos Howard, 40, was charged in the shooting death of Sir Shelby Jones of Cincinnati. Graidson Embry, 36, was arrested on the charge in the fatal beating of Jane Friend, 40.

Police said Howard, a bartender, fatally wounded Jones, 48, climaxing an incident at a tavern where Howard worked.

In the other incident, the body of the Friend woman was found badly bruised in her apartment here.

Georgetown Council Approves 1967 Audit

GEORGETOWN — The 1967 audit was approved when Georgetown Council met Monday night. Curtis Finley presided.

Borough auditors are Mrs. Frances Finley, Mrs. Frances Trimble and Mrs. Mary Lou Adney. Bills totaling $100 were paid and street work was discussed.

The next meeting will be April 1 at 7 p.m.

Congregation Sets Work On New Edifice

At a congregational and corporation meeting Monday night, members of the Mill Creek U. P. Church of Hookstown voted to procede with construction of the first unit of a new edifice on property purchased adjacent to South Side High School on Route 151.

Preliminary plans drawn by Ray Shaw of Weirton, architect, have set the cost of the new education unit at $108,000. The congregation has more than half this amount on hand in a building fund, a spokesman said.

The congregation approved a fund-raising campaign during the next three years to pay the balance. The drive is scheduled to begin in the fall.

The educational unit will be phase one of a larger building program.

The business meeting was conducted by Harvey Johnson of Freedom, moderator appointed by the presbytery while the church is without a minister.

William Thompson is chairman of the planning committee, with William McGaffick, chairman of the building committee, and Roy Snyder of the finance committee.

Varied Program Given For PTA At Beaver Local

Standish Miller, supervisor of the Beaver Local elementary schools, discussed a reading program and "Dollars for Scholars" during a meeting of the parent - teacher association Monday night. James Fryman, president, said a donation will be made to the foundation.

Projects pertaining to the playground, basketball, backstops and a bakeless bake sale were completed.

Mrs. Beatrice Rupp reported for the nominating committee, with the election to be held at the next meeting April 8 at 7:30 p.m.

An attendance banner was received by the third grade taught by Mrs. Lucille Snyder.

The program was presented by the West Point School choir under the direction of Miss Sharon Bell.

Refreshments were served by Harold Hardy's fourth grade homeroom mothers.

2 Men Are Charged In Separate Slayings

CINCINNATI (AP) — Two Cincinnati men were charged Tuesday with first-degree manslaughter in two separate slayings that occurred here Monday.

Amos Howard, 40, was charged in the shooting death of Sir Shelby Jones of Cincinnati. Graidson Embry, 36, was arrested on the charge in the fatal beating of Jane Friend, 40.

Police said Howard, a bartender, fatally wounded Jones, 48, climaxing an incident at a tavern where Howard worked.

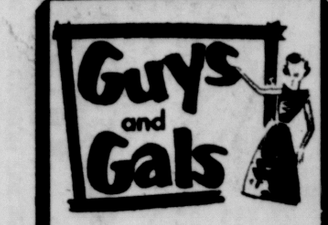

In the other incident, the body of the Friend woman was found badly bruised in her apartment here.

Georgetown Council Approves 1967 Audit

GEORGETOWN — The 1967 audit was approved when Georgetown Council met Monday night. Curtis Finley presided.

Borough auditors are Mrs. Frances Finley, Mrs. Frances Trimble and Mrs. Mary Lou Adney. Bills totaling $100 were paid and street work was discussed.

The next meeting will be April 1 at 7 p.m.

ANSWERS YOUR PROBLEMS

Dear Ann Landers: So much is being said and written these days about senior citizens, but a lot of it is slanted toward what can be done to help them. Too little is being written about what they can do to help themselves.

Since I'm a member of that age group, and realize we need to be reminded about certain things from time to time, I'm asking you to print the enclosed "Prayer for Older Folks."

It contains a great deal that is valuable. I ran across it several weeks ago and am sorry I do not know the name of the author:

"Lord, Thou knowest that I am growing older.

"Keep me from becoming too talkative, and particularly keep me from falling into the tiresome habit of expressing an opinion on every subject.

"Release me from the craving to straighten out everybody's affairs.

"Keep my mind free from the recital of endless details. Give me wings to get to the points.

"Give me grace, dear Lord, to listen to others describe their aches and pains. Help me to endure the boredom with patience and to keep my lips sealed. For my own aches and pains are increasing in number and intensity and the pleasure of discussing them is becoming sweeter as the years go by.

"Teach me the glorious lesson that, occasionally, I might be mistaken.

"Keep me reasonably sweet; I do not wish to be a saint (saints are so hard to live with) but a sour old woman is the crowning work of the devil.

"Make me thoughtful, but not moody; helpful, but not pushy; independent, yet able to accept with graciousness favors that others wish to bestow on me.

"Free me of the notion that simply because I have lived a long time I'm wiser than those who have not lived so long.

"If I do not approve of some of the changes that have taken place in recent years, give me the wisdom to keep my mouth shut.

"Lord knows that when the end comes I would like to have a friend or two left." — SENIOR C.

Dear Senior: Thanks for a beautiful prayer. There is something of value in it for any age.

Be Forgiving

Dear Ann: You are probably fed up on letters of this type, but will you print just one more clobber for wives who can't seem to forgive and forget?

What has the cheated wife lost besides 15 minutes — or 24 hours of his time? Most men, especially chasers, don't equate sex with love. Their marriage and children and home life will be affected only if the wife maintains a punitive or hurt attitude.

My husband is an alcoholic who has been dry for six years. The first 11 years of marriage were a nightmare. It wasn't easy to forget the lost weekends, the police calls, the creditors and the damage to our children.

But I was able to understand, thank God, that he did what he was driven to do at the time. Besides, I wore no halo either. So get off your pedestal and welcome him home, woman, before you find yourself with real problems to forget. — ILLINI.

Dear Illini: well said. Thank you.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Redheads Better Natured Than Brunettes

Jumping To Conclusions

By HAL BOYLE

NEW YORK (AP) — Jumping to conclusions:

Red-haired girls have been maligned. They are actually sweeter natured than most brunettes. The most temperamental and demanding of all girls are those with jet black hair and jet black eyes.

Air traffic has reduced the Atlantic Ocean to a puddle hop. Europe is now only half a pack of cigarettes away. But the inevitable passing of the great ocean liners will leave a void in the romance of travel. There is no thrill on earth quite like taking a long voyage by ship, no greater feeling of getting away from it all. And when you reach your destination you don't arrive with your ears clogged.

Wives are supposed to be possessive, but few wives are as set in their ways as a bachelor over 40. Any woman who marries one ought to carry boxing gloves to the altar. Even their own mothers have trouble putting up with middle-aged bachelors.

Plastic has become one of mankind's most useful materials, but now and then don't you get bored with the filmy stuff? Just for a change, it would be nice if science would come up with something that couldn't be made of plastic, kept fresh in plastic, or wrapped in plastic.

A member of the younger generation is one who has never seen what a clothes moth looks like.

To me any diet has its virtues that doesn't contain buttermilk. I never met a man who enjoyed drinking buttermilk who didn't also show signs of having other character defects.

Girls who take up palm reading as a hobby usually are pretty desperate to get married.

One of the big mysteries of life is how all those homely guys in leather jackets who buy motorcycles always seem able to find a pretty gal to ride behind them on the buddy seat.

You'll be financially better off in your old age if you make it a practice now never to lend money to a guy who habitually carries more than four credit cards in his wallet.

People who always send postcards instead of writing letters aren't thrifty. They're more likely to be lazy.

Baseball isn't America's biggest national pastime. Passing the buck is.

In the Orient meditation helps reconcile a man to the vagaries of age. In this country golf does.

You can always tell when a teen-age boy or girl is really sick or just shamming. If they don't feel up to talking on the telephone, it's time to call the doctor.

Few fellows who keep overshoes in the lower bottom drawer of their office desks all summer ever become head of the firm.

The biggest advantage of a vest is that it gives a fat man a place to put his cigar ashes.

One of the first signs of middle age is that you never buy anything without first complaining about the price.

All children go through a period of life when they are secretly a bit ashamed of their parents. And when they finally do get around to telling you how much they appreciate you, they're generally just buttering you up so you'll act as a free baby sitter for them.

A man who has been poor all his life never feels quite as poverty stricken as a guy who has been living it up on a lush expense account that is suddenly taken away from him.

It's an ill March wind that blows a clinker in a fellow's eye just as a pretty girl in miniskirts passes.

Blast Damages Automobile Of Ex-Union Leader

CLEVELAND (AP)— An explosion damaged the automobile of former longshoremen's union leader Daniel J. Greene early today on the East Side.

Greene, who was driving the car when it was ripped by the explosion at Superior Avenue and East 115th Street, escaped with head and leg cuts. He was treated at Mount Sinai Hospital and released.

Detectives said the explosive, believed to be dynamite, was tossed into Greene's car from another auto that pulled alongside.

Greene told police he had noticed the car following him for several blocks.

The other car pulled even and Greene rolled down his window because he thought the other driver wanted to ask directions.

Instead, the explosive was tossed into his car, he said.

The blast blew Greene from the convertible and blew off his overcoat. The doors and top of the car were blown off.

Greene told detectives he could not describe the other car. He said the blast had left him dizzy.

Greene was president of Longshoremen's Local 1317. He was convicted in 1966 of embezzling more than $11,000 of the union's funds and making false records and statements and falsifying union records.

He is appealing the conviction.

$1,962 Offer Seen Lowest On Structure

The Umbaugh Pole Building Co., Inc., of Ravenna filed the apparent low bid of $1,962.10 Tuesday afternoon with Mayor George E. Willshaw and Safety-Service Director Robert E. Vodrey for construction of a 24-x-32-foot garage on the city's new landfill refuse disposal site in Madison Township.

The Umbaugh bid, along with two others, was taken under advisement by the mayor and director, who comprise the Board of Control.

James W. Boyd of St. Clair Ave. Ext., a county commissioner and a timber operator, bid $4,288 on a 24-x-32-foot building and $4,756 on a 24x36-foot structure.

J. G. Madden & Sons of East Palestine offered a 24-x-32-foot building at $3,440.

The city's specifications called for construction of only the basic building — a wooden frame with a steel roof and siding. It also will include a 16-x-12-foot equipment door and a "man-size" door. The bids do not cover installation of a floor, wiring, plumbing, heating and painting.

The building will be utilized primarily for garaging the bulldozer used to cover refuse daily, along with other equipment. It will include a small office space for Incinerator Supt. John Melvin.

Council appropriated $6,000 late in 1967 to cover the structure's cost. The city will abandon its present landfill site in Blooomfield, now filled to capacity, and shift its garbage and refuse disposal to the new tract along the Y. & O. Rd. The new site is a former farm which was strip-mined for coal.

Blast Damages Automobile Of Ex-Union Leader

CLEVELAND (AP)— An explosion damaged the automobile of former longshoremen's union leader Daniel J. Greene early today on the East Side.

Greene, who was driving the car when it was ripped by the explosion at Superior Avenue and East 115th Street, escaped with head and leg cuts. He was treated at Mount Sinai Hospital and released.

Detectives said the explosive, believed to be dynamite, was tossed into Greene's car from another auto that pulled alongside.

Greene told police he had noticed the car following him for several blocks.

The other car pulled even and Greene rolled down his window because he thought the other driver wanted to ask directions.

Instead, the explosive was tossed into his car, he said.

The blast blew Greene from the convertible and blew off his overcoat. The doors and top of the car were blown off.

Greene told detectives he could not describe the other car. He said the blast had left him dizzy.

Greene was president of Longshoremen's Local 1317. He was convicted in 1966 of embezzling more than $11,000 of the union's funds and making false records and statements and falsifying union records.

He is appealing the conviction.

$1,962 Offer Seen Lowest On Structure

The Umbaugh Pole Building Co., Inc., of Ravenna filed the apparent low bid of $1,962.10 Tuesday afternoon with Mayor George E. Willshaw and Safety-Service Director Robert E. Vodrey for construction of a 24-x-32-foot garage on the city's new landfill refuse disposal site in Madison Township.

The Umbaugh bid, along with two others, was taken under advisement by the mayor and director, who comprise the Board of Control.

James W. Boyd of St. Clair Ave. Ext., a county commissioner and a timber operator, bid $4,268 on a 24-x-32-foot building and $4,756 on a 24x36-foot structure.

J. G. Madden & Sons of East Palestine offered a 24-x-32-foot building at $3,440.

The city's specifications called for construction of only the basic building — a wooden frame with a steel roof and siding. It also will include a 16-x-12-foot equipment door and a "man-size" door. The bids do not cover installation of a floor, wiring, plumbing, heating and painting.

The building will be utilized primarily for garaging the bulldozer used to cover refuse daily, along with other equipment. It will include a small office space for Incinerator Supt. John Melvin.

Council appropriated $6,000 late in 1967 to cover the structure's cost. The city will abandon its present landfill site in Blooomfield, now filled to capacity, and shift its garbage and refuse disposal to the new tract along the Y. & O. Rd. The new site is a former farm which was strip-mined for coal.

Out Of The Air

By HAL HUMPHREY

Following Steinbeck's Footsteps

Retracing John Steinbeck's route in his book, "Travels With Charley," for a TV special (to be aired Sunday on NBC—10 p.m., proved quite an adventure for Walt DeFaria, coproducer of this film.

Hal Humphrey

Walt is not particularly the outdoor type. His idea of a vacation is ensconcing himself in a posh resort hotel, not traveling around the country in a camper with a poodle named Charley, which is what Steinbeck did in 1960, and then wrote a best-selling book about.

-:-

WALT AND HIS cameraman-producer, Sheldon Fay Jr., ordered a custom-built camper from the same company where Steinbeck bought his, named it Rocinance (after Don Quixote's horse) as Steinbeck did, then rented a poodle like Steinbeck's Charley for $1,000 and started out.

"We went to Yellowstone Park first, instead of beginning in Sag Harbor, L. I., where Steinbeck did, because we had to have shots of bears bothering Charley and we were told in a few weeks the bears would be hibernating," reports Walt.

After Yellowstone, Walt and Sheldon made one 30-day trip, zigzagging across the northern half of the United States, then made four other trips of two weeks each. The only part of Steinbeck's hegira they didn't cover was the South.

-:-

"WE DIDN'T want to put a time tag on the trip, and when Steinbeck reached New Orleans in 1960, it was during the civil rights school integration trouble there with those white women who spat at the Negro kids going to school. We weren't censoring anything here, but we didn't want to include incidents which dated what we were doing," explains Walt.

Wherever they could, though, Walt and Sheldon tried to recreate the people Steinbeck met and talked with on his journey "in search of America."

French-Canadians coming over to Presque Isle, Maine, to pick potatoes, the Canadian customs man, the actor in North Dakota — all of these were characters that Walt either found real people for, or hired little-known actors to portray.

-:-

THE FRENCH-CANADIAN potato pickers balked at having their pictures taken at first, but in North Dakota Walt actually found an actor who hadn't made it, just as Steinbeck had on his trip.

To add to the reality, viewers will see a leg or an arm of Walt's while he's driving the camper and hear Henry Fonda's voice as that of Steinbeck relating his thoughts and conversations, taken from the Steinbeck book.

There also are six animated cartoon sequences, one of which re-creates a nightmare of Charley's about being chased by a bear.

-:-

STEINBECK'S original journey took four months and 10,000 miles. Walt and Sheldon took nearly that long and as many miles and wound up with four hours of film to cut down to an hour. They're associated with Lee Mendelson Film Productions, which also did Steinbeck's "America and the Americans" on NBC last December.

Author Steinbeck was so pleased with that TV effort that he was happy to sell the rights of "Travels with Charley" to Mendelson.

Ninety-nine per cent of the film seen in "Travels With Charley"' was all shot for this special. The University of Montana provided Walt and Sheldon with some spring and summer footage which they could not get in October and November, when they visited Montana.

-:-

WALT AND SHELDON never slept in their camper, but now Walt has become so sold on this mode of travel and living that he's planning to take his wife and three kids, 11, 10 and 8, on a vacation a la Steinbeck. He'll probably have to buy or rent a poodle, too, because his kids fell in love with Charley II.

Incidentally, the favorite bar Steinbeck visited on his trip to Monterey had been torn down. The one you see in the TV film is the Casa Madrid in San Francisco — in case you take the trip, too.

Ex-Stage Star Dies

MIAMI BEACH, Fla. (AP) — Gus Van, 80, retired vaudevillian who had starred in five editions of the Ziegfeld Follies on Broadway, died Tuesday. Van, born August Van Glone, gained fame as a member of the singing team of Van and Schenck. His partner, Joe Schenck, died in 1930.

Killed In Vietnam

WASHINGTON (AP) — A Youngstown, Ohio, youth, Marine Pfc. John A. Fischio, has been killed in action in Vietnam, the Defense Department said Tuesday. Army Spec. 4 Jimmy F. Lehman of South Bloomingville, Ohio, was listed as missing.

Camp Fire Girl News

Officers were elected during a meeting of the Camp Fire Girls Blue Bird Troop 17 Monday at the Calcutta school.

Named were Nancy Osborn, president, Lisa Johnson secretary, and Ann Duffy, treasurer.

Members finished octopus dolls started at the previous meeting, then prepared invitations to be sent to parents for the Founders Day observance Sunday.

The next meeting will be Monday at the school.

Charged With Murder

COLUMBUS, Ohio (AP)—An argument over payment of bills led to the shooitng death Tuesday night of Victa Fabiny, 43, police said. Her brother-in-law, Charles Smorado, 51, was charged with second-degree murder.

Western Beaver Students To Join In 'Battle Of Wits'

A panel of students from Western Beaver High School in Industry will compete against students from Hampton Township High School during the "Battle of Wits" Sunday at 1:30 p. m. on WIIC, Channel 11, Pittsburgh.

The questions concern current news events.

Highest - scoring panels will compete later for a trip to Washington.

The Western Beaver students are Ronald Carroll, captain, son of Mr. and Mrs. Vincent Carroll of 1106 Avondale Dr.; Joseph Hornick, son of Mr. and Mrs. Joseph Hornick of 1229 Avondale Dr., and Shelley Paul, daughter of Mr. and Mrs. Homer Paul of 1630 Midland-Beaver Rd., all in Industry.

Trinidad lies only seven miles from the South American coast.

Gilligan Will Address Youngstown Teachers

COLUMBUS, Ohio (AP) — John J. Gilligan will speak before the Ohio Federation of Teachers in Youngstown Thursday night in what his headquarters calls the first major address in his campaign for the Democratic nomination for U.S. senator.

Gilligan, the Cincinnati councilman facing incumbent Sen. Frank J. Lausche in the primary, also is scheduled to campaign in Mansfield and Warren Thursday.

Out Of The Air

By HAL HUMPHREY

Following Steinbeck's Footsteps

Retracing John Steinbeck's route in his book, "Travels With Charley," for a TV special (to be aired Sunday on NBC—10 p.m., proved quite an adventure for Walt DeFaria, coproducer of this film.

Hal Humphrey

Walt is not particularly the outdoor type. His idea of a vacation is ensconcing himself in a posh resort hotel, not traveling around the country in a camper with a poodle named Charley, which is what Steinbeck did in 1960, and then wrote a best-selling book about.

-:-

WALT AND HIS cameraman-producer, Sheldon Fay Jr., ordered a custom-built camper from the same company where Steinbeck bought his, named it Rocinance (after Don Quixote's horse) as Steinbeck did, then rented a poodle like Steinbeck's Charley for $1,000 and started out.

"We went to Yellowstone Park first, instead of beginning in Sag Harbor, L. I., where Steinbeck did, because we had to have shots of bears bothering Charley and we were told in a few weeks the bears would be hibernating," reports Walt.

After Yellowstone, Walt and Sheldon made one 30-day trip, zigzagging across the northern half of the United States, then made four other trips of two weeks each. The only part of Steinbeck's hegira they didn't cover was the South.

-:-

"WE DIDN'T want to put a time tag on the trip, and when Steinbeck reached New Orleans in 1960, it was during the civil rights school integration trouble there with those white women who spat at the Negro kids going to school. We weren't censoring anything here, but we didn't want to include incidents which dated what we were doing," explains Walt.

Wherever they could, though, Walt and Sheldon tried to recreate the people Steinbeck met and talked with on his journey "in search of America."

French-Canadians coming over to Presque Isle, Maine, to pick potatoes, the Canadian customs man, the actor in North Dakota — all of these were characters that Walt either found real people for, or hired little-known actors to portray.

-:-

THE FRENCH-CANADIAN potato pickers balked at having their pictures taken at first, but in North Dakota Walt actually found an actor who hadn't made it, just as Steinbeck had on his trip.

To add to the reality, viewers will see a leg or an arm of Walt's while he's driving the camper and hear Henry Fonda's voice as that of Steinbeck relating his thoughts and conversations, taken from the Steinbeck book.

There also are six animated cartoon sequences, one of which re-creates a nightmare of Charley's about being chased by a bear.

-:-

STEINBECK'S original journey took four months and 10,000 miles. Walt and Sheldon took nearly that long and as many miles and wound up with four hours of film to cut down to an hour. They're associated with Lee Mendelson Film Productions, which also did Steinbeck's "America and the Americans" on NBC last December.

Author Steinbeck was so pleased with that TV effort that he was happy to sell the rights of "Travels with Charley" to Mendelson.

Ninety-nine per cent of the film seen in "Travels With Charley"' was all shot for this special. The University of Montana provided Walt and Sheldon with some spring and summer footage which they could not get in October and November, when they visited Montana.

-:-

WALT AND SHELDON never slept in their camper, but now Walt has become so sold on this mode of travel and living that he's planning to take his wife and three kids, 11, 10 and 8, on a vacation a la Steinbeck. He'll probably have to buy or rent a poodle, too, because his kids fell in love with Charley II.

Incidentally, the favorite bar Steinbeck visited on his trip to Monterey had been torn down. The one you see in the TV film is the Casa Madrid in San Francisco — in case you take the trip, too.

Not Candidat Rockefeller Still Claims

PITTSBURGH (AP) — New York Gov. Nelson A. Rockefeller dashed in and out of Pittsburgh between snow storms, got an award and declared once again that he wasn't yet a candidate for the White House.

But he admitted he would have to decide within 10 days because of the peculiar laws of the Oregon primary. They would require him to remove his name with a statement that says he will not be a candidate at any time.

"That would be a very difficult thing to do," he said.

Rockefeller was given an award by the Third International Transportation Conference for proposing and persuading New York voters to pass a $2.5 billion bond issue for mass transportation.

He was introduced by Pennsylvania Gov. Shafer, who called him "a great leader in the United States." But Shafer wouldn't say whether he is supporting Rockefeller for the Republican nomination.

Rockefeller's plane was an hour late because of a snow storm at Albany, N.Y. He had to cancel plans to fly to Rochester, N.Y., because the storm made landing impossible.

Plans Advanced For 25th Reunion By Midland Class

Plans are progressing for a 25th reunion by the Lincoln High School class of 1943, Mrs. Stella Yasnich Peacock, publicity chairman, reports.

At a meeting Monday night with Mrs. Marie Presutti Susie of Meadowbrook Estates, a reunion letter was composed for mailing. Glenn Waight is chairman of the reunion letter committee. Mrs. Susie is secretary of the general committee.

Other chairmen are Mrs. Erma Caesar Dauer, class president, general committee chairman; Miss Dorothy Shevenaugh and Charles L. Finley, reservations; Alex Vranes and Edward Liberatore, reception, and Ted Castelli, favors and dinner arrangements.

Mrs. Peacock who heads the publicity, public relations and orchestra committees, said Randy Estelle and "The Classics" of South Beaver Township will provide adult music for the reunion, which has been set for July 20 at the Willows Motel dining room and patio in Industry.

Non-graduates are invited to attend and may contact Mrs. Peacock for information relative to reservations.

The committee is seeking to locate Mary Elizabeth Lloyd and Mary Agnes Daily, class members. Those with information as to their place of residence may contact any of the committee members.

The committee will meet next Monday at 8 p.m. with Miss Shevenaugh of the Midland Apartments.

Blair Discusses New School For East End Group

Supt. Paul Blair discussed the new East Elementary School which is to open in September during a meeting of the Klondyke - Neville Home and School Association Tuesday night at Neville School.

He explained the construction and pointed out all equipment purchased by the association will be used only at East Elementary. A question - and - answer period followed.

The group voted to attempt to raise money to help purchase additional equipment for the new school under the federal Title III program.

George Tonkins announced a meeting has been held by officers of all PTA groups in East End to form an organization for the new school.

Mrs. Donna Perkins conducted devotions. Tina Adkins presented two piano selections.

The attendance banner was won by Mrs. Martha White's first grade and Mrs. Jean Newlan's fourth grade.

Fourth - grade homeroom mothers served refreshments.

Youth Unhurt In Car's Dive

A 16-year-old driver escaped injury Tuesday night when his 1964 model station wagon skidded and went over a hillside on Lisbon St. near S. Shady Ln. Dr., police reported.

Leonard H. Bloor of Lisbon St. told police he was driving east about 15 miles an hour when he swerved to miss a hole in the pavement, causing the vehicle to skid and plunge over the hillside.

The mishap damaged the front of the station wagon, which is registered to Evelyn J. Bloor, also of Lisbon St., police said. Patrolman James Buckley and Charles Coen investigated.

An auto was damaged slightly in a mishap with a city-owned truck Tuesday at Broadway and Drury Ln.

The mishap involved a halted 1960 model truck owned by the city and driven by Richard O. Watson, 37, of 673 St. Clair Ave. and a 1962 model station wagon driven by Bayard C. Price, 48, of 456 Sunset Dr. There were small scratches on the left rear fender of the auto.

Watson said his truck was stopped when the car emerged from the alley and began to turn north, but lacked clearance. Price told officers he was making a left turn in front of the truck, which drifted about two feet and bumped the station wagon.

Not Candidat Rockefeller Still Claims

PITTSBURGH (AP) — New York Gov. Nelson A. Rockefeller dashed in and out of Pittsburgh between snow storms, got an award and declared once again that he wasn't yet a candidate for the White House.

But he admitted he would have to decide within 10 days because of the peculiar laws of the Oregon primary. They would require him to remove his name with a statement that says he will not be a candidate at any time.

"That would be a very difficult thing to do," he said.

Rockefeller was given an award by the Third International Transportation Conference for proposing and persuading New York voters to pass a $2.5 billion bond issue for mass transportation.

He was introduced by Pennsylvania Gov. Shafer, who called him "a great leader in the United States." But Shafer wouldn't say whether he is supporting Rockefeller for the Republican nomination.

Rockefeller's plane was an hour late because of a snow storm at Albany, N.Y. He had to cancel plans to fly to Rochester, N.Y., because the storm made landing impossible.

Plans Advanced For 25th Reunion By Midland Class

Plans are progressing for a 25th reunion by the Lincoln High School class of 1943, Mrs. Stella Yasnich Peacock, publicity chairman, reports.

At a meeting Monday night with Mrs. Marie Presutti Susie of Meadowbrook Estates, a reunion letter was composed for mailing. Glenn Waight is chairman of the reunion letter committee. Mrs. Susie is secretary of the general committee.

Other chairmen are Mrs. Erma Caesar Dauer, class president, general committee chairman; Miss Dorothy Shevenaugh and Charles L. Finley, reservations; Alex Vranes and Edward Liberatore, reception, and Ted Castelli, favors and dinner arrangements.

Mrs. Peacock who heads the publicity, public relations and orchestra committees, said Randy Estelle and "The Classics" of South Beaver Township will provide adult music for the reunion, which has been set for July 20 at the Willows Motel dining room and patio in Industry.

Non-graduates are invited to attend and may contact Mrs. Peacock for information relative to reservations.

The committee is seeking to locate Mary Elizabeth Lloyd and Mary Agnes Daily, class members. Those with information as to their place of residence may contact any of the committee members.

The committee will meet next Monday at 8 p.m. with Miss Shevenaugh of the Midland Apartments.

Cary Grant, 2 Others Injured In Collision

NEW YORK (AP) — Cary Grant was cut about the nose and his woman companion and their chauffeur both suffered fractures Tuesday night when their limousine collided with a truck in Queens.

Police said the 64-year-old actor also complained of chest pains after the accident which occurred on the Long Island Expressway enroute to Kennedy Airport.

Grant's companion, Gratia von Furstenberg, 23, social director at Delmonico's Hotel, suffered fractures of the right leg and collar bone. The chauffeur, Troy Lindahl, 33, had a broken leg.

All three were admitted at St. John's Queens Hospital.

IRONTON, Ohio (AP) — Between $800 and $1,000 was stolen Tuesday from a safe in the rectory at St. Lawrence Roman Catholic Church here, police report.

Blair Discusses New School For East End Group

Supt. Paul Blair discussed the new East Elementary School which is to open in September during a meeting of the Klondyke - Neville Home and School Association Tuesday night at Neville School.

He explained the construction and pointed out all equipment purchased by the association will be used only at East Elementary. A question - and - answer period followed.

The group voted to attempt to raise money to help purchase additional equipment for the new school under the federal Title III program.

George Tonkins announced a meeting has been held by officers of all PTA groups in East End to form an organization for the new school.

Mrs. Donna Perkins conducted devotions. Tina Adkins presented two piano selections.

The attendance banner was won by Mrs. Martha White's first grade and Mrs. Jean Newlan's fourth grade.

Fourth - grade homeroom mothers served refreshments.

Youth Unhurt In Car's Dive

A 16-year-old driver escaped injury Tuesday night when his 1964 model station wagon skidded and went over a hillside on Lisbon St. near S. Shady Ln. Dr., police reported.

Leonard H. Bloor of Lisbon St. told police he was driving east about 15 miles an hour when he swerved to miss a hole in the pavement, causing the vehicle to skid and plunge over the hillside.

The mishap damaged the front of the station wagon, which is registered to Evelyn J. Bloor, also of Lisbon St., police said. Patrolman James Buckley and Charles Coen investigated.

An auto was damaged slightly in a mishap with a city-owned truck Tuesday at Broadway and Drury Ln.

The mishap involved a halted 1960 model truck owned by the city and driven by Richard O. Watson, 37, of 673 St. Clair Ave. and a 1962 model station wagon driven by Bayard C. Price, 48, of 456 Sunset Dr. There were small scratches on the left rear fender of the auto.

Watson said his truck was stopped when the car emerged from the alley and began to turn north, but lacked clearance. Price told officers he was making a left turn in front of the truck, which drifted about two feet and bumped the station wagon.

Plans were progressing for the Midland Public School's annual band concert, Louis Morace, director, said.

The event April 5 will consist of four parts. Part 1 will be a concert by the 4th St. School Elementary Band; Part 2, the high School concert band; Part 3, an intermediate band group, and Part 4, selections by the Symphonic Winds, a group of 36 advanced students taken from the ranks of the Concert Band.

Morace said advance tickets are available from any band member.

At Jaycees' Dinner

Honor Blevins, Stockdale

Two city residents were named the outstanding young policeman and outstanding young educator Tuesday night during the Jaycee - sponsored "Youth In Government" banquet at Westgate School. Some 150 attended.

Paul Blevins, a police lieutenant here, and Lloyd N. Stockdale, teacher and head basketball coach at Beaver Local High School, received the awards as part of the ceremonies during the dinner held as the conclusion to the "Youth In Government" project, a yearly event for seniors in East Liverpool High School.

—:—

BLEVINS, a graduate this year of Youngstown State University, was presented his award by City Auditor Lawrence Zollinger. Blevins, who was graduated from East Liverpool High School in 1957, attended Ohio University before enrolling at Youngstown. He was an honor student at Youngstown in 1966.

He is married to the former Ivona Malcolm. They have two children.

Blevins joined the department as a patrolman in 1961 and was promoted to lieutenant Feb. 24, 1968. He also is a substitute schoolteacher in East Liverpool and Wellsville.

—:—

STOCKDALE, a 1954 graduate of East Liverpool High School, received his B. A. degree in economics in 1961 from Marietta College and also is qualified to teach chemistry, physics and math. He has taken post - graduate work at Steubenville and Muskingum colleges.

He began teaching in seventh grade at Beaver Local and moved to the high school in 1963.

He is head basketball and baseball coach and the students' college adviser in charge of testing and assisting in scholarships.

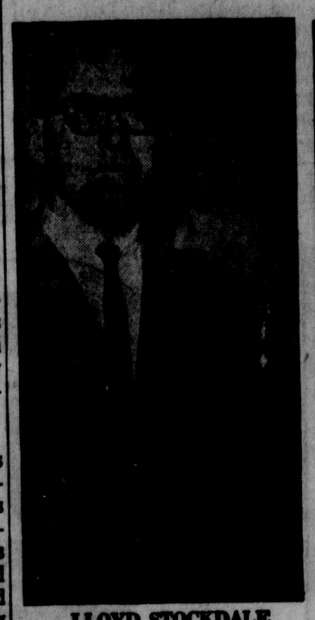

Stockdale received his award from Principal Ted Taylor.

—:—

PATTY WYCHE presented her winning essay in the Voice of Democracy contest held at the high school.

Polly Lease, Miss Columbiana County, entertained.

The junior high school essay contest winner was Michelle Short, daughter of Mr. and Mrs. Wilbert Short of 1024 St. George St., a ninth - grader at East Junior High. Her essay

LLOYD STOCKDALE

PAUL BLEVINS

was entitled "Why Become a Teacher?" She received a $25 savings bond.

Representatives from the following areas involved in "Youth In Government Day" last Thursday spoke briefly: Clifford Lynch, education; Michael Kapp, government; James Allison, business and industry, and William Hopper, acting mayor, representing students.

The featured speaker, Martin W. (Tim) Sheerer, advised students to keep themselves physicall and mentally alert. "If in your life you help one person," Sheerer said, "then you have accomplished something."

He said students have three major responsibilities — "to themselves, to their parents and to their community."

He emphasized the importance of becoming interested in politics and to work for community improvement.

Jack Hales was master of ceremonies.

Mrs. Martha Crook — 457-2996

EAST FAIRFIELD — Mrs. Ruth Bolsinger will present the program at the meeting of the WSCS of the East Fairfield Methodist Church Tuesday at 8 p. m.

Mrs. Pauline Chamberlain will lead devotions. Refreshments will be served by Mrs. Lois Lower, Mrs. Pearl Hoff and Mrs. Martha Crook.

Mr. and Mrs. George Schmidt entertained at a family dinner Sunday at their home. Guests were from Columbiana, Leetonia and the Youngstown area. The birthdays of Mrs. George Schmidt and son Gary, Mrs. Richard Schmidt and Mrs. LaClair Nelson were observed. Mrs. Schmidt also entertained 12 guests Saturday afternoon in observance of Gary's birthday.

Mr. and Mrs. Alva Cope visited Mr. and Mrs. Glen Cope and family of Berea Sunday.

Mrs. Pearl Hoff spent the weekend at the home of her son and daughter-in-law, Mr. and Mrs. Don Birmingham of New Springfield. They attended the wedding of Miss Kathy Ritchey and Steven Hirt Sunday at the Centenary Methodist Church in East Palestine.

Q.—My gravy always tastes good enough, but it has an unappetizing color. Have you any suggestions?

A.—You can add more eye appeal to your gravy by the addition of some leftover coffee to it, stirring in a teaspoonful of powdered instant coffee. This darkens the gravy nicely, without affecting its taste.

Women's Group Given Invitation For Show, Party

An invitation to a style show and party at Wheeling was read during a meeting of the Newell Junior Women's Club Tuesday night in the Amercian Legion post home.

Mrs. Linda Kiger, president, said the affair given by the Wheeling Junior Women's Club, will be held Thursday. A letter was read from Mrs. Lyndon B. Johnson commending the club for its interest in crime prevention and thanking it for the "vigilate" that was sent to her.

A thank - you note was received from the Weston State Hospital, where the club sent books and playing cards.

Reservations for a state convention must be made with Mrs. Phyllis Jividen by April 14. The convention will be May 17-18 in Huntington.

A birthday cake and present were given to the president. Officers were nominated. Mrs. Jo Ann Gessford led devotions.

The main table was centered with an arrangement of spring flowers flanked by white tapers. Hostesses were Mrs. Edna LaNeve, Mrs. Sandy Stine and Mrs. Jean Lower.

2 To Face Hearings On Traffic Charges

SALINEVILLE — Two area men face hearings on traffic charges Thursday night before Mayor Dwayne Felton as the aftermath of Tuesday citations.

Thomas Fields, 68, of Salineville RD 3 was charged with improper backing when his 1966 four-door sedan was struck in the rear by a 1964 pickup truck operated by Edna Mae Ferguson, 34, of Wood St., Salineville, on Foundry Hill Rd.

John Needham, 29, of 18 Lincoln St. was charged with an improper license Tuesday about 4:10 p. m. The vehicle he was operating carried an expired 10-day tag.

Deaths and Funerals

Mrs. Mary Warner

Mrs. Mary Anderson Craig Warner, 44, of Miami, Fla., formerly of Midland Ave., Midland, died Tuesday at 4 a. m. at Jackson Memorial Hospital in Miami following a brief hospitalization.

She was the niece of Mrs. Helen Shovlin of 749 Beaver Ave., Midland. Her father, the late William Anderson, operated a store on Midland Ave. for many years.

Survivors include three children, Lee Craig of St. Joseph, Mo., Celeste Craig of North Little Rock, Ark., and Mary Jean Craig of Miami; her mother, Mrs. Isaure Anderson of Miami; a sister, Mrs. Coman (Frances) Leonard of Miami Shores, Fla., and a brother, William Anderson of Wisconsin.

The Josberger Linear Funeral Home, Flagler St., Miami, is in charge of arrangements. Services will be held Friday at 9 a. m. at St. Michael's Church in Miami.

John Jenkins

EAST PALESTINE — John R. Jenkins, 48, of 1308 Howell Ave., a scheduling clerk at the Babcock & Wilcox Co., Beaver Falls, was pronounced dead on arrival at Providence Hospital, Beaver Falls, Tuesday about 4:50 p. m.

He had suffered a heart attack near the West Mayfield area shortly after leaving work.

A native of Salem, Mr. Jenkins was born Feb. 18, 1920, a son of the late William A. Jenkins and Amenda E. Rhodes Jenkins. He had resided in the East Palestine area virtually his lifetime.

He was a veteran of the Korean conflict and belonged to the Trinity United Presbyterian Church of East Palestine, the Unity Ruritan Club and the Unity Grange. He was a deacon and assistant Sunday School superintendent of his church. On Aug. 24, 1944, he married the former Dorothy L. Saviers, who died Aug. 5, 1954. On June 18, 1965, he was married to the former Joyce E. Plunkett, who survives at home.

Other survivors are two daughters, Miss Carol L. Jenkins and Miss Patricia L. Jenkins, both at home; a sister, Mrs. Robert (Ruth) Holloway of Columbiana, and a brother, William E. Jenkins of East Palestine RD 1.

Services will be held Friday at 1:30 p. m. at the VanDyke Funeral Home here by the Rev. C. Lee Filker. Burial will be in Glenview Cemetery, East Palestine.

Friends may call at the funeral home Thursday from 7 to 9 p. m.

Arthur R. Beyer

LISBON—Arthur Robert Beyer, 61, of 5416 Edgerton Rd., North Royalton, died Tuesday at the Capehart Motel on Route 30 east of here.

He was found dead in his room about noon. Dr. James R. Milligan of Salem, deputy county coroner, ruled death was caused by a heart attack.

A frequent visitor at the motel, Mr. Beyer traveled through here often in his work as a supervisor for the U. S. Department of Agriculture. He worked out of the Columbus office in the inspection and grading of poultry and poultry products.

The body was moved today from Eells - Leggett Funeral Home here to the Cochran Funeral Home in North Royalton.

Mrs. Laura Klein

Services for Mrs. Laura Klein, 85, of Kewanee, Ill., a native of Smiths Ferry and a former practical nurse, will be held Friday at 1:30 p. m. at the Beaver Cemetery Mausoleum Chapel.

The Rev. Frank I. Snavely of the Beaver First Methodist Church will officiate.

Mrs. Klein died Monday night at Kewanee.

She was born March 4, 1883, a daughter of the late Charles Wallover and Nancy Elinor Wallover. She had resided in Kewanee since 1944. She was graduated from Rochester High School and from Geneva College, Beaver Falls, in 1904. She was the first treasurer and one of the founders of the licensed Practical Nurses Association at Kewanee, where she served for many years at the hospital. She was a charter member of the Kewanee Senior Citizens Club.

She was preceded in death by her husband, Louis George Klein, in 1948 and two brothers, Marvin Wallover and George Wallover.

She leaves a son, L. Edward Klein, with whome she resided, two grandchildren, eight neices and two nephews.

The J. T. Anderson Jr. Funeral Home in Beaver is in charge of the local arrangements.

Q.—How can I keep buttonholes from fraying when working them into loosely - woven fabrics?

A.—You can fashion a good, long-lasting buttonhole if you'll first apply a thin line of clear fingernail polish exactly where the hole is to be made. Let this dry, then cut the buttonhole with a razor blade or buttonhole scissors, and work as usual.

Q. — How can I replace a cracked or broken asphalt tile in my floor?

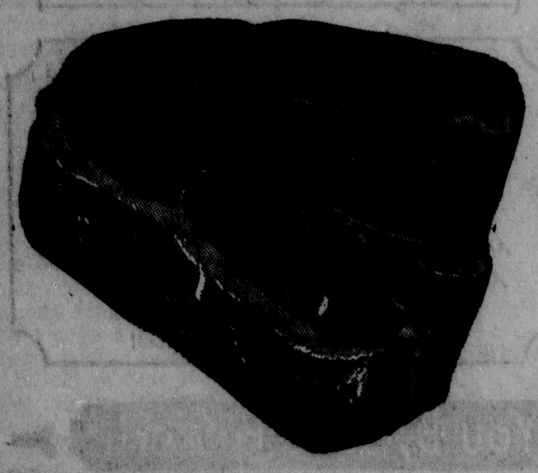

A. — With a hammer, put a number of dents in the damaged tile. The tile will soon begin to curl up, either at the edges or where the crack is. Lift it out of position with a putty knife, carefully scrape up the old adhesive from the floor underneath, apply new mastic or cement, and then after this becomes tacky to the touch, place down you new tile.

Jobless Rate Jumped 3.7% In February

WASHINGTON (AP) — The nation's unemployment rate, which hit a 15-year low for January, edged upward again in February to 3.7 per cent of the labor force, the Labor Department reported today.

At the same time, total employment rose by about 800,000 to a total of 74.1 million, the monthly report showed. The number of unemployed in February was put at 3.3 million, the same as the seasonally adjusted number for december.

The rate of joblessness, at 3.7 per cent, was the same as that for December and for February 1967. It had declined to 3.5 per cent for January.

Arthur M. Ross, commissioner of labor statistics, attributed the increased jobless rate primarily to an increase in the number of teen-age job seekers, about three-fourths of whom were looking for part-time work.

Much of the rise in employment last month came in jobs for women and teen-agers.

Nearly half of the 550,000 increase in nonfarm payroll employment was in contract construction, where employment increased by 250,000 to reach a record high of 3.5 million. Construction jobs had dropped 120,000 in January, largely because of bad weather.

Manufacturing employment rose 65,000 to a seasonally adjusted 19.6 million in February despite a net increase of 35,000 in the numbers of workers off payrolls because of strikes. The department said manufacturing employment in February edged just above the previous record high in January 1967.

Ross said that although the number of jobs increased substantially in the last year, the number of persons seeking jobs rose at about the same rate and the jobless situation thus remains about the same as that a year ago.

Ross noted that both the labor force and total employment rose by 1.5 million between last winter and the comparable December-February period this winter.

The seasonally adjusted work week for factory production workers rose by one-half hour in February to 40.7 hours, after declining by the same amount a month earlier.

Average hourly earnings for rank and file workers rose by one per cent during the months to $2.76. Compared with February 1967, hourly earnings were up 14 cents and average weekly earnings were up $1.20 over January and $5.03 above those of February 1967.

4 Hell's Angels Cyclists To Face Murder Charges

CLEVELAND (AP) — Four members of the Hell's Angels motorcycle gang arrested Tuesday near Fonda, N.Y., will be brought back to Cleveland Thursday to face first-degree murder charges in connection with the shooting deaths Feb. 28 of two men in an East Side bar.

They are Nelson A. "Scottie" Blackburn, 23, Cleveland; Robert "Bottles" Lemmons, 25, Euclid; George Rothrock, 24, Euclid, and Nellie Sideris, 22, Cleveland.

In a preliminary hearing Tuesday in Fonda Municipal Court all four waived extradition.

Patrolman A. R. Broers of the New York State Police said the group was stopped while driving on the New York State Thruway.

He said he stopped the vehicle for a routine safety check, then found that the driver, Lemmons, had no license.

Two other members of the Hell's Angels group still being sought in the killings of Roosevelt Brown, 36 and James O. Tillett, 38, in Barto's Cafe, are Timothy Adams and Gary Leroy Montgomery.

Three members of the club have already been charged with first-degree murder in connection with the deaths.

Club Reports $2,500 Received For Show

BEAVER — The Gypsy Glen Riding Club reports almost $2,500 has been donated for sponsorships and trophies for the annual horse show June 21-23 at Brady's Run Park.

Donations are being accepted by Mrs. John A. Wilson of Dutch Ridge Rd., Beaver.

Mrs. C. H. Waddell said 76 reservations have been made for the dinner - dance March 16 at the Willows Motel.

Robert Bassett, president, said the club will sponsor a challenge trophy for the parade horse class in the show.

Virginia was the original destination of the Mayflower when it sailed from Plymouth, Eng-

NOTICE FOR BIDS

Sealed bids will be received by the Director of Public Service-Safety of the City of East Liverpool, Ohio, until twelve o'clock noon E.S.T., March 28, 1968, for the purchase of two (2) motor vehicles to be used as Police Cruisers, according to specifications now on file in the office of said Director.

Said bidders shall bid on said motor vehicles on the following basis: With a simultaneous sale to the bidder of two (2) 1967 Chevrolet four door sedans, with the stipulation that the sales price of the used vehicles be subtracted from the purchase price of said new vehicles as a means of determining the lowest and best bidder and to enter into a single contract for the sale of said city vehicles and purchase of the new vehicles described above.

A contract will be entered into with the lowest and best bidder according to law.

Each bid must contain the full name of every person or company interested in the same and be accompanied by a certified check on some solvent bank in the amount of five (5) per cent of the bid for the new vehicles payable to the Treasurer of the City of East Liverpool, or by a bond in the amount of five (5) per cent of the total bid to the satisfaction of the Director, as a guaranty that if the bid is accepted, a contract will be entered into and its performance properly secured. Should any bid be rejected such check will be forthwith returned to the bidder, and should any bid be accepted, such check will be returned upon the proper execution and securing of the contract.

Envelopes containing bids should be marked on the outside "Police Cruisers Bid."

The right is reserved to reject any or all bids.

ROBERT E. VODREY
Director of Public Service-Safety
East Liverpool, Ohio

LEGAL NOTICE

Charles F. Patterson, whose place of residence is unknown and cannot with reasonable diligence be ascertained and the unknown heirs, executors, administrators, devisees, legatees and assigns of Charles F. Patterson, will take notice that on April 18, 1967, the Plaintiff, Vincent C. Judge, County Treasurer of Columbiana County, Ohio, filed his Petition against them in the Court of Common Pleas of Columbiana County, Ohio, being Case No. 43560, in said Court, for the enforcement of delinquent tax lien, pursuant to Section 5721.18 of the Revised Code of Ohio, and for the sale of certain real estate described in said Petition, to wit:

Situated in the County of Columbiana, State of Ohio and the City of Wellsville and bounded and described as follows: Being a part of Section Nine, Township Nine and Range Two. Beginning on the west line of Section 9 at a point which is 712.8 feet south of the northwest corner of said section; thence south with the said section line 726 feet; thence east 476 feet to a point in Buckeye Avenue (old Steubenville Road) thence north 27° 31' east in the Steubenville Road 815.6 feet to the line of other lands; thence with the line of other lands west 624 feet to the place of beginning, containing an area of 12.3 acres be the same more or less, but subject to all legal highways.

The prayer of said Petition is for the sale of said real estate for the payment of taxes, assessments, interest, penalties, charges, and fees as are found due and unpaid. Said Defendant and his unknown heirs, devisees, legatees, administrators, executors and assigns are required to answer said Petition on May 10, 1968, or judgement will be taken against them.

Vincent C. Judge,
County Treasurer
Columbiana County, Ohio

ANNOUNCEMENTS

3 CARD OF THANKS

OUR sorrow is hard to bear, but we know that without the comfort and consolation of our friends, neighbors and relatives, the loss of our beloved wife and mother, Lucy Netti, would have been impossible to bear. To each and every person whose kindness and thoughtfulness helped us so much at this time, we extend our grateful acknowledgement.

Husband and children.

Jobless Rate Jumped 3.7% In February

WASHINGTON (AP) — The nation's unemployment rate, which hit a 15-year low for January, edged upward again in Februay to 3.7 per cent of the labor force, the Labor Department reported today.

At the same time, total employment rose by about 800,000 to a total of 74.1 million, the monthly report showed. The number of unemployed in February was put at 3.3 million, the same as the seasonally adjusted number for december.

The rate of joblessness, at 3.7 per cent, was the same as that for December and for February 1967. It had declined to 3.5 per cent for January.

Arthur M. Ross, commissioner of labor statistics, attributed the increased jobless rate primarily to an increase in the number of teen-age job seekers, about three-fourths of whom were looking for part-time work.

Much of the rise in employment last month came in jobs for women and teen-agers.

Nearly half of the 550,000 increase in nonfarm payroll employment was in contract construction, where employment increased by 250,000 to reach a record high of 3.5 million. Construction jobs had dropped 120,000 in January, largely because of bad weather.

Manufacturing employment rose 65,000 to a seasonally adjusted 19.6 million in February despite a net increase of 35,000 in the numbers of workers off payrolls because of strikes. The department said manufacturing employment in February edged just above the previous record high in January 1967.

Ross said that although the number of jobs increased substantially in the last year, the number of persons seeking jobs rose at about the same rate and the jobless situation thus remains about the same as that a year ago.

Ross noted that both the labor force and total employment rose by 1.5 million between last winter and the comparable December-February period this winter.

The seasonally adjusted work week for factory production workers rose by one-half hour in February to 40.7 hours, after declining by the same amount a month earlier.

Average hourly earnings for rank and file workers rose by one per cent during the months to $2.76. Compared with February 1967, hourly earnings were up 14 cents and average weekly earnings were up $1.20 over January and $5.03 above those of February 1967.

4 Hell's Angels Cyclists To Face Murder Charges

CLEVELAND (AP) — Four members of the Hell's Angels motorcycle gang arrested Tuesday near Fonda, N.Y., will be brought back to Cleveland Thursday to face first-degree murder charges in connection with the shooting deaths Feb. 28 of two men in an East Side bar.

They are Nelson A. "Scottie" Blackburn, 23, Cleveland; Robert "Bottles" Lemmons, 25, Euclid; George Rothrock, 24, Euclid, and Nellie Sideris, 22, Cleveland.

In a preliminary hearing Tuesday in Fonda Municipal Court all four waived extradition.

Patrolman A. R. Broers of the New York State Police said the group was stopped while driving on the New York State Thruway.

He said he stopped the vehicle for a routine safety check, then found that the driver, Lemmons, had no license.

Two other members of the Hell's Angels group still being sought in the killings of Roosevelt Brown, 38 and James O. Tillett, 38, in Barto's Cafe, are Timothy Adams and Gary Leroy Montgomery.

Three members of the club have already been charged with first-degree murder in connection with the deaths.

Club Reports $2,500 Received For Show

BEAVER — The Gypsy Glen Riding Club reports almost $2,500 has been donated for sponsorships and trophies for the annual horse show June 21-23 at Brady's Run Park.

Donations are being accepted by Mrs. John A. Wilson of Dutch Ridge Rd., Beaver.

Mrs. C. H. Waddell said 78 reservations have been made for the dinner - dance March 16 at the Willows Motel.

Robert Bassett, president, said the club will sponsor a challenge trophy for the parade horse class in the show.

NOTICE FOR BIDS

Sealed bids will be received by the Director of Public Service-Safety of the City of East Liverpool, Ohio, until twelve o'clock noon E.S.T., March 28, 1968, for the purchase of two (2) motor vehicles to be used as Police Cruisers, according to specifications now on file in the office of said Director.

Said bidders shall bid on said motor vehicles on the following basis: With a simultaneous sale to the bidder of two (2) 1967 Chevrolet four door sedans, with the stipulation that the sales price of the used vehicles be subtracted from the purchase price of said new vehicles as a means of determining the lowest and best bidder and to enter into a single contract for the sale of said city vehicles and purchase of the new vehicles described above.

A contract will be entered into with the lowest and best bidder according to law.

Each bid must contain the full name of every person or company interested in the same and be accompanied by a certified check on some solvent bank in the amount of five (5) per cent of the bid for the new vehicles payable to the Treasurer of the City of East Liverpool, or by a bond in the amount of five (5) per cent of the total bid to the satisfaction of the Director, as a guaranty that if the bid is accepted, a contract will be entered into and its performance properly secured. Should any bid be rejected such check will be forthwith returned to the bidder, and should any bid be accepted, such check will be returned upon the proper execution and securing of the contract.

Envelopes containing bids should be marked on the outside "Police Cruisers Bid."

The right is reserved to reject any or all bids.

QUESTION: When a cat is angry, why does his hair stand up?

★ ★ ★

ANSWER: The skin of animals is a remarkable and wonderful thing. There is a strong outside layer of dead cells which protects the living part underneath. Specialized cells turn into nails or claws or scales or hair or feathers. Hair and feathers are valuable because they protect against injury and hold in the heat of the body. But they have other uses as well. In the cold weather birds can fluff their feathers up (A) to provide the best insulation. There are little muscles around the feathers which help them do this. Similar little muscles around each hair are used by the kitten in the main picture to fluff itself up and make it look bigger and more savage than it really is. By showing his claws and hissing at the same time, the kitten makes himself into quite a little monster. If Fido should jump at him and try to take a nip he might only get a mouthful of raised-up hair and a faceful of scratches. Fido probably will play it cool and back away.

How Can I?

By ANNE ASHLEY

Q. — How can I remove the shine from the back of a navy blue suit?

A. — Try rubbing with hot vinegar, then sponging with ammonia. Many other such tips on the care and cleaning of clothes are included in my household book.

Q.—How can I remove old whitewash from a wall?

A.—Here's a method that's easier than washing it off with water. First, apply a thin wash coat consisting of starch, alum, and glue. After this has dried thoroughly, which causes the whitewash to curl up, you can brush it off quickly and easily.

Q.—How can I remedy "bruises"" on velveteen or velvet dresses?

A.—Place the crushed area, pile down, over a brush of many bristles, then hold a steam iron just above the back of the fabric, and let the steam pour down through the pile. Then remove the fabric from the brush, shake until partially dry, and lay aside until it is entirely dry.

Q.—How can I remove spots from hardwood floors?

A.—Often effective is a wiping over with a cloth dampened in rubbing alcohol. Follow with a good coat of wax.

Q.—How can I remove oil stains that have penetrated deeply into the concrete floor of my garage?

A.—Saturate white flannel in a mixture of equal parts of acetone and amyl acetate, place this over the stain, cover with a slab of concrete or glass, and keep re-saturating the cloth until the stain disappears.

Barge Interests Oppose It

3-Span Design Presented To Replace Silver Bridge

PITTSBURGH (AP) — Ohio and West Virginia officials have come up with a three - span design to replace the Silver Bridge that collapsed in December, killing at least 46 people. But barge interests say they don't like it.

The bargers also oppose a bridge site from Henderson, West Virginia to Kanauga, Ohio that was revealed by officials from the two states at a meeting Tuesday.

Nothing was decided at the meeting, called by the Coast Guard to gather information on the replacement bridge. Officials said final decisions would be made public hearings scheduled for Point Pleasant and Gallipolis, Ohio, on March 20.

The bridge design would have a main span of 710 feet in the middle for boats to navigate the Ohio River underneath. Two piers would be about 300 feet from the banks of the river.

Robert McCullough of Huntington, speaking for the Ohio River Co. said the new bridge should have a 900-foot main span or two 700-foot spans.

"I'm sure I could get arguments on either side of the issue," he said, "but with the 900-foot span you've got two piers to miss when you're going on radar in the foot, but with the 700-foot span you've got only one."

Rep. Frank Clark D-Pa., chairman of the House Coast Guard Subcommittee scoffed at the argument that boaters needed a lot of leeway in the spans. "I know you fellows are experts at maneuvering those barges because you've told me so many times," he said.

Clark said he believed the barge companies want wider spans so they could add more barges to the width of their barge strings.

John F. Hones of the Ohio Highway Department and O. R. Colan of the West Virginia Road Commission outlined the four proposed sites:

1. From Henderson to Kanauga, about a quarter mile downstream from the Kanauga River.

2. A quarter mile upstream from the Kanauga River leading into Point Pleasant.

3. The site of the original Silver Bridge.

4. Just upstream from the railroad bridge.

Highway planners indicated they favored site No. 1 because it would avoid pouring traffic from the four - lane bridge into Point Pleasant, where streets are mainly two - lane.

However, the barge interests opposed site No. 1. They said the currents on the Kanauga River would make navigation tricky as they tried to pull off the Ohio with their 1,000-foot long strings of barges.

8 Pass Exam For City Jobs

Eight women scored passing grades Tuesday night in an examination held at City Hall by the Civil Service Commission to draw up an eligibility list for appointment of city "Meter Maids."

The commission said the passing grades were scored by:

Amy Louise Stoakes of 820 Division St., Betty Joan Masters of 1064 Riverview St., Elizabeth Pasquale Ross of 2160 Harvey Ave., Susanna Mae Figley of 226 W. 9th St.

Dorothy Jean Richard of 1284 Oakwood Ave., Grace Lelia Lockhart of 146 N. Surrey Rd., June Eileen Hillyer of 818 St. George St. and Mary Kathryn Sanford of 1748 Montana Ave.

There are no vacancies on the "Meter Maid" force at present. Nine had applied for the exam, but one applicant did not appear.

Meanwhile, the commission reminded that applications will be accepted until Saturday for an examination it will hold at City Hall March 26 to draw up a new eligibility list for appointment of city firemen.

The commission pointed out that applicants qualified in all other respects may reside within a two-mile radius of the city limits. Previously, applicants were required to be East Liverpool residents.

New York City was described by the first Encyclopaedia Britannica 200 years ago as being bounded by Canada on the north, New England on the east, the American Sea on the south and Pennsylvania and the Iroquois Indians on the west.

The greatest distance between any two points in the United States is the 5,850 miles from Elliott Key, Florida, to Hawaii's Kure Island, the National Geographic says.

Meany Accepts Challenge For Special Convention

WASHINGTON (AP) — George Meany has accepted a challenge for a special AFL-CIO convention to judge whether American labor is foundering under his leadership. But he said challenger Walter Reuther must first agree to abide by the verdict.

Reuther, the United Auto Workers president who joined with Meany to found the 14-million-member labor federation 12 years ago, can have the special convention he demanded "if he puts his gun away," Meany said.

Reuther, who for more than a year has been attacking the 72-year-old Meany's leadership in the AFL-CIO presidency as "stagnant," "undemocratic" and "vegetating," called a meeting today of the Auto Workers Executive Board to consider the offer of a special convention.

Meany said the AFL-CIO's 29-man Executive Council unanimously agreed to the demand for a special convention if Reuther first promises to show up and accept any decisions of the convention.

But he said the council "unanimously rejects out of hand the ultimatum" by Reuther that he will pull his 1.5 million Auto Workers out of the federation if he doesn't get the convention.

Meany said this didn't mean Reuther would have to promise not to secede from the AFL-CIO in order to get a special convention.

Reuther indicated earlier he couldn't accept any preconditions to a special convention.

"I pray that the American labor movement can see the light," said the 60-year-old, red-haired Reuther.

Reuther gave up the presidency of the Congress of Industrial Organizations in 1955 to nominate Meany, president of the American Federation of Labor, as head of the merged 128-union organization.

Reuther, speaking at the convention of the AFL-CIO's 6.5 million-member Industrial Union Department, said he favored neither a U.S. withdrawal nor escalation of the war in Vietnam. Meany is among Johnson's strongest war supporters.

Barge Interests Oppose It

3-Span Design Presented To Replace Silver Bridge

PITTSBURGH (AP) — Ohio and West Virginia officials have come up with a three - span design to replace the Silver Bridge that collapsed in December, killing at least 46 people. But barge interests say they don't like it.

The bargers also oppose a bridge site from Henderson, West Virginia to Kanauga, Ohio that was revealed by officials from the two states at a meeting Tuesday.

Nothing was decided at the meeting, called by the Coast Guard to gather information on the replacement bridge. Officials said final decisions would be made public hearings scheduled for Point Pleasant and Gallipolis, Ohio, on March 20.

The bridge design would have a main span of 750 feet in the middle for boats to navigate the Ohio River underneath. Two piers would be about 300 feet from the banks of the river.

Robert McCullough of Huntington, speaking for the Ohio River Co. said the new bridge should have a 900-foot main span or two 700-foot spans.

"I'm sure I could get arguments on either side of the issue," he said, "but with the 900-foot span you've got two piers to miss when you're going on radar in the foot, but with the 700-foot span you've got only one."
